Many a patient has recovered health by the help of OXO. It frequently succeeds where other foods fail, on account of the ease with which it can be assimilated.

OXO CUBES are always ready, always just right. With their aid a cup of OXO can be made fresh at any moment, while beef-tea takes hours to prepare.

For invalid delicacies, too, OXO CUBES are splendid. So much so that many nurses now use them almost exclusively for that purpose instead of meat.

**TUESDAY**

**TRAVELLING BY ICE.**—Mr. W. W. Lea, M. P. P., of Victoria, was in the city yesterday. Mr. Lea drove down the West River ice from Bonshaw, making the first trip of the season.

**A SPECIAL TRAIN** will leave the city on Friday next Jan. 28th, at 5.30 p.m. for Kensington in connection with the dedication of the new Orange Hall at that place. Rev. Mr. Bennett, Rev. R. G. Fulton and Rev. D. McLean will be the speakers of the evening. Local talent from the city will supply the musical part of the programme. All Orangemen and their friends are invited. The officers of the Provincial Grand Orange Lodge will perform the dedicatory ceremonies.

**WEDDING BELLS.**—The Montreal Herald of Jan. 21st says: The marriage of Miss Florence Geraldine Cunningham, only daughter of Mr. and Mrs. Thomas J. Cunningham, to Dr. W. Ewart Williams, of Charlottetown, P. E. I., will take place quietly in St. Michael's Church, at half-past eight o'clock, on Monday morning. The ceremony will be in charge of the Rev. Luke Callaghan, assisted by Rev. John McDonald of Charlottetown. Mr. Cunningham will give away his daughter, who will be attended by Miss Josephine C. Feeny, of Portland, Me., and Miss Inez Kearney, a bridesmaid. The best man will be Dr. J. Brown of Charlottetown, while Mr. J. Mars and Mr. F. Donnelly will be the ushers.

The death occurred at Iona, on Monday, Dec. 25th of Mrs. Daly in her 59th year. Though deceased had been in failing health for the past few years, still the end came quite unexpectedly, but not unprepared. She was attended in her last illness by her pastor, Rev. M. J. Smith, and died strongly fortified by the last rites of the Catholic Church of which she was a devout member. For the nineteen years previous to her marriage, Mrs. Daly was housekeeper for the late Rev. Stephen Phalen, living in Alberton for nine years and removing with him to Georgetown, when he became parish priest of that place. No doubt she had many friends in both places, as also in Eldon, where she lived at her marriage, who will regret to hear of her death. She leaves to mourn besides her sorrowing husband, two brothers: Patrick Hughes of Charlottetown and Owen Hughes of Iona; and three sisters: Mrs. Patrick McTague, Charlottetown; Mrs. James Daly, Iona; and Mrs. Terence Mooney, Iona, all of whom she passed away. Her funeral took place to St. Michael's Church on Wednesday morning, Dec. 27, and was largely attended. The pall-bearers were Edward McKenna, John McCabe, Joseph McCabe, Bernard McTague, Pierce Naddy and Edward Roche. May she rest in peace.

**\$25.00 FOR A LETTER**  
**CAN YOU WRITE ONE?**

Thirteen Prizes to be Awarded in a Letter Writing Competition

Some years ago the Dr. Williams' Medicine Co., of Brockville, Ont., offered a series of prizes to residents of the Maritime Provinces for the best letters describing cures wrought by the use of Dr. Williams' Pink Pills for Pale People. Hundreds of letters were submitted in this competition, and yet there must have been thousands of other users of the pills who did not avail themselves of the opportunity to win a prize. To all these another letter writing competition is offered. Thousands of cures through the use of Dr. Williams' Pink Pills have never been reported. These will furnish the material for the letter to be written in this contest. There is no demand upon the imagination; every letter must deal with facts and facts only.

**THE PRIZES:**  
The Dr. Williams' Medicine Co., of Brockville, Ont., will award a prize of \$25.00 for the best letter received on or before the 1st day of March, 1916, from residents of the Maritime provinces, on the subject, "Why I Recommend Dr. Williams' Pink Pills." A prize of \$10.00 will be awarded for the second best letter received; a prize of \$5.00 for the third best letter, and ten prizes of \$2.00 each for the next best ten letters.

**THE CONDITIONS:**

The cure or benefit from the use of Dr. Williams' Pink Pills described in the letter may be in the writer's own case, or one that has come under his or her personal observation. More than one cure may be described in the letter, but every statement must be literally and absolutely true.

The letter should be no longer than is necessary to relate the benefit obtained from the remedy in the case described.

Every letter must be signed by the full name and correct address of the person sending it. If it describes the cure of some person other than the writer of the letter, it must also be signed by the person whose cure is described as a guarantee of the truth of the statement made.

The writer of each letter must state the name and date of the paper in which he or she saw this announcement.

The writing will not win the prize unless you have a good case to describe. The strength of the recommendation and not the style of the letter will be the basis of the award.

It is understood that The Dr. Williams' Medicine Co. shall have the right to publish any letter entered in this contest if they desire to do so whether it wins a prize or not.

The contest will close on March 1st, 1916, and the prizes will be awarded as soon as possible thereafter. Do not delay. If you know of a cure write your letter NOW. Observe the above conditions carefully or your letter may be thrown out.

**GIRLS! HAVE WAVY, THICK, GLOSSY HAIR FREE FROM DANDRUFF**

SAVE YOUR HAIR! DOUBLE ITS BEAUTY IN A FEW MOMENTS—TRY THIS!

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Dandruff.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scourge robs the hair of its lustre, its strength and its very life, and if not overcome it produces feverishness and itching of the scalp; the hair roots fash, loosen and die; then the hair falls out fast.

The report showed the finances to be in a healthy condition, a surplus of one hundred and seventy dollars of revenue over expenditure being announced. Nearly four hundred dollars were added to the Church Fund during the year. The Church Fund which is devoted to the purpose of building a new church now amounts to (\$4,550) four thousand five hundred and fifty dollars. This is exclusive of a donation of fifty dollars received since the accounts were closed, December 31st, 1915.—W.

**HARKINS PLAYERS COMING.**—Mr. A. K. Munde, business manager of the W. S. Harkins Players, who are to open a weeks engagement here Monday next arrived in town yesterday and is registered at the Victoria. In conversation Mr. Munde said that Charlottetown people know from past experience what kind of plays and players Mr. Harkins always gives them and that they have always given us very generous patronage in the past is sufficient proof that we have their confidence. This year I can safely promise your theatre goes that our company is the strongest we have had in years, and the press of the various cities we have played in endorse this statement. We will present a new play each night, and our plays are all New York and London successes and we have never had as good a repertoire. We have comedies, comedy dramas, and dramas, so hope to please all tastes.

**NEW SKATING RINK.**—A long felt want has been supplied in Tignish with the advent of a new open air skating rink, which was opened Thursday evening. This pastime has long been denied the young people except under extremely difficult conditions, and now that the rink has been instituted it is hoped its results will not be long in forthcoming. Already talk of a Hockey team has begun and nearby towns and villages will have to look out for their laurels when the Tignish seven takes the ice against them. Much credit is due to the prime mover of the enterprise Mr. John A. Hackett, who has long been a leader in enterprises of this kind, and to Mr. Herbert Gaudet under whose capable management it has been brought to a successful issue. After this auspicious beginning every one hopes to see Tignish the possessor of a rink which can compete with any in the country.—Z.

**SUCCESSFUL SOCIAL.**—The Ple Social held in Grand View Hall, Thursday, Jan. 21st, given by the Red Cross Society of Grand View, was a decided success. Miss Florence Martin presided at the organ in her amiable manner. Rev. Dr. McEwen gave a short address on Robert Burns. The hall was brilliantly lighted by a famous Aladdin Lamp, furnished by Mr. Ernest Winchester and favorably commented on. At the close of the program the pies were auctioned by Mr. Milton Furness, and the handsome sum of \$25.00 was realized and handed over to Mrs. Dr. Martin, president of the Red Cross Society of Grand View. The ladies deserve much credit for their efforts in getting up this social for such a worthy cause.

Following this, came a talk on bandages, the kinds, their uses, and points to remember in their application; this was followed by a demonstration on the application of the different bandages.

**Herd of Them From Her Brother**

She Found Quick Relief and Now Recommends All Women Who Suffered As She Did to Use Dodd's Kidney Pills. St. Martin's, St. John Co., N. B. January 28th.—(Special).—Mrs. Violet Marchbank, wife of a well-known farmer living near here, is telling her neighbors of the splendid results she has got through using Dodd's Kidney Pills.

"My trouble started from a cold," Mrs. Marchbank states. "I had backache, my joints were stiff and my muscles cramped. I was irritable and always thirsty. My appetite was fitful and I felt heavy and sleepy after meals. Rheumatism was added to my troubles as well as headaches and heart flutterings made me very anxious at times. I suffered for about two years and was far from being a well woman when my brother told me what great things Dodd's Kidney Pills had done for him and I made up my mind to try them. I sent and got three boxes and they helped me right from the start. I can recommend Dodd's Kidney Pills to all women who suffer as I did. Every one of Mrs. Marchbank's symptoms was a symptom of kidney trouble. That is why she found such quick relief in Dodd's Kidney Pills."

**Use Less Shortening with - BEAVER FLOUR**

YOU don't need so much shortening for Pies, Doughnuts, Layer Cake and Fancy Pastry, when you use "Beaver" Flour. It's BLENDED.

YOU see, it's this way. Ontario wheat makes what is usually known as "pastry flour". It has the delicacy of flavor—the fine, even texture—the whiteness and lightness—that a flour must have, to make good Pie and Cake.

PURELY western wheat flours don't make good pastry—they are too "strong", too heavy. Even Bread, made of purely western wheat flour, is tough, full of holes, and uninviting in appearance and flavor.

"BEAVER" Flour contains the fine Ontario wheat, with which is blended the proper proportion of Manitoba wheat to increase its strength, thus giving you all the DESIRABLE qualities of the finest pastry flour, with the additional value of making a big loaf of bread with the true home made flavor.

"BEAVER" Flour is the ORIGINAL BLENDED FLOUR—in fact, it is the only SCIENTIFICALLY BLENDED flour on the market.

"BEAVER" Flour is always the same in strength and quality—you know just how much to use for all kinds of baking—and you may rely on it to give the best result EVERY TIME.

ASK your grocer—he knows all about "Beaver", the original blended flour.
