The home of Alexander and Mrs. Martin, Martinele, was the scene of a very pleasant social event, on Wed. the 17th. inst., the occasion being the marriage of their youngest daughter Rachael to Alexander McLeod, Carleton Head. Rev. Edwin Smith, Carleton, performed the marriage ceremony in the presence of upwards of 60 invited guests. Miss Dellie McLaren presided at the organ and the sweet strains of "The voice that breathed o'er Eden" ushered the wedding party into the handsomely decorated parlor where the nuptial knot was tied. The bride, who was charmingly attired in cream muslin veiling, with trimmings to match, was given away by her father. The groom was supported by William Martin, brother of the bride, while James Johnson, niece of the groom, performed the duties of bridesmaid. After the magical words had been spoken which pronounced them man and wife, and congratulations had been received, all sat down to a well laden table, where ample justice was done to the goods things provided in the hostess' best style. The happy couple, accompanied by eighteen carriages, then left amid showers of rice and good wishes, for their future home in Carleton Head, where a large number of friends and neighbors were awaiting to confer congratulations and assist in the merry-making. A general good time was passed, and after a sumptuous repast had been partaken of, and the "wee sma' hours" fore-closed the approach of early morn, all left for their respective homes, wishing the newly wedded pair a smooth and prosperous journey down the river of time. Mr. and Mrs. McLeod were the recipients of a large number of beautiful gifts, and useful gifts which bore a lent but powerful testimony their popularity.

The Best Tonic is Ferrozone - Read of the Marvel it Performed For Three Sisters in Lawrence-town - It Can Do The Same for you.

Spraking for herself and sisters, Miss Dorotea Boduan writes: "I am anxious to make known the great benefit that I and my sister derived from Ferrozone. A short time ago I was tired out and d pressed, and felt as if some severe illness were hanging over me. I was so nervous that I found it hard to keep up with my work. Notices that many Canadian women were being built up by Ferrozone, I sent for a supply, and took it regularly for a month. So great was the improvement that my sisters also took Ferrozone. Not one of us had a spark of color in our cheeks, but Ferrozone soon made our complexions ruddy. We soon had good appetites, slept better, and were helped a lot by Ferrozone. We still use Ferrozone, because we find it keeps our systems in a strong, healthy condition. It is certainly a wonderful tonic, and a fine remedy for weak women. Ferrozone has been worth its weight in gold in our family." To take Ferrozone means you get more strength; means a reserve of energy, and protection against weakness and sickness. Ferrozone is a food medicine that supplies the body with everything needed to build up the brain, blood and nerve tissues. If it is health you seek, Ferrozone will bring it quickly.
