A Peter's Poad correspondent writes:—At this time field and wood-land are attired in their richest hues, and to enter fully into their beauties would require an imagination akin to "Anne of the Green Gables." The frequent rains give promise of good crops this year. It is noted with pleasure the arrival to Peter's Road of Lanchin McFadyen and Mrs. Garfield McFadyen from Sydney; Miss Belle Johnston of Toronto, Ont., and Mrs. John Clow of Boston, A. R. Veniot, who has been visiting friends here, has returned to Pictou, N. S. For the far West we note the departure of Mrs. McLean of Alton, accompanied by her daughter, who were already residents in Edmonton, Alta. Harry Butler and family are about moving to their new farm in Greek River, recently purchased by him from Neil Johnston. We wish them many happy days. The painter and white-washer are now abroad in the land, as evidenced by the large number of residences and other buildings which have been transformed by this magical process. A. THE EDITOR. Dr. E. M. Crossman. Dear Sir: I wish to express my gratitude for the great benefit derived from your treatment and glasses. My eyes were in a very bad shape before I commenced your treatment. I had been to several specialists, who had even scraped my eyes, which made them worse. I was blind in one eye when I commenced your treatment and was losing the sight of the other very fast. After six weeks of your treatment I can truly say my vision is perfectly clear in both eyes now. In fact I can see better than I ever could. I feel that I cannot thank you too much for what he has done for me. Wishing you many years of success in your business. I am yours gratefully. HAZEL WILLIAMS, 50 Elm Avenue.
