IS JUDGE NOW—Hon. M. F. Hackett, K. C., of Stanstead, P. Q., has been appointed a judge of the superior court for the district of Bedford, Quebec, in succession to Mr. Justice Lynch, who has resigned. The new judge is a leader of the Eastern Township, and was formerly provincial secretary in the Tullion Government in Quebec. He has been president of the Catholic Mutual Benefit Association of Canada, and is well known in this Province, where he has addressed meetings in that order.

ADDRESS AND PRESENTATION—Rev. and Mrs. John McCall of Springton were agreeably surprised on Wednesday evening, Nov. 24th, when a number of friends from Rose Valley and Bradalbane gathered at the Manse bringing them good cheer and other good things as well as the evening's amusement beginning with the reading of an address and presentation to Mrs. McCall which was followed by a splendid response by Mr. McCall in which he thanked those present and all who had helped to make the night so pleasant for all. Later refreshments were served by the ladies present, followed by music, singing and speeches. The company then joined in singing God Be With You Till We Meet Again after which they all left for their homes feeling that a night well spent had all too quickly fled away.

SAVAGE WOMEN HEALTHY

The savage lives in the open, eats simple foods knows nothing of household drudgery or social life, gets plenty of sleep and exercise and is perfectly healthy and strong, but the civilized woman is a slave to home duties and society, often becomes run-down, nervous and physically unfit to be a companion or wife. Our local druggist, E. A. Foster, druggist, Charlottetown, H. J. Mabon, druggist, Souris has a relief and strength remedy that is a boon to such women, its component parts being peptonate of iron for the blood, the nourishing properties of beef peptonate and the medicinal extractives of fresh, healthy cods' livers, all dissolved in a delicious native wine. It is really wonderful how rapidly weak run-down women are built up by its use.

ELECTRIC LIGHT BILLS—Any person paying their electric light bill on or before Dec. 10 will receive the discount and thus save money.

MISS ISLAND PRODUCE—Island produce schooners are very scarce at Pictou's wharves this Fall. Potatoes are still quoted at 70 cents per bushel at the wharf. Turnips are worth 25 cents per bushel.

SMELT FISHING—The smelt fishing season has opened in East River and according to reports up to the present time the catch is small. This is contrary to other seasons when the opening was always the best, the fish being the most plentiful.—S.

HEAVY FREIGHT—The freight traffic to the island is very heavy these days, and the men at the freight shed have their hands full and more than full, says the Pictou Advocate. The islanders, apparently, are taking no more chances that necessary, and are getting their goods in ere the ice comes.

DOUBLE ENGAGEMENT—Mr. John D. McLeod, Newtown, announces the engagement of his eldest daughter Catherine Edith to Mr. Heywood McLean of Charlottetown; also his second daughter Margaret Murdena to Mr. John Earnest Shaw, Ufg. marriage to take place early in December.

VISITING PROVINCE—The Pictou Advocate says that Mr. George Murray has arrived home from Dawson, Yukon, looking hale and hearty. He visited the San Francisco exposition en route. It is sixteen years since he was out last from the Yukon country and he is at present, accompanied by his sister, Mrs. Beck, visiting friends in P. E. Island.

NOTES FROM PLEASANT GROVE—The school is progressing favorably under the management of Miss Clarkin.—Miss L. Hardy and Miss V. Crockett have opened up a dressmaking department in the city and their many friends wish them every possible success.—Mr. Edward Wyatt, has made great improvement in the appearance of his residence and has just completed a most up-to-date and artistic fence near the road way.

LIQUOR SEIZED—The Pictou Advocate says:—We asked for information the other day re the liquor seized from a truck some little time ago. We were told that the liquor was maturing in the town lock-up and that at the end of thirty days it would be destroyed, if no one claimed it in the meantime. As to conviction the owner of the liquor of a violation of the N. S. Temperance act it is not known who the owner is. The liquor was consigned to Charlottetown and was given out at the Pictou freight shed on a bill of lading presented by a truckman. The truckman is "out of town," so the trail to the owner is closed.
