Almost Miraculous Cure of Mr. Thos. Warren, BY Paine's Celery Compound A Popular Druggist Indorses the Letter.

The Wells & Richardson Co., Limited.

Dear Sirs,—Ten years ago I was laid up with a bad cold contracted at the time of the big flood here. The cold developed into inflammatory rheumatism, and I was laid aside for nearly six months. I recovered, and was able to work for a time, when I was again seized with the terrible disease. I kept getting worse, and suffered the most intense agony. My elbows were partially drawn out of place, and my knees were swollen to nearly double their natural size.

Words fail to express what I suffered, and for days at a time I could not get out of bed nor move myself. During all this time I was under the care and treatment of one of our best physicians, but he did seem to be able to relieve me, and I kept getting worse.

Believing that the doctors medicine was not producing any good, I decided to give it up and allow the disease to take its course. I grew weaker and weaker every day from the pain, and felt that there was little hope for me.

Having read about Paine's Celery Compound I decided to give it a trial. After the second week I began to improve, and on the 20th May I was able to resume work. I have been working every day since, and am quite well at the present time. I continued the medicine until the middle of August, when I had used in all six bottles. Its effect was magical and permanent, and I consider it a wonderful medicine. I would advise any person who is afflicted with rheumatism to give Paine's Celery Compound a trial.

Yours respectfully, THOS. WARREN, Cornwall, Ont.

This is to certify that I have known Mr. Thos. Warren for about thirteen years, and he has been a great sufferer from rheumatism. In fact on two occasions, when suffering intensely from pain and being so reduced in strength, it hardly seemed possible that he could recover. It is true he began to recover with the first bottle of Paine's Celery Compound, and continued until he seemed perfectly well. E. H. BROWN, Druggist.

A Clipping From Plattsville Echo.

Mrs. J. Barnett Figures in an Interesting Article in the Local Paper.

Interviewed by a Representative of the Echo—Story of Her Trouble as Related by Herself—Her Opinion of Dodd's Kidney Pills.

PLATTSVILLE, Ont., Sept. 20 (Special).—The cause of Mrs. J. Barnett of this town was found of sufficient importance to be published at length in the Plattsville Echo. To the representative of that live local paper she made the following statement concerning her experience with Dodd's Kidney Pills.

"I have been ailing for years, but in the spring of last year, I grew very much worse. The symptoms of my disease were nervousness, rheumatism in the left arm, pains in the small of the back, up the spinal column and back of the head, through the eyes, left side of the body and occasionally the right side.

"I grew weak, for I had no appetite and night after night I could not sleep. I was a physical wreck. I was treated by doctors, but their medicines afforded me no relief. I chanced to read in Dodd's Almanac of the virtue in Dodd's Kidney Pills and the wonderful cures effected by them.

"The symptoms as therein explained correspond with my own, and I started taking Dodd's Kidney Pills according to directions. Before I had finished one box I decided there was an improvement in my condition. My appetite returned, the pain was lessened and I was able to sleep. I have in all twelve boxes and have completely recovered. No sign of my old trouble remains and I ascribe it only to Dodd's Kidney Pills. Dodd's Kidney Pills are a wonderful discovery."

This clipping is reproduced as it is typical of the way so many women feel about Dodd's Kidney Pills. Doan's Kidney Pills have been often called "Woman's best friend."

USED FOR HOT WATER

But Everything Proved Useless Except Dodd's Dyspepsia Tablets.

Mr. Edward Gallagher, of 139 York Street, Hamilton, Ont., is one of those who testifies to the power of Dodd's Dyspepsia Tablets. Dyspepsia afflicted him for six years, during which he essayed all kinds of cures, tried all sorts of treatments and used almost every kind of medicine in vain.

Mr. Gallagher grew desperate. Friends were foolish enough to advise soda as a temporary relief. This a fearful mistake. So far from curing stomach trouble it brings on a condition which is worse than the first. Soda has a tendency to destroy the lining of the stomach and the public cannot be too strongly warned.

Finally Mr. Gallagher found the sure radical cure for all troubles of digestion and diseases of the stomach. He tried Dodd's Dyspepsia Tablets. Did they fail him? Read his letter:

"For six years" he writes, "I have been troubled with Dyspepsia, Headaches and all the miseries of indigestion. Nothing that I ate would keep the horrible trouble from me. I tried hot water, reduced my diet but still this dreadful disease kept its hold on me. I have many times had to quit my work, the pains were so bad. Friends even advised me to use soda but that did me more harm than good.

"One day I read of Dodd's Dyspepsia Tablets. I got a box and tried one and then after supper I tried another. I got some relief and so I determined to keep on with the treatment that finally cured me.

I am now, thanks to Dodd's Dyspepsia Tablets, the possessor of a sound digestion. For six years I didn't know what it was to eat a meal. Now I have a wonderful appetite and can digest anything. I cannot praise Dodd's Dyspepsia Tablets too highly."
