The concert and pie social held in Orwell Cove hall on March 18th, was a decided success both as an entertainment and financially. At an early hour the hall was packed to its utmost capacity; the crowded condition we are sorry to say added to the discomfort and prevented much of the program from being heard by many. Mr. Levi Ings acted as chairman in a genial style and after a preparatory speech the following program was rendered and much applauded by the audience. A song by the choir entitled, Sleigh Ride Serenade; recitation, W. D. Ross; violin music, P. Bolger, accompanied on organ by Miss Jessie McLeod; sword dance by Master F. Cody, music supplied by Daniel McLeod (encored); duet by Misses Matilda McQueen and Louise McLeod, entitled Juanita; dialogue entitled Ducks, by F. Nicholson and P. Grant; song by male choir, entitled Solomon Levi; dialogue, entitled A Queer Fit, by F. Nicholson and A. Macdonald, M. McLean and G. Nicholson; a stump speech, by J. A. Macdonald; a song, by Mr. Laraby; step dance by Master F. Cody (encored); closing song by the choir Britannia the Gem of the Ocean. Upwards of forty pies, presented to the hall company, were auctioned off by Messrs. Laraby and McInnis realizing a handsome sum. The highest bid was \$2.50 paid for Miss Jessie McLeod's pie, Orwell; second highest being \$2.10 paid for Miss Louise McLeod's pie, Uigg. Mr. McInnis afterwards amused the audience by singing a few songs; his rendering of "The hat McInnis wore", took the audience by storm. The strain of God Save the King, at length rung out and brought to a close one of the most enjoyable socials of the season. It is difficult to decide but the sword dance executed by Master Cody and violin music by Daniel McLeod were duly appreciated by being encored. The duet by Misses Queen and McLeod was exceedingly well sung while the stump speech by J. A. Macdonald full of hitting and humorous witticism, provoked much laughter. The following persons took part in the choruses and acquitted themselves creditably: Matilda McQueen, Mary Gillis, Marion McLeod, Christie Gillis, Louise McLeod, Jessie McLeod (organist) A. A. McLeod, Cephas Carver, Patrick Bolger, Ben Mc Donald, Willie Gillis, Frederiek Nicholson, W. D. Ross, James Morrissey. Many thanks are due the Orwell choir for their assistance. The proceeds will go toward finishing the hall.—ONE PRESENT.

### IT IS IMPORTANT.

To Know What You are Taking When Using Catarrh Medicines.

Catarrh is a short route to consumption and the importance of early and judicious treatment of catarrh, whether located in the head, throat or bronchial tubes, cannot be too strongly emphasized.

The list of catarrh cures is as long as the moral law and the forms in which they are administered, numerous and confusing, from sprays, inhalers, washes, ointments, and salves to powders, liquids and tablets.

The tablets form is undoubtedly the most convenient and most effective but with nearly all advertised catarrh remedies it is almost entirely a matter of guess work as to what you are taking into your system as the proprietors while making all sorts of claims as to what their medicines will do always keep it close secret as to what they are.

The success and popularity of the new catarrh Tablets is largely because it is not only cures catarrh but because catarrh sufferers who used tablets know what they are taking into their system. Stuart's Catarrh Tablets being composed of Eucalyptol Hydrastin Guaiacol and similar valuable and antiseptic ingredient and are pleasant to the taste and being dissolved in the mouth they take immediate effect upon the mucous lining of the throat nasal passages and whole respiratory tract.

The cures that Stuart's Catarrh Tablets have accomplished in old chronic cases of catarrh are little short of remarkable, and the advantage of knowing what you are putting into your stomach is of paramount importance when it is remembered that the cocaine or morphine habit has been frequently contracted as the result of using secret catarrh remedies.

Stuart's Catarrh Tablets meet with cordial approval from physicians, because their antiseptic character render them perfectly safe for the general public to use and their composition make them a common sense cure for all forms of catarrh troubles.

All druggists sell them at 50 cents for full sized packages.

### RAVAGES OF HORSE SICKNESS.

LONDON, Apr 14.—A business letter received in this city from Natal says that the holding up of trains and the capture of mail bags for the Transvaal and Bloemfontein are of such frequent occurrence that important documents are no longer entrusted to the mails, and from Pretoria it is reported that the ravages of horse sickness were very great, and that little could be done to arrest or even check its progress.
