THE PRINCE COUNTY GUARDIAN

Branch Offices in Summerside and Alberton.

Mrs. D. S. McNutt, Malpeque. is visiting friends in Summerside.

Miss Emma Holland, Bedeque, is visiting her sister Mrs. Dr. Champion, Richmond.

Miss Ethel Mason who has been visiting in Bedeque, crossed by the Stanley Saturday on return to her home in Nova Scotia.

Henry Smith, Tryon, is confined to his bed with a severe attack of the grip. His many friends hope to see him around in a few days again.

A meeting of the Baptist congregation Summerside was held January 10, in the Y. M. C. A. rooms, to consider plans for the new church, to be built in the spring, on the site of the one destroyed by fire. Two sets of plans by George E. Baker, architect, were submitted. One will cost about $5,500 and the other about $4,500. It was agreed to defer the decision on the plans, until a meeting to be held in the Y. M. C. A. on Wednesday afternoon the 23rd inst

While superintending the hauling of a building a few days ago, Councillor Ryan was struck on the thigh by a capstan bar and hurt quite severely. Fortunately no bones were broken and he was at work again on Saturday.

Dr. James McDonald has the Fernwood building well under way to Summerside and expects to have it placed on the sight of the old Russ Hotel within a few days. When in position this will be one of the finest buildings in Summerside.

Another addition to new Summerside will be made today when Thomas Glover will land a large house on his lot, corner of Fitzroy and Granville streets. The building was hauled under the direction of Councillor Ryan from Mr. Glover's farm.

Monday last was Declaration Day for the bye-election of Restigouche County, N. B. William Currie, Liberal, was declared elected by a majority of 114 over James E. Stewart, Conservative. Mr. Stewart is a native of Malpeque, P. E. Island.

Many neighbors and invited guests enjoyed an evening of pleasure on the 4th inst at the home of P. N. and Mrs. Pate, of O'Leary, when they assembled to pass the hours in an enjoyable dance. A supper added to the delights of the evening and was succeeded by dancing until the small hours.

The Oakland, California Tribute of December 27, has the following despatch dated Berkeley, December 25: The sons and daughters of the Maritime Provinces, an organization numbering among its members many of the principal people of Berkeley, formerly residents of the Atlantic Coast of Canada, now has $600 on hand which will shortly be sent to the fire sufferers at Summerside, P. E. I. The Association intends to raise $2000 and to accomplish this end entertainments and dances will be given and money collected. The president of the organizetion is H. C. Tupper.

Four pairs of babies, otherwise twins four times, with a single one sandwiched in on three different occasions, making a grand and incomplete total of 11 children in 10 years is the proud record of a Prince County family. The happy father and mother of this interesting colony are, Archie L. and Mrs. Arsenault, Higgins Road, near Richmond, and the youngest arrived on Friday last. In each case the twins were a boy and a girl and all are enjoying the best of health, and still some people unreasonably complain of the train arrangement and the mail service west of Summerside.

The first of a series of horse races took place on the Harbor ice, Summerside, Saturday afternoon, There were on the ice enjoying the sport about 100 teams driven by ladies and gentlemen. There were six starters. The race finished as follows, in the order named: 1st. Parklawn, owned and driven by Daniel Steele Summerside; 2nd. a horse owned and driven by Charles Stavert, Summerside; 3rd. W. S. Newsom; 4th George Owens Hamilton; 5th. William Clark, Summerside; 6th. Jesse Barnard. The next meeting will be a 2.35 race, to be held on Saturday, January 19.

The Summerside Agriculturist says:—That for some time there have been rumors that M. F. Schurman & Co. Kensington, intend opening their wood working establishment in Summerside. This enterprising firm is said to be negotiating for the purchase of the Lefurgey block at the west end of Water Street. If they complete the purchase of the property they will have an ideal factory three stories high with a basement with a floor space of a good many thousand feet with room and to spare for installing all kinds of wood working machinery with lots of storage room for the higher priced woods used. A siding runs into the back door and we do not know of another building anywehre with all necessary adjuncts, so complete for a wood factory. The glad hand should be extended to this firm as no doubt employment will be given to a large number of our townsmen, should the deal go through.
