How to Tell if Your Hair is Diseased

Even if you have a luxuriant head of hair, you may want to know whether it is in a healthy condition or not. 98 per cent. of the people need a hair tonic.

Pull a hair out of your head, if the bulb at the end of the root is white and shrunken, it proves that the hair is diseased, and requires prompt treatment if its loss would be avoided. If the bulb is pink and full, the hair is healthy.

We want everyone whose hair requires treatment to trv Rexall "93" Hair Tonic. We promise that it shall not cost anything if it does not give satisfactory results. It is designed to overcome dandruff, relieve scalp irritation, to stimulate the hair roots, tighten the hair already in the head, grow hair and cure baldness.

It is because of what Rexall "93" Hair Tonic has done and our sincere faith in its goodness that we want you to try it at our risk. Two sizes, 50c. and $1.00. Sold only at our store—The Rexall Store. MacKinnon Drug Co.

Leave Your Prescription Here

So much depends upon your medicine that a skilled pharmacist is as necessary as a skilled physician when there is illness. Competent registered pharmacists only are employed in our prescription department.

The purest drugs in experienced hands insure that your medicine will be just as the Doctor orders. When you bring your prescription here you are sure of ideal service.

While Mrs. Herbert Mason, Southport, was returning from this city Saturday morning the horse she was driving became frightened of the approaching southern train and just at the northern approach to the Hillsboro Bridge started to run. Mrs. Mason was thrown out of the carriage and was rather badly hurt. The ambulance was summoned and the injured woman was removed as rapidly as possible to the P. E. I.
