ANY girl desiring to learn typesetting should apply at this office at once.

Any person desiring to rent a double office, with a desirable location, should apply at this office at once.

At the Police Court yesterday morning the adjourned Smith & Eradley case was before the court. It was dismissed.

YESTERDAY Lena Herron, aged eleven, accidentally broke her arm in West Kent School grounds. The little girl was playing at the time and fell from the fence.

MISS BLAKE, of Charlottetown, sang at 11 o'clock mass in St. Mary's cathedral on Sunday last. She has a beautiful voice, and her rendering of the "Ave Maries" was greatly admired.—Halifax Herald.

NEXT Wednesday and Thursday the 11th and 12th instant are the days. What days! The days of the greatest horse racing ever held on Prince Edward Island. Where? At the Charlottetown Driving Park. How much does it cost to see them? Only twenty-five cents.

An Ottawa despatch of Sept 3rd says:—Premier Parent, of Quebec, wired to the Minister of Marine, asking if it were possible to anticipate the opening of the oyster season on the 18th by two days so that this delicacy might be obtainable on the Duke's visit. Sir Louis Davies replied that this would be opening the door to possible abuses and regretted that he could not see his way clear to granting the application.

THE announcement of the P. E. Island Tailoring Establishment will be read with interest by all. The making of correct garments for all functions is certainly an art known only to those perfectly trained in the business. The firm announce that they have in stock imported cloths in high class novelties with exclusive patterns. Those who favor the new house with a call will find the work unexcelled. A specialty will be the prompt filling of orders with due care to first class work. Suits cleaned and pressed thoroughly. Repairing neatly done, in fact everything known to the business is carried out with precision and care.

FROM the Montreal Witness we gather the returns of the first hundred in the Ottawa shooting 34th place: Capt. J. M. Jones 82nd Regt. This excellent marksman will doubtless have the option of going to Bislely as one of the twenty crack shots of Canada. Several names higher on the roll are debarred by a regulation which prohibits any shot going more than twice in four years. Then some of the men on the list will probably be unable to go. Capt. Jones enjoys the reputation of being an always reliable shot and our credit will be safe if he represents the Island.

Sixty first on list, Lieut. Lordly, 66th Sergt Regie Stewart, 70th Capt. Ewen, 80th Pte. E. Crockett (late Lieut. 82nd)

ALEXANDRA NOTES.—Hay-pressing is now the order of the day.—Mr. Bamford Wood is erecting a new dwelling house. The contractors are Messrs. Herman Jones and George W. Judson.—Mr. and Mrs. W. H. Partridge of Boston, Mass., and Miss Carrie Winslow, Miss Jessie McKenzie and Mr. Frank Winslow, of Roxbury, Mass., who have been visiting their relations, Mr. and Mrs. Benjamin Wood, have returned to their homes, much pleased with their trip. They claim that the view through Alexandra is the most beautiful they have seen while on the Island. Mr. Partridge runs a wholesale grocery business, and Mr. Winslow is a conductor on a railroad.—Miss Sadie McLennan and Miss Annie McLennan intend leaving shortly for Boston.—Miss Carrie and Miss Lottie Clarke of Summerside, are visiting at their aunt's, Mrs. Phillip Wood.—The gardeners are doing a rushing business this fall. Long before sunrise on market mornings you can hear the rattle of their wagons as they start for the City laden with potatoes and vegetables of every kind.

Dr. Chase's Kidney Liver Pills make the kidneys healthy and vigorous, and so gradually and thoroughly cure Rheumatism by removing the cause. One pill a dose 25 cents a box.

H. J. CUNDALL, F. L. HAZARD, Executors of Estate of the late Thos. W. Dodd, Ch'town, May 27th, 1901—Wed. Fri. if

Prince Edward Island is becoming a favorite holiday resort, not only for American visitors, but also for those who journey seaward from points west of Montreal. The excellence of the trout fishing to be got in the Island and the delightful bathing—at this time of the year the temperature of the sea invariably exceeds C deg. F.—are causing well-to-Americans and Canadians to build summer homes there. Prince Edward Island more closely resembles a Southern English country than any other part of the New World—the original settlers, Englishmen for the most part, planted quickset hedges and clumps of fold-country timber—and a journey there was lately described by a Canadian as the shortest way of visiting "the Motherland."—London, Eng., Paper.

#### CAN'T SCARE SUMMER PARIS.

Paris, September 2.—Midsummer Paris refuses to be terrified by the war spectre in the east. Though M. Constans has left Constantinople and arrived in Paris, and polite word has been sent to Munir Bey, the Turkish minister, that he need not return here at present and Vienna reports say that the Porte has ordered 300 guns from Germany, in spite of all these ominous events, the nation is tranquil.

#### FAKIRS GET IN THEIR WORK.

An exchange states San Francisco crooks have flooded Alaska and the Klondyke with bogus gold dust. It is supposed that these clever confidence men by carrying "gold bricks" into the gold country have cleaned up about \$100,000.

#### LIKE A KNIFE

This Sensation of a Sciatica Victim Released by Dodd's Kidney Pills.

BOSTON, N. B., Sept. 2. (Special).—The case of William A. Brown of this place cured of that terrible disease Sciatica by Dodd's Kidney Pills, has aroused keen interest all through New Brunswick. Mr. Brown is in perfect health and no trace of his old lameness remains. His statement reads as follows: "I had Sciatica so bad in my back and hip that at times I could not walk without suffering awful agony. Pains would shoot through my back with a sensation similar to running a knife through it. I began taking Dodd's Kidney Pills and before I had used up the first box the pains had nearly all left me. After the third box I was completely cured. "I think Dodd's Kidney Pills are a wonderful remedy."

### Pickling Season.

The pickling season has arrived and like many other duties the pickling of them is postponed from time to time and at last the anxious housekeeper is face to face with the fact that the season has come and gone and those toothsome dainties so dear to men's palate are beyond their reach.

The pickling season only lasts a short time and the time to put them down is when the material to make them is at its cheapest. That season is now, not next week.

Every housekeeper should make their own pickles, you know then what you have, much of the imported article is decidedly unwholesome.

We have a full line of cucumbers, small white onions, cauliflower, green tomatoes for chow chow, ripe tomatoes, red peppers, mixed spices &c. Onions wholesale and retail, and any quantity to suit small retailers, also a full line of vegetables including sugar-corn, cabbage, cauliflower, celery, beets, carrots, butter beans, squash, cucumbers (large for slicing) &c. at Gay's market stalls—Saturday from 6 to 10 evening only.
