

\$164.00 for Cleaning an **Electric Motor**

An awful price you will say. Nevertheless it cost an organization \$164.00 for cleaning and putting an Electric Motor in proper running order. Of course this is an unusual case but it applies in a moderate way in many instances where firms neglect to have their Industrial Motors cleaned regularly.

A few dollars spent at occasional periods will save many dollars later on in clogged parts and general depreciation of the most valuable parts.

Have your motors cleaned regularly. Phone us now and we'll tell you whether or not they need cleaning. The cost is trivial.

CARDIGAN HEAD SCHOOL "Better English Drive" week, from May 2nd to May 9th was observed in this school. The results were as follows:—Margaret B. McSwain, Grade III. (590); Belle J. MacLeod, Grade VII. (510); Annie L. McDonald, Grade VII. (410).

SHOULD STOP SPEEDING—It seems nothing short of disgraceful that Montague should be the only town in this province that allows its bridge to be made a race track. The swinging of this bridge when a horse goes full speed across it, not only wears out the bolts but is most annoying to pedestrians. Those responsible should give this offence their attention—J. H. McDonald.

SPECIAL SERVICE AND MUSIC—Aside from the splendid missionary sermon which was preached in the Montague Presbyterian Church on Sunday evening last by the Rev. W. H. Spencer, and which was under the auspices of the Women's Missionary Society, there were so many other splendid features in connection with this service, that space is too limited to enumerate them all. To overlook the solo by Miss Carter of Charlottetown, whose kindness is greatly appreciated by this congregation, would certainly be doing a great injustice to this exceptionally gifted young lady; for while we have heard many solos in this church, the music of Miss Carter's sweet soprano voice, is something that will long remain with us. Judging from the large congregation which almost filled this large church, and the overflowing collection plates, the receipts must have been very satisfactory. Success and harmony have long been associated in every undertaking in which the good women of this congregation, have

CROP REPORT

Below will be found a brief synopsis of telegraphic reports received at the Head Office of the Bank of Montreal from its Branches. The Branch Managers have complete and intimate knowledge of each local situation and are in close touch with Crop conditions in all sections of the districts mentioned.

GENERAL

While the season is backward in Ontario and the Eastern Provinces, rather more favourable conditions obtain in most parts of the West. Wheat seeding throughout the Prairie Provinces has been completed and the wheat is well above ground in many Districts. Cold weather has somewhat retarded growth but moisture is ample and the seed bed generally is in good condition. In Alberta the acreage seeded to wheat is about the same as last year, there is a slight decrease in Saskatchewan and 25% decrease in Manitoba. In the latter province, however, there is an increase in the acreage for coarse grains. In British Columbia crops are looking well but are much in need of rain. Details follow:—

PRAIRIE PROVINCES

EDMONTON DISTRICT—Abundant moisture over whole district and prospects promising.

CALGARY DISTRICT—Wheat well above ground, weather conditions favourable with sufficient moisture. **LETHBRIDGE DISTRICT**—Recent rains in North, South and West have improved conditions. Rains are needed in Central and Eastern sections and the Eastern acreage is being curtailed because of dryness. The crop on irrigated land is doing well.

SASKATOON DISTRICT—Wheat seeding is about finished, seeding of other grains will probably be completed in about two weeks. Moisture is sufficient and conditions are considered favourable.

REGINA DISTRICT—Wheat is all seeded and in many places is several inches above ground. Seeding of other grains should be completed in ten days. The land is in good condition and the outlook is considered satisfactory. Pastures are fair only. **WINNIPEG DISTRICT**—Wheat is all sown and is up two to three inches in some localities. Coarse grains are 75% seeded and the acreage increased. Warm rains required to stimulate growth. Pasturage good.

A Giant and Still Growing

Once More!

The figures issued by the Insurance Department at Ottawa for 1923 show that **THE GREAT-WEST LIFE**:

Issued More new ordinary life insurance in Canada than any other company.

Has More ordinary life insurance in force in Canada than any other company.

	New Business	Business in Force
1st Great-West	\$48,272,860	\$325,817,156
2nd Company	46,008,532	307,338,324
3rd "	38,650,069	286,595,944
4th "	33,555,572	258,981,997
5th "	28,295,463	222,321,338

IN MEMORIAM
MRS. JUDSON BLACKMORE

There departed this life on Thursday morning, May 29th, 1924, at her home in Searletown, Bessie beloved wife of Judson Blackmore and daughter of Mr. and Mrs. William Sobey of Searletown in the thirty-fifth year of her age. By her gentle, kind, and cheerful disposition, she endeared herself to all with whom she made acquaintance, passing through a lingering and trying illness. She manifested that beautiful Christian Spirit of great fortitude and resignation to the Divine Will, also the assurance of a blessed immortality beyond death and the grave, as she expressed before passing away that she was waiting and longing for her Lord to come.

She leaves to mourn a sorrowing husband and four young children, three sons and one daughter, Alva, Gladys, Lea and Leith, besides her father and mother, six sisters namely, Mrs. Howard Clarke and Mrs. MacLean of Searletown; Mrs. James Carter, Mrs. George Taylor, Miss Miriam of Vancouver, B. C.; and Miss Ruth at home, and three brothers, Sanford of Los Angeles, Calif.; Harry and Horace of Searletown.

The funeral services were conducted by Rev. Mr. Fitzpatrick, assisted by Rev. Mr. Ross who spoke comforting words to the bereaved. Her remains were laid to rest in Searletown Cemetery, beside those of her infant daughter, who predeceased her by two weeks. The pall bearers were her six afflictive cousins, Stewart, Hammond, Henry Bruce, Percy and Sinclair.

FARM FOR SALE

Owing to scarcity of help and intending to make a change in my business I offer by private sale my farm conveniently situated in Hartsville containing 160 acres of land, 110 acres clear, balance covered with an excellent growth of hardwood and soft wood with good buildings thereon, within short distance of school, church, store, etc. land in good state of cultivation rear end of farm within one half mile of Clyde station. Principally all fenced with wire and cedar posts, will be sold as a going concern with stock, crop and implements all in good condition, excellent opportunity for tradesman with family. Inspection invited. Apply on premises to KENNETH McLEOD, Hartsville. 2543 6 7 21

ever been engaged. Mr. Spencer will again preach in this church on Sunday next at both services. It was certainly a real pleasure to see Mrs. Spencer in church on Sunday last.—J.

ST. PETERS NOTES—Miss Jean McDonald and Miss Florence Anderson are home again after completing a year's work at Prince of Wales College. Both young ladies are receiving hearty congratulations from their numerous friends and relatives for the very excellent showing they made in their examinations.—Mr. Adolphus Gillis a fourth year student at St. Dunstons has also returned to spend his vacation at his home having fully maintained the high standing of his former years and winning a foremost position among the young intellectuals of old St. Dunstons. The splendid record of these promising students will doubtless stimulate others of the St. Peters youths who are aspiring for college honors.—June, the month of flowers, of gentle showers and golden sunsets, is with us again. What inspiration and exhilaration are in the gentle zephyrs from off the Bay! Pieria is at our very doors. And these glorious evenings as she glances from her piazza down the Bay or noiselessly glides along the improved highway in her special six who knows but what the inspiration of the occasion may induce our lovely local poetess to again seize her lyre and touch its strings as sweetly as she was wont to do.—Evidently field athletics are to be a prominent feature in the sporting life of St. Peters this season. The Athletic Association, lately formed is a commendable move and no doubt will receive that support and cooperation for which the village has always been noted in connection with every advance movement of this sort.—Congratulations to Mr. and Mrs. R. H. Dewar.

ST. PETERS NORTH SCHOOL

Following is the Honor Roll for St. Peter's North school for the month of May.

Grade X.—1, William Leslie.

Grade VIII.—1, Margaret Powell; and Edith McCallum; 2, Ada Coffin.

Grade VII.—1, Hilda O'Hanley; 2, Joseph Leslie.

Grade V.—1, Mildred Gillis.

Grade IV.—1, Florence McAulay; 2, Kenneth McCallum; 3, John Malone.

Grade III.—1, Ethel McInnis; 2, Gladstone O'Hanley; 3, Marion McAulay.

Grade II.—1, Catherine O'Hanley; 2, S. Francis Gillis.

PROVINCE OF QUEBEC

The season generally throughout the Province is two to three weeks late. The acreage prepared for crops is greater than last year but owing to the prevailing cold and wet weather very little seeding has been done. Pastures also are somewhat backward, needing warmer weather.

PROVINCE OF ONTARIO

Owing to heavy rains seeding has been interfered with and some damage has been done to spring crops. Continued cold weather has retarded growth and the season is fully a fortnight late. Fall wheat and hay crops are in good condition. Grass pastures promise well but are backward. Late frost reported in some sections has injured the strawberry and tomato crops. Early tobacco plants were damaged but can be replaced. There is an abundance of moisture. Warm weather is greatly needed.

MARITIME PROVINCES

The season is somewhat cold and backward but seeding is well advanced. **NEW BRUNSWICK**.—St. John River Valley, hay and grass pasture show good prospects and a larger acreage of potatoes will be planted this year. Nova Scotia, hay and grass pasture although backward look promising. In the Annapolis Valley conditions are reported satisfactory. Fruit trees are well budded. **PRINCE EDWARD ISLAND**.—Grass pasture in good condition but season backward.

Men's Suits, Shirts, Ties, Collars, Shoes, Oxfords, Sox

Islander in Round-Up

CALGARY, June 5.—Twenty-five thousand wild and stray horses, now roaming over a territory of 6,000 square miles or more in Southeastern Alberta, will be rounded up, it is estimated, in a drive which started on May 24th, and which will conclude between June 10th and 15th. This will be the greatest undertaking of its kind ever attempted in Canada, and participating in the big encircling movement will be about 150 riders, each with a string of eight to twelve saddle horses.

The roundup will be initiated on the holiday by Wolfe's wagon, operating west and north from Harry Welsh's camp, twelve miles west of Bassano. They will work up the Bow and will finish at the travelling valley, northeast of Hussar.

Carl Peterson's outfit will start on May 25, and will operate from Antelope Coulee east and south of Brooks, working north of the Bow river and south of the C. P. R. tracks.

Eddie Brothers' crew will also start on May 26, and will cover the district north of the C. N. R. tracks, south from Red Deer river and will back up to meet the boundary of the Wolfe's crew territory.

McHugh Brothers' outfit will also set out on May 26, and will scour both sides of the Bow, from the mouth of High River to Bassano. Walter McHugh will be in charge.

Indians Will Help

This outfit will be joined by the Blackfoot Indians when they reach the reserve.

Farmers and ranchers will also join in the roundup in this district and will help complete the big encircling movement.

The Final Operations

The final centre will be Twelve Mile Coulee, southeast of Brooks where the animals will be massed about the middle of June.

Of course, as the drive goes on, the branded animals that are identified will be cut out by the owners and in the final gathering will be the real wild horses and strays and such branded animals as have not been claimed.

J. J. Bowlen is acting for the horse owners in the campaign, and has negotiated the arrangements
