GRACE KING SOLD—Several local horsemen are breathing easier as the result of an important transaction by which Ald. John A. Kelly, of Shediac, a well known turfman, sold Grace King to Mr. Wood of Charlottetown. Grace King was by Storm King and was bred by A. Miller of Campbellton, from Abbey Herbert, of Shediac. The speedy mare has done well in several races and has been getting over the earth's surface quicker than before at every try-out on a good track. Ald. Kelly and his son, Frank, had intended to part with the favorite and pet, but "Brownie" McManis, the trainer, leaves for Charlottetown with the mare in the morning. Moncton Times.

Big Merger Made
NEW YORK, Dec. 10.—Consolidation of the Orpheum Circuit, Inc., B. E. Keith Corporation, Greater New York Vaudeville Theatres Corporation, and the B. F. Simple Way to Get Rid of Blackheads
There is one simple, safe and sure way that never fails to get rid of blackheads, that is to dissolve them. To do this, get two ounces of peroxide powder from any drug store—sprinkle a little on a hot, wet cloth—rub over the blackheads briskly—wash the parts and you will be surprised how the blackheads have disappeared. Big blackheads, little blackheads, no matter where they are, simply dissolve and disappear. Blackheads are simply a mixture of dust and dirt and secretions that form in the pores of the skin. The peroxide powder and the water dissolve the blackheads so they wash right out, leaving the pores free and clean and in their natural condition.
