

THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block—Charlottetown.

AT 122 W. Concord street, Boston, Nov. 23, John D. MacLellan, of Cape Breton, and Lettie Dunstan, of P. E. Island, were united in the bonds of matrimony.

CITY subscribers who lock their storm doors at night are requested to arrange some place for carrier to leave paper, so that it will not blow away or be stolen.

The marriage takes place, December 27, of Miss Sophia Stewart McKenzie, River John N. S. to Rev. W. H. Sedgewick, Hazelton Ont., and formerly minister of Zion Church, in this city.

The Grand opening of the Hillsborough Skating Rink will take place on Thursday night, December 20th, 1906. A splendid sheet of ice, made to stay all winter. Good music with Mayor Galbraith wielding the baton. Cheap season tickets. What more is required?

The Guardian acknowledges with thanks, receipts of calendars from E. H. McEachern, General agent for Charlottetown of The Confederation Life, and from Hyndman & Co. General Insurance Brokers, their own calendar, and also that of the North British and Mercantile Insurance Co. which is represented by them.

A meeting of the Faithful Circle of the King's Daughters was held on Saturday afternoon at the home of the president, Mrs. Lord. The occasion was a socially pleasant one, the meeting being for the purpose of making a presentation on behalf of the King's Daughters to Miss Jean Moore, who has been for many years the secretary of the Circle, and whose marriage is shortly to take place. Miss Moore is succeeded as Secretary by Miss Fannie Farquharson.

Those interested are reminded that the Christmas dinners are to be sent out on Saturday evening, and that all contributions will be welcomed by the ladies in charge if sent to the Market Hall next Saturday afternoon in time to enable the members to make up the dinners for sending out. The date of holding the Christmas Trees has been arranged for the 27th instant, and contributions for this purpose are asked to be sent to the Market Hall on the 26th.

One of the most pleasing features in the arrangements of the New Arena Rink particularly to the lady skaters, will be the new style seats, for use between Bands which are now being made, consisting of a seat 14 inches wide, beautifully upholstered in red and green. These will be placed on the south end and along the east side, and so arranged that immediately after skating is over they will be removed and hung up. This guarantees a comfortable, dry, and attractive resting place. The style of seat has been adapted after a great deal of inquiry and investigation on the part of the owners of the Arena and is further proof that the owners are determined to give the skating public comfort such as they have never had before.

A DEEP GRIEF was cast over the home of Neil and Miss McPherson, Newton Cross, when on Dec. 7, 1906, the Angel of death summoned their darling little Mary Florence an infant aged 2 weeks and 4 days. The grief stricken parents have the sympathy of a very large community in their bereavement. It is hard to part with one so precious but their loss is their loved ones gain, and if there can be a compensating thought it is that their darling has returned to God who gave it pure and unspotted by the world's temptations. The services at the home and the Cemetery were conducted by Rev. S. A. McPhee Pastor of St. John's Church Belfast, and were most comforting and very impressive. Notwithstanding the inclemency of the weather the funeral to the Belfast Cemetery on Saturday was quite largely attended.—Con.

TELEPHONE subscribers will please add to their directory number 220, T. R. and D. J. Hiley, tobacco manufacturers.

Miss LALIA HOGAN, graduate nurse of the Cushing Hospital, Boston, daughter of M. P. Hogan, has arrived in the city to spend Christmas at her home.

The death took place at Truro, December 14, of Mrs. Finlay MacKenzie, Flax River. Deceased had been visiting her son David McKenzie in New York. While there she took ill and accompanied her son, started for her home, but death overtook her before she reached her destination. She was a sister of Capt. Alexander Cameron and Mrs. (Capt.) J. Murchison, both of this city.

The Glass Bay Gazette is conducting an election contest, voting by coupon from that paper, in which the different societies of that town are candidate. The winner is to be awarded \$100 in gold. So far the Pyrites Albert Band leads with 4322 votes. A day or two ago a number of coupons were received from Charlottetown from the C. M. B. A. Thirty clubs, societies, etc., are in line for the reward.

WHAT might have been a serious accident occurred at South Milton on the 9th. Impelled by hunger reward repaired to the barn yard of Allan McLean and entered the hen house which had been left open, and made great havoc among the fowl until he was discovered by Mr. McLean's nephew. He quickly informed his uncle who at once shouldered his gun and set off in pursuit; he had not gone very far when, in crossing a fence which was covered with ice from the rain of the previous day, he slipped and the gun which he carried, fell and the charge entered the unfortunate man's leg a little below the knee; he was assisted to his home by Hugh McLean who happened to be passing by and all was done that could be to alleviate the sufferings until the arrival of the doctor who dressed the wound. The patient is now doing as well as can be expected.

WORTH SELLING

Of all the articles of apparel women's dress is the most conspicuous, and either makes or mars her appearance. The fashioning of the dress—the making—has much to do with this appearance, but after all the fabric approved by fashion must be provided, and in such quality as to give elegance and character to the finished dress. This means that you must have quality material to begin with, that you must have the fabric that fashion approves. To this add good dressmaking, and you are gowned fashionably, elegantly, and after such styles as afford satisfaction—you might say, elation. Ask to see the line of elegant stuff we are showing in seven colors and see the made-up dress by one of Charlottetown's best dress makers. Goods will cost you \$2.75 try and match it any where else for \$5.00. Jas Paton & Co's 12-14-15
