DO YOU BELCH GAS?

This is a disagreeable result of food fermentation that Nerviline stops at once. Take ten drops of Nerviline in sweetened water. The stomach is warmed and soothed, digestive troubles corrected, the rising of gas ceases and you are well. When such a simple remedy does so much it's foolish to be without it. For indigestion, sour stomach, heartburn and sick headache you'll find nothing half so efficient as Polson's Nerviline. Get a 25c. bottle from your dealer today.

The members of the Caledonia Club are requested to attend the "At Home" in the Club rooms, this evening at 8.30 p. m. sharp.

There will be a Liberal Conservative Convention at Eldon in the near future to elect two candidates to contest the fourth district of Queen's at the next general election.

Mrs. Peters and her family wish to express their sincere thanks for the many expressions of sympathy, letters and flowers sent them--too numerous to be personally acknowledged.

James Affleck, Donaldston, has bought the farm adjoining his own, which was formerly owned by Alexander McKinnon. The purchase price was \$1,800, and the farm contained 86 acres.

The picture list, the orchestra and the illustrated song at Wonderland tonight will be up to the high standard set by this popular house. Tomorrow evening Le Pelletiers make their debut here. Things in the amusement line will be busy around Wonderland this week.

Following the sermon which appeared in last Saturday's Guardian there will appear next week a second sermon in the same series. This sermon is entitled "The Gospel of the Hereafter" and treats of Hell and the popular conception of it. It is a very thoughtful consideration of the question.

LETTER FROM COUNCILLOR PROWSE.

Sir:--At the citizens meeting in the Market Hall last Tuesday evening, I stated that the only time a chairman of the Street committee has been paid for his services, as far as I could learn from the city reports, was in the year that Mr. S. W. Crabbe was chairman of that committee. Mr. Crabbe rose to his feet and challenged this statement which, he said was untrue.

I replied that I had seen his name as chairman of that committee in the City Reports, and was prepared to verify my statement from the record. Again Mr. Crabbe denied the statement.

"I have never been chairman of the street committee." "If Mr. Prowse can prove that he is correct he can show that report. I will immediately retire from this contest."

It remains now for Mr. Crabbe to carry out this promise that he made so publicly.

In the report of the City of Charlottetown for the year 1878 appears a list of standing committees, including the following: FINANCE COMMITTEE. James Peake Chairman. James Byrne. John Beer. STREET COMMITTEE. S. W. Crabbe Chairman. G. C. Hooper. Alex. Horne.

From the same report I give the following abstract from the financial statement: MAINTENANCE OF STREETS, SQUARE & PARK. City Surveyor's Salary \$450.00 Park Keeper, Salary and other items \$52.95

As additional proof, I submit the following copy of a resolution passed April 16th, 1878 by the Council: Moved by Councillor Byrne, seconded by Councillor Heartz, That the sum of one hundred dollars be paid to the Chairman of the Street Committee, for services rendered in that capacity, up to first week in August next. The Council divided as follows:-- AYES. NAYS

Coun. Crabbe. Coun. Hooper (1). Smith. Davey. Heartz. Byrne. Morris. (6)

If the above does not satisfy Mr. Crabbe that he was chairman of the committee in 1878, then he is incapable of being satisfied. He might as well deny that his name is Simon W. Crabbe as deny a fact that is so clearly proved by the city reports. Thanking you, Mr. Editor, for affording me the space to place the matter in the proper light before the citizens, I am,

Very truly yours, B. O. PROWSE.

The picture program at Wonderland tonight numbers four splendid films, one of them, the "Darkest Hour" is the depiction of a deep laid plan to rob an old doctor, who is ever ready to reply to call for aid. The plan succeeds to a certain extent, but one of the party turns on the rest in his anxiety to plunder, and another is injured. The old doctor who is miraculously saved is the one to bring back the injured one to life, and the repentance and expiation are remarkably

A correspondent who writes to a Nova Scotia exchange, says that "at the present time quite a number of Prince Edward Island merchants are holding a lot of oats, and have to so or sell at a loss. This, of course, makes money scarce just now, but the trade are hoping for big improvements as soon as navigation opens up in the spring."

There died at Iona Cross, Lot 57, recently Daniel, the beloved son of John Mooney in the 20th year of his age. The deceased was a young man of a kind and cheerful disposition and was held in the highest esteem by all his acquaintances. He bore his long illness with patience and resignation to the will of God. He leaves to mourn besides his father and step mother, five brothers and four sisters.

This may interest the lobster and other fishermen of this Province, to verify my statement from the record. Again Mr. Crabbe denied the statement.
