A pump jack will solve it. Write for particulars to THOMAS H. BISHOP and SON P.O. Box 136 Summerside

"FLASH"

CONSIDER YOUR SERVICE BEFORE PURCHASING FARM EQUIPMENT

POTATO SPRAYERS:—

Our sale of Seventy-eight Hall Liquid Sprayers last season in Prince Edward Island is ample proof that the farmers are (with the exception of a small few), sticking to the old, reliable system of liquid spray which has always stood the test. It is anywhere from 35% to 50% cheaper for each application and does not have to be gone over so often in bad seasons, which is ample proof of its superiority. We have what you require in either Horse or Tractor drawn, as well as the new, improved Power Take-Off driven all steel construction Machine on Rubber Tires with Six-Row Boom. Our Factory is located right in your Province where all parts are readily available. This is a service which alone is worthy of your consideration.

POTATO SCUFFLERS:—

We have just received a shipment of two Lever Scufflers with front and rear depth regulator, five reversible points, and three extra Hiller Blades. These are selling at a price which you cannot afford to pass up.

The Price is \$20.00

ROAD MASTER WAGONS, Rubber Tired:—

We have just unloaded a carload of these Wagons, fully equipped, on rubber tires. Our mass buying has enabled us to sell these at prices way below mall order Houses.

The Price of these is \$168.50 delivered

Rubber Tired MANURE SPREADERS, Tractor Hitch:—

We have also just received a shipment of these and they are certainly worth your while to investigate. They are equipped with Tractor Hitch and Jack on traction tread rubber tires, size 750 x 20. Our supply is limited, but the price is certainly right.

THRESHERS:—

Our production of Threshers for this year is getting low, but we still have a few in both sizes, and we expect to have our Machines with Blowers on Rubber Tired Transport Trucks, if required; we know you will appreciate being able to get these as they were not procurable in the past.

TRACTORS:—

We, as you are no doubt aware, are boosting Allis-Chalmers lines of Tractors which have made a superior name for themselves wherever used. We are apologizing for the short supply in the past, and do not believe that the future holds anything very encouraging as to supply. The reason is that they are just so popular that the Factory cannot turn them out fast enough. However, we have been promised a carload this month. This will be a mixed car of the various sizes.

MILKING MACHINES, and DAIRY FARM EQUIPMENT:

We handle the famous Woods line of Milkers and Dairy Farm Equipment. This is purely a Canadian made Milker and the service on them is 100%. We also sell the Surge Milker, but on account of the great demand for them in larger dairying sections, we cannot stock them. They are the one and only Milker which is different, being very highly recommended. We also have the Woods Milk Coolers and Farm Pressers. We can supply Watering Bowls at a very close price.

GASOLINE ENGINES:—

We believe we have sold more Briggs and Stratton Air-Cooled Engines than anyone, and on account of our increased buying power in these Engines, we are still able to offer them to you at \$63.00 for the 1 1/2 Horse Power size. They are very popular for a great many uses around the farm such as pumping water, operating small repair shops, running grinders, Potato Graders, Milking Machines, Washing Machines, Escalators, etc., and in fact their compactness and easy movability has made them a real necessity on any farm, especially where electricity is not available.

PARTS AND SERVICE DEPARTMENT:—

We have increased our Parts and Service Department this past year in Summerside, and believe it is second to none in the Province, and while there are a few cases where the Parts are not in stock, we are keeping a monthly inventory and are doing our best to serve you in this Department. We have also started a Parts Department in Charlottetown which, while not so elaborate, can be fed from our Summerside Department, thereby giving you the best in service. We also are carrying a line of fast moving Parts with our Dealers, The O'Leary Farmers' Co-operative.

OUR MACHINE SHOP:—

We have recently installed in our Machine Shop a complete Welding equipment of the latest type, both Acetylene and Electric, and have secured the service of a competent Welder to handle this Department. We also installed a new and up-to-date Milling Machine for gear cutting. We believe we can take care of your repairs 100%. Our stock of Steel is kept up to a high standard in the sizes which are required for our production. In fact we believe we can give you a service of the highest order.

Caseley, and Mrs. Eric MacFurdo, of Kelby Grove; Mrs. Lea MacFurdo, Mrs. Preston Woodside, Mrs. John Howard and Mrs. Chester Howard, of Margate; and Mrs. John Mose of New Annan. Bur.

ANNUAL PICNIC—Ideal weather again favoured the descendants of the late Mr. and Mrs. William Paynter, as they gathered for their annual reunion by the river side, on the old homestead, now occupied by Mrs. William J. Paynter and her son Leigh and family on Wednesday afternoon, July 6th. There were sporting events, bathing and swimming for the young folks, and cameras were busy recording happy scenes. A contest involving bottles of "coke" with rubber nipples replacing the usual caps, contributed to the fun. The picnic supper served by the ladies was up to the usual high standard. It was decided to meet again next year, and a vote of thanks was extended to Mrs. William J. Paynter and Mr. and Mrs. Leigh Paynter, by Mr. Bruce Paynter, on behalf of the guests. To conclude another happy afternoon, "The King" was sung by the family circle. Following are the names of the winners in the running races: Under 3 years: 1. Ruthie Johnston; 2. Marjorie Paynter; 3. Andrea Johnston. Under 5 years: 1. Floyd Paynter; 2. Wayne Sharpe; 3. Joyce Daye. 6 and 7 years: 1. Edwin Johnston; 2. George Mayne, Jr.; 3. Chas. Paynter. 8 and 9 years: 1. Clarence Moase; 2. Mary Rogers; 3. Errol Sharpe. Under 12: 1. Shirley Mose; 2. Gordon Mill; 3. Lauretta Mill. Teen-age girls: 1. Shirley Moase; 2. Eleanor Moase; 3. Georgia Francis. Young men: 1. Clarence Marchbank; 2. Leigh Paynter; 3. Walter Moase. Other ladies: 1. Mrs. Arthur Johnston; 2. Mrs. Keith Warren; 3. Verdon Paynter. Bur.

Former Islander Honored At Birthday Party

TWIN BROTHERS, Harold J. Farrow, Winnipeg, Manitoba, left, and Welton P. Farrow, Waterville, N. S., are shown in above photo with their mother, Mrs. Mary J. Farrow, who observed her 83rd birthday July 4th. Another brother, Ralph W. Farrow, of Strong, was present at the birthday celebration.

Mrs. Mary J. Farrow, 13 Center Street, Waterville, N. S., observed her 83rd birthday Monday, July 4th, the occasion being marked by a family dinner at the Judson House at Unity.

Gifts were presented to the honor guest and following dinner the group went to the China Lake camp of Mrs. Farrow's son and family, Mr. and Mrs. Welton P. Farrow, and daughter, Carol Anne. Also present for the affair was Harold J. Farrow, twin brother of Welton, and Mrs. Farrow of Winnipeg, Manitoba, and

other son, Ralph W. Farrow, Strong and a daughter, Mrs. Marion F. Connors. Mr. and Mrs. Harold Farrow are here also for the twin party to be held at Lakewood Sunday, and then with the Welton Farrow where they were the guests of Mr. and Mrs. Farrow in Amherst, Nova Scotia, and other relatives in Prince Edward Island, before returning to Manitoba. Mrs. Mary Farrow is the daughter of the late Mr. Bowley Howatt, Augustine Cove, P. E. I. Harold K. Howatt of Augustine Cove is her nephew.

Mr. and Mrs. Fred Dillon and young son Brian of Charlottetown motored to Carleton on Wednesday, where they were the guests of Mrs. Edna Howatt and Mrs. Chilcott.

Master Donnie Constable of Charlottetown is at present visiting his aunt, Mrs. Penton Howatt, in Carleton.

Mr. and Mrs. Lorrie Bell of Mc-Masterville, P. Q. (nee Grace Howatt) arrived in Carleton last Monday where they visited Mrs. Chilcott's mother, Mrs. Edna Howatt. On leaving here Mr. and Mrs. Chilcott will travel to Chicago, Ill., where they expect to remain.

Mr. and Mrs. Penton Howatt of Charlottetown, accompanied by Mrs. Edna Howatt and Mr. and Mrs. A. E. Chilcott, motored to Hunter River where they attended the Orange Tea held there this year.

consideration for two large irrigation projects in Bihar Province. Cost of the Gandak canal project to serve 1,200,000 acres of land in north Bihar is estimated at \$75,000,000. Remodelling the Sone canal will permit storage of a greater volume of water.

Yes Sir, Bill, they thought of Everything when they designed the Model "M"...

IT'S BUILT FOR THE MAN WHO WANTS THE BEST!

Anyone will tell you the John Deere Model "M" is a good-looking tractor, but that's only an outward indication of the real value "under the pair". For instance, where else can you get a built-in, easy-to-service hydraulic control like the John Deere Touch-a-matic? And consider operator's comfort and safety. What other tractor for the smaller farms offers an adjustable air-cushion seat, adjustable steering wheel, and provision for the operator to stand safely? Then, too, the Model "M" gives you the wide adaptability you want—it's a powerful, nimble, yet sure-footed and quick-turning tractor with full range of speeds from 1-5/8 up to 12 M.P.H. And, as for equipment, no other tractor offers you so much value as the "M" and its complete line of Quick-Attach working tools. See us for full details.
