Hockey-Bedeque at Victoria

A very interesting game of Hockey was played at Bedeque Rink, Saturday evening, March 13th, when the Cape Traverse Royals played the return game with the Beavers, before the largest number of Hockey Fans that ever witnessed a game at Bedeque Rink, the Beavers winning by the close score of 1—0.

The game started fast with the Beavers rushing the Royals. After about 5 minutes play Bagnall scored on a pass from P. Noonan in front ofthe Royals net, amid thunderous applause from the home fans The play then went from end to end with neither side able to score. 1st period ended 1—0 for Bedeque.

2nd period started with the Royals trying to tie the score and the Beavers trying to increase their lead. The puck would be taken from end to end by D. Irving and Gardiner of the Royals, only to be brought back by Callbeck and Noonan of the Beavers.

3rd period was much the same as the 2nd with neither side able to score, and so one of the closest and most keenly contested games of hockey ever played in Bedeque Rink came to an end with Bedeque on the long end with a 1—0 score.

Special mention must be made of Waddell in the Royals net, who stopped many difficult shots and C Howatt the 14 year old Cape Traverse School boy, who has every promise of being a great player.

Considerable interest is being shown in the challenged game between these teams, which is to be played in the Crystal Rink, Summerside, Tuesday evening. As each team has won a game on their own rink the Royals are running a special train from Borden and expect that a large number of hockey enthusiasts will take the opportunity of seeing a good game of hockey and enjoying a skate before the season closes

The following is the line-up.

Royals		Beavers
	Goal	
Waddell		A. Noonan
	Defense	
D. Irving		Callbeck
F. Irving		R. Noonan
	Forwards	
A. Howatt		P. Noonan
C Waddell		Moyse
Gardiner		Bagnall
Bell		Reeves
C. Howatt		Green

Referee—J. Clark.
Umpires—H. Howatt, J. Frizzell
Timers—G. Glover.

	585	701	596

Total—1882.

Souvenir Wheat Brings Emigrants

(Special to The Guardian)

MONTREAL, March 16.—Wheat as a colonization agent, has just made its value known to Canada. Recently small souvenir bags of wheat were distributed by the department of Colonization, Agriculture and Natural Resources, many of the sacks finding their way across the water. In this connection Captain L. B. Boyd, Superintendent of the Land and Colonization Department at St. Paul, Minn., writing to Dan. M. Johnston, Western manager of these activities at Winnipeg states: "I had a very amusing experience a few days ago. One of our agents in North Dakota returned one of the bags partly filled with $160 in ten dollar gold pieces, in his letter he stated:

"I am returning your bag filled not with wheat but with good United States gold, which please apply as cash payment on two quarter sections of land." The bags are very useful. During the autumn an important group of land agents from points in the Western States were shown large areas of agricultural lands along the Canadian National lines, at that time considerable purchases were made, and it is evident that the movement in that direction is continuing.

Daily Fashion Hint

Prepared Especially For This Newspaper

MEETS FASHION'S DEMANDS

A fascinating model is pictured here. Designed in advance of the Southern season, it is developed in white flannel and black chiffon velvet, but any other materials of widely contrasting tone could be used quite as effectively. The model has a deep open front with an inset vestee. In medium size the design requires 2¼ yards 54-inch light and ¾ yard 40-inch dark material.

Pictorial Review Printed Pattern No. 2905. Sizes, 14 to 18 years and 34 to 42 inches bust. Price, 45 cents.

Hockey At Bedeque

On March 10th, the Bedeque Beavers wended their way to Victoria and crossed sticks with the Unions in one of the most exciting and closely contested games seen in that Village for some years.

Victoria outscored the visitors to the tune of 4-2 but by no means outplayed them. The Victoria boys have had little difficulty in disposing of the other teams in the Eastern Section of the Eastern Prince Rural Hockey League, but we feel sure they will meet with stiff opposition when they play-off with the winners of the Western Section which will be either Bedeque or Cape Traverse, the deciding game between these teams is being played in Summerside on Tuesday the 16th. Apart from a small portion of one end the rink was in splendid shape considering the recent thaw.

Bedeque started the first period with a rush and took the Victoria boys quite by surprise and before they gathered themselves together had scored, Noonan sagging the twine. Victoria then took a hand in things and Noonan was called upon to make many sensational stops of which he was quite capable. Many end to end rushes followed on both sides and only the stellar work of both defenses kept the score down. However just before the bell rang down the first period, Callbeck on a long shot from well outside the defence caught the top of the net for Bedeque's second counter of the game the period ending 2-0 in their favour. This period was very much Bedeque's and things looked rather blue for the home boys.

The Second period produced probably the best hockey of the night or rather it seemed that way to the Natives. Hardly had the game been resumed when Dennis scored on a perfect pass in front of the net in which goalie Noonan had no chance to save. This imbibed life in to the home team and shortly after Howatt on a nice rush sent one of his "smoke shots" into the top of the net tieing the score amid tremendous applause, this was not sufficient to win the game and the home boys added another tally before the period ended, H. Miller banging it home, leaving the score 3-2 in Victoria's favor. This period clearly showed the advantages of combination playing by which the Victoria boys have won all their games by a comfortable margin.

The third period had the crowd in an uproar, Bedeque sent every man up the ice in an endeavor to tie the score but without results. Howatt on the defence with his long reach was the stumbling block just when they thought they were past him he would gently push the puck away and try as they might, they had to be content with long shots which were easy pickings for McLeod. Victoria were persistent in their efforts to raise the score and gave Noonan many anxious moments with their dazzling combination, they were however finally rewarded, McQuarrie placing the puck behind Noonan for the last score of the evening, shortly after the bell sounded the end and all decided it was the best game seen in Victoria for years. Considering the fast pace set by both teams the game was comparatively clean, only three penalties being handed out and these were for minor offences.

Following were the lineups:

Bedeque		Victoria
	Goal	
A. Noonan		W. McLeod
	Defence	
Callbeck		L[illegible]
R. Noonan		Howatt
	Forwards	
P. Noonan		McQuarrie
Moyce		Dennis
Bagnall		J. Miller
		D. McL[illegible]
		H. Miller

Referee—F. M. Pidgeon.

When making small layer cakes, flour the tins well instead of greasing them. This plan is much less expensive and the cakes will never stick.

Stock Market

(Canadian Press)

MONTREAL, March 16.—Dominion Live Stock Report:—Fresh receipts of livestock on the two markets this morning amounted to 35 cattle, 13 sheep, 473 hogs and 849 calves, with a half dozen additional cars expected before noon. Prices on all classes of stock eased up yesterday aftrenoon and some of the cattle were unsold. Good steers dropped about 40 cents per hundredweight, medium 25 cents or less. Cows held about steady. The top for steers was $7.75. There were no good cattle sold this morning. Calves were lower. Straight lots of just medium calves sold from $8.00 to $8.50, and other lots $7.00 to $7.50. Trading in hogs was also easier after the first few hours yesterday and sales today ranged from $13.75 to $14.00. Selects, 014.-25, sows $12.25 to $12.50.

::Stop the Cough.—Coughing is caused by irritation in the respiratory passages and is the effort to dislodge obstructions that come from inflammation of the mucous membrane. Treatment with Dr. Thomas' Eclectric Oil will allay the inflammation and in consequence the cough will usually stop. Try it and you will be satisfied.

In Memoriam

MRS. JAMES HYNES

Much sorrow and sympathy was expressed by every one in Rocky Point and adjoining districts when it became known that Mrs. James Hynes had been stricken with paralysis, to which she eventually succumbed on Feb. 26th, 1926 in the city Hospital.

Coming to Rocky Point some fifteen years ago, a perfect stranger, Mrs. Hynes soon won a place in every home and every heart, she never spared herself in serving other, her presence in the sick room has been a veritable God—send many a time, for there was scarcely a home in the community where she had not ministered to the sick and suffering always cheerful and sympathetic, giving of her best talent around the sick, which was more than ordinary.

Her maiden name was Susannah Hughes. She leaves to mourn a grief stricken husband, and an adopted son, to whom she was very devoted passed away seven years ago.

Mrs. Hynes had reached the age of 65 years, and was in her usual health when stricken. Her remains were tenderly laid away in the R. C. Cemetry, Charlottetown.

The following acted as pall-bearers Messers Angus McEachern, Augustus McMahon, S. T. Currie, Thomas Burdette, Stanislaus Doiron and Wellington Murphy.

A large collection of Mass cards and spiritual boquets covered the casket as well as a beautiful cross from Ringwood Women's Institute.

Paint stains, no matter how hard and dry, can be easily removed by using equal parts of turpentine and ammonia.

WET FEET

MINARD'S "KING OF PAIN" LINIMENT

MRS. MARIA ROBINSON

HARCOURT, March 15.— Mrs. Maria Robinson, a highly respected resident of Cails Mills, N. B., died at her home there on Monday, March 8, aged 57 years. The deceased was the widow of the late Edward Robinson. Before her marriage she was Miss Cotton, a native of Prince Edward Island. She is survived by five sons—George, Thomas, Edward and Frank, at home and John, of Lewiston, Me.; three daughters, Mrs. Hiram Robinson, of Hartford, Conn., and Misses Maud and Gertrude, at home; also three brothers, John Cotton, of Bryant's Corner, N. B.; James, of Prince Edward Island, and Samuel, of Nova Scotia.

The funeral was conducted on Thursday afternoon by Rev. M. H. Manuel. The body was laid to rest in the family plot at Harcourt.

The Frost Lock HOLDS

LOOK to the lock when buying fence! The strength, good appearance, economy—the very life and existence of wire fence—depends on it. It is vital!

The moment locks begin to let go—good-bye to your fence! Some wires get loose, other wires break, the fence sags and up goes your cost of maintaining an ugly-looking, dangerous fence that gives nothing but trouble.

The Frost lock cannot slip or let go. See how the wires are wound 'round and 'round the laterals, and stays, holding them solid without the need of weakening kinks in the laterals and stays. There is only one genuine Tight Lock, and that is Frost. Look for yellow guarantee tag—others are imitations.

The Frost Lock holds tight the strongest wire ever made for fence. Frost Wire is made strong, pliable and tough, *specially for fence*. Its galvanizing is the best grade of Spelter obtainable, and it defies acid tests and rust. Frost wire is our own make—we *know* it is right.

The extra years of service, ensured by Frost Lock, Frost-made wire, Frost-Waved Laterals, cost you nothing! Frost Fence costs no more to buy. Ask the Frost dealer about prices—or write us direct.

BURLINGTON U-BAR FENCE POSTS

save the heavy cost of digging post holes. Burlington U-Bar Posts can be erected in a minute or two. High Carbon Steel, extra thick where the tension comes. They HOLD! Will not sag. Fence is easily, quickly attached, and stays tight for a lifetime. Write for free literature now.

Look for the Yellow Tag. It is not genuine Frost Fence unless it bears this tag.
