

Some Good Reasons FOR INSURING IN THE Great West LIFE ASSURANCE COMPANY

- 1st. Because it invests the Premiums to better advantage than any other company can. 2nd. Because while charging much lower premiums, it paid last year to participating policy-holders over 30 per cent. more profits than was paid in 1924 by the oldest and largest Eastern Companies. 3rd. Because those insuring now are more interested in present and future results than in what has been; 4th. Because the GREAT WEST was the first Canadian Company to adopt a higher standard of reserve; and 5th. Because it leads in everything that is to the interest of policy-holders.

Those Hard Times

Why buy a new coat or suit, either lady or gent, when for a trifle you may have your old garments, if they are not worn too much, made to look like new; some may be faded or soiled, you may be tired of some color, when spring comes you will want to change. Loose no time, but bring all your extra goods either wearing apparel or otherwise, lace curtains, or any other kind, silks, etc., ties, gloves, opera cloaks, etc., or any article but furs. Dyeing, cleaning and finishing is the best and cheapest at Parker's Dye Works, the largest in Canada. Agency at

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & Co., Toledo, O. Sold by all Druggists 75c. Take Hall's Family Pills for constipation.

Iron-Ox Tablets

No More Constipation

Constipation doesn't get cured by itself. If let alone it gets worse instead of better. IRON-OX Tablets cure constipation and all the ills that result from it. They tone and strengthen the liver, kidneys, bowels and stomach, and build up weak, fagged-out systems.

Iron-Ox Tablets not only relieve, but entirely cure constipation. There are no "ifs" or "ands" about it—to doubt is only to delay your cure.

Iron-Ox Tablets are different from any other medicine you have ever tried. They are quick, but gentle. They do not purge the bowels in a violent manner, but contain powerful tonic properties that go direct to the root of the trouble. Instead of still further weakening the delicate nerves and linings of the bowels, they strengthen and heal. The result is a cure, a permanent and lasting state of health.

Thousands of people have used Iron-Ox Tablets and regained their health through their powerful healing agency—not only in cases of constipation, but for the many ills that result from a disordered condition of the stomach and bowels.

Read the testimony of those who are in a position to say what Iron-Ox Tablets have done in their own case.

Mr. Moehling's Health Restored. Mr. Valentine Moehling, 1867 Helen Ave., Detroit, says: "When in a run-down condition, I used Iron-Ox Tablets with the best results. They are certainly the greatest tonic on the market."

Don't suffer from constipation or any of its kindred diseases any longer. Iron-Ox Tablets will bring quick relief. 50 Iron-Ox Tablets put up in a convenient aluminum pocket case, cost 25c at all druggists, or sent postpaid on receipt of price by The Iron-Ox Remedy Co., Detroit, Mich.
