DON'TS FOR YOUNG MEN

Don't call your father the "old man," nor your mother the "old woman." The world has no respect for a man who does not respect his parents.

Don't forget that smoking cigarette and drinking liquor never made men out of boys, but it has made fools out of men.

Don't try to see how quickly you can get a thing done, but work well. Keep your eye on your work, and not on the clock. We are here to do things right.

Don't forget that it is better to chase a baseball than a highball, and in college keep after the sheepskin as well as the pigskin.

Don't fail to treat the other fellows as well as you want him to treat yours. When getting married, your wife has as much rights to expect a good past from you as you have to expect it from her.

Don't fall in love with a girl simply because she is good looking, a good dresser or a good dancer. Temperament is the thing you live with after

the first year of married life. Nothing can take the place of a cheerful disposition and a good character.

Don't forget that honesty is better than shrewdness. Character is the capital on which a man does business, and is the same in heaven or on earth.

Don't think that you can drop in a nickel in the slot and take out an education, a position or a fortune. Hard work is the price men pay for success in everything. Remember that a lazy man is worse than a dead one, because he takes up more room.

Don't live for self or sin. Selfish living is the quickest dying. The world does not owe you a living as much as you owe it a life. It has a right to your best. Nothing less than your best is good enough for God and your fellow man.

Don't forsake your mother's church nor your father's God. The Christian religion was good enough for them; it is good enough for you. They lived in its faith and died in its strength. If you want to meet them again, you must do the same thing.

PROSPECTUS OF PROPOSED Weeks Silver Black Fox Company Ltd. Head Office at North Tryon, P. E. I.

Capital Stock

The Company will be Capitalized at \$100,000.00 divided into 1000 shares of \$100.00 each.

The Foxes

There has been secured five pairs of 1913 pups guaranteed choicest selection of the Dalton-Tuplin Strain. This stock needs no further comment as they are the world's best.

Terms of the Company

The promoters of the Weeks Silver Black Fox Company have so much faith in the future of the Fox industry and in the stock they have purchased, that they guarantee ten pups from the five pair during the breeding season of 1914 and for every pup short of this number, they will forfeit \$5,000.00. This practically means a guarantee of upwards of 50 (fifty) per cent for the first year. Taking into consideration the present price of 1913 pups and the fact that the five pair are placed on the market at but \$20,000.00 a pair, it will readily be seen that this company offers the most lucrative investment made this year in the fox industry.

An-up-to-date Ranch

Mr. Hedley B. Weeks has purchased the beautiful farm property of Mr. George H. Callbeck, North Tryon, where the most improved ranch will be erected which is now under construction. This property is favored with the handsomest hardwood grove in Prince County and is most suitably adapted for a Fox farm. All modern burglarly proof alarms will be installed and a day and night watchman with the protection of tested man trailing blood hounds will always guard the ranch.

Estimated Financial Returns

From the five pairs there should be fifteen pups. At present prices this would mean a net profit of about \$80,000.00 to the investors after deducting all ranching expenses.

No Organization Expenses

All the expenses incurred in the formation of this company viz—the organization including, building of ranch, advertising printing and all other incidentals will be paid by the promoters.

Application for Stock

Applications for stock can be made to Hedley B. Weeks, Fredericton, P. E. I. or to The Canada Fox Exchange and Investment Company Ltd. Charlottetown, P. E. I.—10 p. c. of the subscribed amount must accompany application.
