Actress-Painter Leads Aid Group

ST. BONIFACE, Man., March 14 (CP) — Madame Pauline Boutil is a small and energetic young Frenchwoman known throughout the west as a talented dramatic actress and painter. But for the past three years her time has been devoted to a small organization known as Oeuvre de Secours a la France.

loon, North Battleford and Edmonton to smaller centres like Gravelbourg, Swift Current and McCreary. The cessation of hostilities didn't mean that the society concluded its work. Instead they now are going ahead with renewed vigor sending clothing parcels and money for medical supplies to the people of France.

TO HELP PREVENT COLDS TAKE

Many doctors agree that colds are often the result of lowered body resistance. To increase resistance to colds, these same doctors recommend the beneficial properties of Vitamin A and D, found in McCoy's Tablets.

Her brown eyes sparkle as she talks about the work that is being done. During the war parcels were sent to French refugees in London, Central de Gaulle's army and also to the men from France training in Canada. Now they are sent directly to the French Red Cross in Paris.

Overseas Closeups

By The Canadian Press. WITH CANADIAN FORCES OVERSEAS, March 13 — (CP) — Bad Harburg, in the Harz Mountains of Germany, has become a leave centre enjoyed by personnel of 30 Corps, Canadian Army Occupation Force.

R.C.A.F. Station Topcliffe, wartime home of several Canadian bomber squadrons, recently became a Canadian training centre. R.C.A.F. personnel and four Women's Division officers left for Southampton to embark on the Queen Elizabeth.

Dame Laura Knight, one of Britain's leading artists, recently flew to Canada. She had sketched and painted scenes of the Nuremberg war trials. She arrived in an R.C. Field of White Rock, B.C.

Veterans Training News And Views

What do you know of T.O.J.? This is not a code word or the name of a Japanese Consul, but of letters mean Training On Job, one of the ways in which Canadian Vocational Training trains ex-service men. As we said before, Canadian Vocational Training is a joint project of the Dominion and Provincial Governments.

Effects of Betatron Rays on Cancer

By Howard W. Blacklock. ATLANTIC CITY, N.J., March 12 (AP) — A preview of the effects on cancer of the new betatron rays, that can burn a hole in the interior of a board while leaving the board's surface intact, was presented here today to the American Association for Cancer Research, Inc., an organization of the United States' foremost cancer workers.

SINUS Misery Relieved

Hundreds who have proved it is so can tell you it's just grand how quickly Catarrh-o-zone clears congestion from the nasal passages. Poisonous colds which get up to the air passages at the top of the nose are reached instantly because the vapor of Catarrh-o-zone can penetrate wherever air can go.

Back Again... Kellogg's RICE KRISPIES, Kellogg's ALL-WHEAT FLAKES, Kellogg's CORN FLAKES, Kellogg's VARIETY. Let Everyone Choose His Favourite... There are six delicious Kellogg's cereals in the Variety. They're made from corn, wheat and rice... some flaked, some shredded, some popped! All are ready-to-eat, easy to digest, always fresh!

Latest Furniture Earmarked for Dad

NEW YORK, March 14 — (CP) — The latest in modern furniture will welcome the new modern pieces which are designed for comfort as well as beauty. Now these modern pieces have found modern furniture too stiff and formal will find that they are as comfortable as a modern sofa or snooze in a modern chair without getting a kink in the neck or back.

TEACH VETERANS SEXING CHICKS

WINNIPEG, March 13 — (CP) — One of the most specialized and limited fields in Canada—the little known art of chick sexing—is broadening its scope under the guidance of a young Winnipeg couple. Ray and Bernice Hansey, two of the 40 chick sexers in the Dominion, are operating under government supervision the only school of its kind in Canada, teaching eight former servicemen and women the secret.

Beware Wax Moth in Honey Combs

Beekkeepers are reminded by the Dominion Apiarist, C.B. Gooderman, that comb foundation should be ordered early but not placed in the frames until just before the time it is needed. Foundation should be handled in a warm room, because the wax is very brittle when cold and is easily broken.

Give You More Power COST LESS—OPERATE FOR LESS. Fishing boats earn money carrying FISH—not engines. That's why fishing captains and vessel owners should investigate the General Motors 'Twin' 6-71-350 HP-Marine Diesel Unit. Takes up only one-third the space and yet does the work of much larger and heavier engines.

ELUSIVE CEBRAGE HAND CHURCHILL, Man., March 14 — (CP) — The elusive and improbable 50-hand turned up last night in a cribbage game at the base camp here of Exercise Muskox. Lieut. J.M.E. Nylander of Winnipeg was playing against Lieut. A. Ashton of Regina, when he held the five of diamonds, clubs, spades and jack of hearts, and turned up the five of hearts on the cut. Ashton scored only four points in his hand.
