## New Glasgow, Fredericton Tied For Top Honors In Bowling Tournament

New Glasgow and Fredericton were tied last night for top honors as the Maritimes-Eastern Maine bowling tournament swung into the home stretch. Each team had 32 points, one better than Moncton which had led the parade after the opening day. Two other teams also were within shooting distance of top honors, Dartmouth with 30 points and Woodstock, the defending champions, with 29. The closeness of the competition is indicated by the fact that only three points separate the top five teams.

The tournament is scheduled to end this afternoon, with all 12 teams seeing action today.

The draw has Fredericton meeting Moncton in what will be a most interesting game, and one which could decide the outcome of the tournament. New Glasgow is scheduled to play Houlton, Maine. The remainder of the draw includes: Halifax Imperials vs. Edmundston; Charlottetown Anchors vs. Woodstock; Dartmouth vs. Halifax Conn-Martel; Saint John vs. Charlottetown All-Stars.

Three players tied for high single honors yesterday. C. Robinson of Houlton, F. Uhren, New Glasgow and H. Peterson, Fredericton, each with 131. Peterson shared top honors in the high three division with B. Redmond of Halifax, each with 140.

Bowlers were entertained at a banquet at the Queen Hotel last night. The function, originally scheduled for tonight, was put a day back as mainland bowlers plan to leave today as soon as their many complimentary remarks were heard at the dinner as to the success of the tournament and the facilities provided by the new Roll-Away at the Sporting Club.

Today's matches begin at 9.30, with three scheduled, and the remainder in the afternoon beginning at 1 o'clock.

## Saints And P.W.C. Tie In Intermediate Opener

Battling through a fast and furious game of rugby football the first Prince of Wales squad and the second team of St. Dunstan's fought to a scoreless draw in the opening game of the Intermediate Series for this Island title.

Both teams waged a bitter battle in an effort to determine the winner but it was not to avail as the encounter was destined to turn out in a scoreless draw. The Prince of Wales team held a definite edge in territorial play but lacked the scoring punch to go over the line for the game-winning points.

In the closing minutes of the game the P.W.C. boys were given a chance to win as they were awarded a penalty kick in front of the uprights about thirty-five feet out. But Garth Crockett, who tried to put the oval over the bars, failed as his kick veered off to the side and fell short of the mark. The Saints also lost a great chance to score in the first half as Murphy, fast three quarter man, followed up on a loose ball, and eluded the remaining players only to trip the uprights about thirty-five feet out. But Garth Crockett, who tried to put the oval over the bars, failed as his kick veered off to the side and fell short of the mark.

The Summerside Town Council has decided not to sponsor juvenile hockey in the town this year. They will have midget, bantam, pee-wee and paperweight hockey leagues, and expect to operate their open-air rink as they did last year. The Kinsmen organization has done much for the youth of our town and deserve a great deal of credit for their efforts during the past few years. Mr. D. O. Stewart, speaking at Wednesday night's baseball banquet, voiced the sentiments of many Summerside citizens when he paid tribute to the Kinsmen for their work among the young boys of our town.

### Navy Team Has "New Look" This Season

When the 1948-49 edition of the Charlottetown Navy hockey club skates on the ice to face the Summerside All-Stars on Nov. 11th to open the City Hockey League, they will be an entirely new and different squad than that of other years. New faces have arrived, and under a new coach in the person of "Tarky" Whitlock have been blended with the best of the older hands to make a squad having a real "new look."

Here are some of the prospects for berths on the navy team: Coach, John "Tarky" Whitlock. One of the finest hockeyists developed in the Maritimes during the last decade, "Tarky" needs no introduction to local fandom. Johnny Davis, an old standby, performing better than ever, Johnny has a long and enviable record as an outstanding cage cop in Maritime ice lanes.

Blaid Brehaut, a newcomer, showing great promise and making good a comeback after a three year lay off due to injuries. Keith Carmichael. Played with the Maritime juvenile champions in '43-44, and with the Navy in '46-47-48. A real body builder. Murray "Mooch" Carmichael. A veteran, making a great comeback. Murray has played some fine hockey in '36 and '37 he was with Junior Abbies, '37-'38 with Denver Colorado, '38-'39 with Charlottetown Rangers, '39-'40 with Abbies and '40-'41 with Y. M. C. A. City League.

Chris Gallant, a former St. P. X. McGill and Junior Royal star, who is starting his second year with the Navy club. Dr. Gallant is one of the cleanest players on the ice and always feared by opposing players. Bob Dalezi, former P. W. C. star. Bob adds more to the new look and does out plenty of punishment to opposing forwards.

Ralph "Farmer" Josey. More of the new look. Is this fast skating former Kentville Wildcat. Angus "Angie" MacDonald. Another new face added is this large sized former P. W. C. rearguard, who is also team manager.

Johnny Higson, who has led the Navy forwards for the past two seasons in the scoring column. A very clever player.

Hollis "Frosty" Jay. Jay is a cool performer around a net and is an old hand who skates in a rugged style. "Gus" Downe adds even more to the Navy "newness" and is a smooth front line performer, having starred for the past few seasons for P. W. C.

Jimmy "Roach" McGregor is a young veteran of the Navy team and is a colorful performer at left wing.

Ted strain. A very polished performer at left wing and an old hand at the Navy helm. Ted is once again expected to add a lot of punch to the Navy barrage.

Cy Gregory is a young star who is showing great promise and is bearing out predictions made for him last year while starring in junior ranks.

Gordon Kelly is another fast skating holdover from last year's squad and who seems to be going even faster this year.

### Report Former Baseball Star Takes Own Life

WASHINGTON, Nov. 4.—(AP)—A man identified by detectives as Jake Powell, former big league baseball star, shot himself to death in police headquarters today.

Powell, 35, had been picked up on a bad cheque charge earlier this afternoon. With him at the time was a woman, who identified herself as Josephine Amber, who said they had planned to marry later in the day.

Powell formerly played on the Washington Nats and the New York Yankees. He was a star outfielder in the 1936 World Series between the Yankees and the Giants.

According to police, Powell had cashed about \$300 in cheques at a local hotel where he had been staying the last three days. A hotel clerk became suspicious, called the bank on which the cheques were issued and said he was informed Powell had no account there.

The clerk followed Powell to Union Station and called police. Detectives picked up Powell and his woman companion and took them to headquarters.

Just before he was to be moved to a cell he asked permission to speak to the woman alone. This was granted although police stood in an open doorway watching. Suddenly the officers related to reporters, Powell said: "Hell, I'm going to end it all." He pulled out a .25-calibre automatic pistol and shot himself twice in the chest and right temple.

### Sensational N. Y. Rangers Player Is Explained

By Norman Allister  
 NEW YORK, Nov. 4.—(CP)—For 24 hours it seemed New York Rangers had a sensational amateur player under contract.

John B. Waterhole was the youngster's name and he hailed from some where in the wilds of Quebec. Or at least so managers Frank Boucher told James A. Burchard, World-Telegram sports writer.

The snowball began rolling when Burchard printed the following item at the tag-end of his column Tuesday:

"Don't be surprised if Boucher comes up with a tricky kid amateur named John B. Waterhole. Boucher thinks he will do right well."

Soon after the World-Telegram hit the streets, other New York sports writers were hounding
