WILSON IS STILL PRESIDENT, NOT KAISER WILHELM.

NEW YORK, March 7.—The New York World fairly sums up this morning's editorial opinion upon the senate's vote yesterday, when it says: "By a vote of 68 to 14, the senate of the United States has declared in substance that the capital of the United States is still Washington and not Berlin; that the president of the United States is still Woodrow Wilson and not Wilhelm II, and that the foreign affairs of the United States are still in the hands of the president and not in the hands of the kaiser.

Hockey at Alberton

The return hockey match between the Summerside Khaki team of the 105th and the Alberton Regals was played in the Alberton rink on Monday, March 6th. Mr. A. E. Murphy who formerly played on the Alberton team and who has gone to Halifax on Military service was replaced by E. A. Dorsay of O'Leary. Play had begun but about a minute when G. Oulton scored the first goal for his team. Shortly afterwards the Khaki boys succeeded in scoring again and in less than ten minutes they found the net for the third time. Things now began to look like a whitewash for the Regals, but they now collected their courage and made things more interesting. After some short play C. Murphy made a good run and started the rally for Alberton. Dorsay soon afterwards followed his example. Before time was called Murphy scored again making the count 3-2.

After a rest of ten minutes the fight for supremacy was begun and the first one to score was Gallant. Soon afterwards Murphy again evened the score. Dorsay as before performed the same act. Play zigzagged from one team's territory to the other and Arsenal made a run the length of the rink but on account of the strong defence failed to score. In the run up that followed the Regals found the net for the sixth time. Soon afterwards the Khaki team also secured a score from a mix up. Both sides now strove valiantly and within a minute or two before the bell rang the soldier boys secured the sixth goal by the puck striking Arsenal's arm and glancing. Therefore the game ended 6-3. The characteristic tripping and checking was manifested many times during the game. On being sent to the promenade five times. McQuarrie three, Dorsay twice, Coll once and Murphy once. The special train which conveyed the large number of visitors left on return at 11:30 p. m.

The game was handled very efficiently by Urban Gillis as referee and J. P. White, judge of play. The following was the lineup: KHAKI Goal A. Lewis Vern Lynds Point Wm. Arsenal E. Gay Wm. Quarrie C. P. James Coll G. Oulton Centre Claud Murphy A. Gallant Rover Jack Matthews I. Ellis R. Wing E. A. Dorsay L. McLellan L. Wing Russel Matthews

BANKERS DEFEATED BY ST. DUNSTONS

SCORE 3-1

One of the most interesting games of hockey yet was played last night in the arena between the home team from St. Dunstons College and the Bankers of this city. The game started at 8 o'clock and was fast from start to finish, both teams striving hard for victory, without one dull moment of play, the puck was carried from one end of the rink to the other but only to have the goal tenders ward it off and thus the game progressed until the S. D. C's combined for a pretty run and netted the rubber for the first count which they repeated short-

"Nerviline" Cures Cramps End Misery Instantly

NO REMEDY SO SPEEDY OR EFFICIENT

A real cramp cure? Yes, a real one—in a twinkling the cramp is dead one, and the last squirm is over, once you get a stiff dose of Nerviline on the inside. This isn't mere talk—it's a solid, truthful fact. No other remedy—not a single one—will cure cramps so quickly and harmlessly as Nerviline. It hits the spot in a jiffy and saves a heap of misery. "Last Saturday night my stomach felt like an infernal machine," writes T. P. Granger from Hartford. "I was awakened from a sound sleep and found myself suffering the worst kind of torture. I was so doubled up I could hardly cross my room. I had used Nerviline before for the same thing and took a real good dose. Once I got the warm, soothing sensation of Nerviline in my stomach I knew I was all right. It finished the cramps—just one single dose." "Stomach at night is rendered a nightmare of the past if Nerviline is handy. It may be for the headache or cramps. Nerviline in every case will cure at once and save calling the doctor. Nerviline is a family physician in itself. The large 50c. family size bottle, of course, is most economical. Small trial size costs a quarter. All dealers sell Nerviline.

ly afterwards making the score read 2-0 in their favor.

The Bankers then took things in their hands and kept the S. D. C. goal keeper busy for a few minutes, but Dougan was equal to the onslaught of his opponents and ward off all the hot ones and the half ended 2-0 in favor of the college boys.

The second half was a battle royal from start to finish, the Bankers trying to even matters but the college team after about 10 minutes played the rubber for another count and made the score read 3-0. This seemed to spur the Bankers on and they came back with a terrific rush and succeeded in netting their only goal, Buntain doing the trick on the goal line. Again the Bankers made another try to make things even and for a time the penalty box was kept full, Doyle of S. D. C. taking th honours in this line of play, he certainly knows how to get a rest and th Judge of play good naturedly let him have his own way thus having him more on the boards than on the ice. Just before the gong sounded the Bankers came very near making their second count, only the S. D. C. defence all coming down on the pinch save the day and the game ended 3-1 in their favor. Dougan in goals is a star and is well supported on the defence by F. Kelly and S. Pacht, while the forwards worked for all they were worth for victory. The defense of the Bankers was exceptionally good, but lack of the combination of their opponent. The line up was as follows: S. D. C. Goal J. Collin C. Dougan Point E. Culle S. Paoli C. Point T. Moor F. Kelly Centre G. Crai F. Steele Rover G. Buntain J. Doyle R. Wing L. Newsom E. McLellan L. Wing H. Murphy J. Lan

BASKET BALL

Two excellent games of Basket ball were played at the Y. M. C. A. last evening, the teams taking part being from the 105th Battalion and the Prince of Wales College. A large number of ice spiders and a few Prince of Wales students gathered to witness the game which was noted throughout for clean play and good

fast work. Although the score was a little one-sided in the first game the game was well played on both sides from start to finish. Following is the line ups:

1ST TEAM. P. W. C. Guard. McEwen Murchison Guard. McKhnon Hughes. Centre. Leigh Rattie Forward. McInnis Acorn Forward. McDonald Farrar Score 27. McEwen Score 18.

2ND TEAM. P. W. C. Forward. Nicholson McKinnon Forward. Hutcheson Milton Centre. McNutt Riley Guard. Coyte McQuarrie Guard. Coyte McCormac Maddingan Score 9. Score 10. Secretary Clark acted as referee with McLeod as scorer and Cameron timer.

POPE BENEDICT ISSUES LENTEN PEACE PASTORAL

ROME, March 7.—Pope Benedict as again raised his voice for peace. In a special letter, written in the Lenten season, the Pope says he cannot sit silent, indifferent to the terrible conflict which is maddening Europe. He recalls all that has done to induce the contending nations to lay down their arms, virtually throwing himself between the belligerents and urging them, in the name of the mighty, to desist in their plan of mutual destruction. The pontiff said forth the proposal which he made some months ago as follows: "Each belligerent should clear-

ly state his desire, but should be ready to make necessary sacrifices of pride and particular interests, thus ending the monstrous conflict in accordance with justice and re-establishing peace, advantageous to neither side, but profitable to all, and, therefore, a just and lasting peace.

"This paternal voice," continues the Pope, "was not heard. Thus the war continues with all its horrors. I rejoice that our cry for peace has had a profound echo in the hearts of the belligerent peoples, indeed, the peoples of the whole world, and this aroused a deep desire to see the sanguinary conflict soon cease.

"I must, therefore, once more raise my voice against this war, which appears as the suicide of civilized people.

The second part of the letter deals with prayers, penance and aims in the neutral countries, the aims to be devoted especially to the relief of the pitiful children of those dead in this horrible war."

HE GOT SATISFACTION.

A motorist was stopped by a policeman for speeding, whereupon he became angry and called the policeman an ass. After he had paid his fine the Judge reproved him for what he had said to the officer. "Then I mustn't call a policeman an ass," he said. "Certainly not," said the Judge. "You must not insult the police." "But you wouldn't mind if I called an ass a policeman, would you?" "Why no, if it gives you any satis-
