A Kidney Sufferer FOR Fourteen Years.

TERRIBLE PAINS ACROSS THE BACK. Could not Sit or Stand with Ease. Consulted Five Different Doctors.

Doan's Kidney Pills FINALLY MADE A COMPLETE CURE.

Mr. Jacob Jamieson, Jamieson Bros., the well-known Contractors and Builders, Welland, Ont., tells of how he was cured: "For fourteen years I was afflicted with kidney trouble which increased in severity the last five years."

Price 50 cts. per box, or 3 for \$1.25, all dealers or THE DOAN KIDNEY PILL CO., TORONTO, ONT.

SCIENCE OF BUILDING.

Exactitude Which Characterizes the Construction of Skyscrapers.

Many of the great steel structures that are being built in every city are planned and molded in some distant city—like the masters of Solomon's temple of old—hundreds of miles away.

One of the large cross girders was missing in the framework of the second floor, and, though it did not interfere with the placing of the framework on all sides and above it, the contractor was worried to know what had become of it.

The mill men had figured correctly on the building hundreds of miles away, and the girder could not have been placed in position even if it had been on the grounds on account of the derick.

Ice.

The words of the friendly counselor to the ambitious youth, "Beware the awful avalanche," might have been amplified to include a warning against the snow and ice through which he bore his excelsior banner.

Peps on Copyright.

Samuel Peps in his famous diary takes occasion in one entry to unbend himself thus: "Moreover, I am overborne with Grief, seeing that I, who must fain withstand bickerings at home and banter abroad in my walks from Seething Lane to the Navy Office, receive no gain from the publication of this my Diary."

Carious Wells.

A well recently drilled in Canada produces sand instead of water. The sand comes up in a fine stream like a fountain. The force by which it is driven to the surface from a depth of a hundred feet has not yet been discovered.

BACKACHE?

If you have Backache you have Kidney Disease. If you neglect Backache it will develop into something worse—Bright's Disease or Diabetes. There is no use rubbing and doctoring your back. Cure the kidneys. There is only one kidney medicine but it cures Backache every time.
