

FAIR WEEK AUGUST 16 to 19

When They Step At Charlottetown

Tuesday, August 16--Wednesday, August 17
Thursday, August 18--Friday, August 19

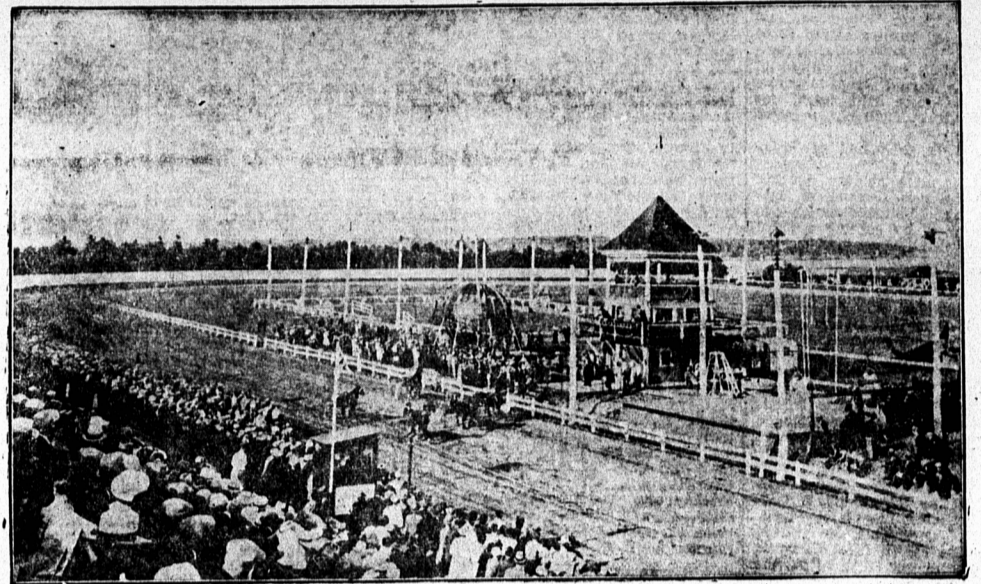

Today we proudly present to our race patrons one of the largest and best lists of entries we have ever published. It has gone far beyond our most sanguine hopes. As these lines are written horses are being loaded on trains from far away points in the Maritimes and Maine with the destination "CHARLOTTETOWN" marked on each freight bill. They are coming to the Garden of the Gulf for a week of unexcelled sport, enjoyable alike to owners, trainers and groomers as it is to our many thousands of race-goers who have so splendidly patronized our Exhibition races year after year. Perhaps it is not amiss for us to say how much we appreciate this generous support, without which the Big Fair as you will see it, could not be created.

As you will note below, every class is filled, some almost to overflowing. But, of course, there will be withdrawals as some horsemen will prefer to start in one class and others in another; but you can be sure that the keenest competition will be evidenced in every heat. Abundance of racing material of good quality assures every spectator four afternoons of wonderful sport.

Race days will be gala days indeed, with our grand stands packed with people, our grounds spotless and glistening with paint and whitewash, our track sensationally fast due to the care and work we have put on it.

Interspersed with the races will be thrilling vaudeville such as Bonette's Balloon and parachute jump, Eric the Great, the high pole artist, Captain Solomon and his Diving Circus, the Cycling Wheelers, the Cavaudex Girls, Carr Brothers, Marie's Animal Circus, Pat Rafferty, the singing sensation of the old Dumbells, Rex Doyle, the boy with the million dollar personality and Ken Good and his Commanders orchestral band.

There is no substitute for an afternoon's sport at the Provincial Exhibition. It will be an afternoon that will stand out in memory's pages. Be there—feel again the thrill of close finishes—see the greatest trotters and pacers in Canada perform—outstanding names in the equine world. See the younger generation of trotters and pacers win their spurs. Hear the crack of the whip as the drivers turn into the stretch; hear the cheers of the grand stand. Come—throw your cares away.
