Remember When
(By The Canadian Press)
Sixteen years ago today the first goal was scored against a Canadian hockey team in Olympic competition when Great Britain got two goals at Chamonix, in the 1924 Olympics. Canada, represented by Toronto Granites won the game 10-2, and went on to win the world title two days later by defeating the United States 6-1.

LOS ANGELES, Jan. 31—(AP)—In-again-out-again Seabiscuit stayed out again today, forced to postpone his comeback race because of a slippery track, and his rival of the past, Healey, went on to win the \$2,000 added Santa Anita Handicap at Santa Anita Park.

AMHERST, N. S., Jan. 31—(CP)—Bill Estabrooks, winger with Amherst Ramblers of the southern New Brunswick League, received his playing certificate today from the Maritime Amateur Hockey Association.

Just how they will compare with other Junior squads should be better known after Friday night for on that evening the Royals will play hosts at the Forum to another classy crew of Junior pucksters in the person of the Sherwin Juniors from Moncton.

Stricken with a severe attack of pneumonia that forced him to quit his hockey career for this season, Ken McInnis' step; this season it was learned last night as the former Abegweit player returned to his home here to recuperate from his illness.

Ken had high words of praise for Hockey Nicholson and Mousie Dowling another Island boy playing in the United States. "Hockey" is maintaining his high reputation Ken stated that he gained last year when he was rated best man in the Association while D'wiling playing with a Michigan club is also getting his share of goals in the league he is performing in.

Play in the Clarkson Shield Competition now in progress at the Maritime Curling Rink on Monday night with L. H. Poole skipping his rink to a 12-4 victory over Dr. P. McIntyre's rink and L. A. Johnstone defeating A. G. Parks 11-7.

The results: Allan Nicholson, Fred Waterworth, John McKenzie, William Swinnett, Russell MacDonald, L. H. Poole, Dr. P. McIntyre, Skip 12; Dick Mathieson, Bruce Yeo, Allison MacLean, Eric MacKinnon, Fred MacIntyre, Carl Boehner, A. G. Parks, Dr. L. A. Johnstone, Skip 7.

MacFarlane's defeated by Firemen 2-0 in two hotly contested games of the Commercial Hockey League being played at the Cry Tal Rink Summerside, Firemen Monday night hung a 2-0 shutout on MacFarlane's squad with Holmes hitting the Wickets to a 2-all draw.

Both games saw the teams go at top speed all the way through and saw action-filled encounters with the last in doubt right up to the final minutes.

Signs in the baseball world pointed tonight to an approaching close alliance between Brooklyn Dodgers of the National League and Montreal Royals of the International League.

Dogger President Larry MacPhail ended a day-long conference with the Royals' executive with the statement that a "deal" is practically completed.

LOS ANGELES, Jan. 31—(AP)—The highly-regarded Moncton Sherwins, fast, rugged Junior squad from Moncton and reported as recent winners over the Moncton Eagles senior team from the New Brunswick centre make their appearance at the Forum on Friday night when they clash with last year's Junior Champions the Junior Royals.

Word exhibition means nothing to either squad and they will play every minute as if the Memorial Cup was the prize that awaited the winners.

Definite assurance of the game has also quickened the pulse of the fans. For days now the question has been asked and repeated, "Are the Moncton team coming?" Now that the answer is a very definite "yes" what is fully expected to be the largest crowd of the season will be on hand Friday night to help the Royals along with their vocal support.

When Moncton Hawks and Abegweits performed against each other in the days of the Big Four rivalry was perhaps the keenest in the league; with the disbandment of these teams this same rivalry seems to have been handed down to the Juniors and Friday night there should be a real battle of the ice lanes.

Those reports interested me. I believe it would be a good idea to have a further check. So it was arranged that three observers would watch at three games, naturally reporting only those incidents which they considered should have been caught by the officials.
