The equipment, and general conditions at abattoir are good and the abattoir is clean and kept in a sanitary condition. The chief of the Fire Department reports twelve fire alarms for the year, the most destructive fire being that of the office of Messrs Brace McKay & Co., which occurred on Feb. 1st of last year.—H.

—FARM SALE.—At the auction sale at Mr. Stanislaus Aucoin's, Urbainville, February 1st. There was a good attendance of people. Farm implements, tools, etc., were sold at high prices. Live stock, especially cows, were well sold. Mr. John T. Casgrove, the reputed auctioneer, was in good form. M

—RETURN TO HOSPITAL.—Sister Gallant, Superior of St. Joseph's Hospital, New Hampshire, who has spent two weeks at her father's home in Abram's Village, left on her return last Monday. She was accompanied by another sister of the same order, during their stay Sister Gallant was able to tenderly nurse her father, who is now in a very hopeful condition. Their departure was an occasion of extreme sorrow, for the family so recently afflicted. M

—CO-OPERATIVE STORE.—A meeting of the members of the Farmers' Co-operative Store, Wellington, was held at Abram's Village, on Tuesday afternoon, Jan. 29th. The manager, Mr. John F. Arsenault, gave a very clear report of the financial condition of this firm and was very efficient in quoting the different phases of this grand enterprise. The report was entirely satisfactory to the members and several matters of importance were discussed and important suggestions made. The chair was occupied by the president of this association, Mr. Edilbert Poirier. M

—FARMERS' INSTITUTE.—A splendid meeting under the direction of the Charlottetown branch of the Farmers' Institute was held in their schoolhouse on Monday night, Feb. 4th. The attendance was exceptionally large and a long program was successfully carried out. Mr. Ferdinand Richard ably occupied the chair, and all the speakers were given an attentive hearing. The meeting was both instructive and diverting. A pleasing feature was the lantern slides, presenting very beautiful scenes of homesteads in foreign countries, farming operations in Western Canada, and various methods of farming, as well as manufacturing centers of various farm implements. The teacher, Mr. Cornelius Pineau, who had charge of this scenery show, was kind enough to make explanations in connection with each scene. It was certainly a great treat for the on-lookers. Besides those present from the district, there were several present from other sections of the parish. The first speaker was Mr. Joseph H. Arsenault, who dwelt on the poultry industry. Mr. Arsenault has recently made a success of this industry, and was good enough to give some valuable hints in methods of caring, feeding, and housing of poultry. Mr. Joseph F. Arsenault spoke on the local exhibition, among other things he said that an error made in the live stock department of the exhibitions was bringing in cattle that were not in proper condition of flesh. Mr. Harry Darby, of Abram's Village, spoke on Pork industry. Mr. Darby is widely known as a successful grower in this line of live stock, and was able to give some good pointers regarding this industry. Mr. X. O. Gallant of St. Chrysostome, a very progressive farmer, especially in the dairy line, made valuable suggestions mentioning the great advantage of storing green feed for cows. Mr. Stanislaus Aucoin recently arrived from Alberta, was also one of those who addressed the meeting. Mr. Aucoin took for the subject of his discourse, the advantages and disadvantages of a Western Canadian farm. The speaker was very clear and concise in his statements, and after dwelling on the disadvantages mentioned the fact that some of these could be coped with while others could not, as for example, an early frost or a hail storm. Some of the great advantages were the fertility of the soil, the small amount of labor required to care for live stock, and

the salubrious climate, early spring conditions favorable to till the soil. The speaker said he was not on duty to induce other people to migrate to Western Canada, but simply wanted to impress his hearers with the fact that farming out there was a very remunerative occupation these days. A valuable paper was read by Miss Jeanne Arsenault, assistant teacher of that school. Miss Arsenault, who has already read several papers at the Teachers' Conventions and this one, it is hoped, will be preserved for that purpose. The true education, said the paper, consisted in imparting to the child sound principles of virtue, etc., all the qualities requisite for a good citizen, so that he may be a helpful member of any community. The study of books and other sources of knowledge was secondary to this, one grand purpose of training a child. Following this paper some good remarks were made in connection with the training of a pupil, especially by Mr. Moise Gallant, teacher of St. Chrysostome. Mr. John F. Arsenault, on being asked by president, begged to be excused from speaking that night, owing to his indisposition. The meeting was therefore unavoidably deprived of a good fluent discourse. A vote of thanks was tendered the speakers, and the meeting closed. M

—HONORABLY DISCHARGED.—Pte. James Baglole, a returned soldier has arrived in Summerside from Halifax at which place he has spent the last few weeks. He brings with him an honorable discharge from Military Service.—H.

—APPEAL COURT.—Owing to the stormy weather the Appeal Court of the Military Tribunal which was to have opened in Summerside on Wednesday the 13th inst.—H.

—WEDDING BELLS.—The marriage took place at Summerside on Tuesday, Feb. 5th, of Mr. Fidele Arsenault, son of the late Joseph C. Arsenault, of Abram's Village, to Miss Agnes Pineau, daughter of Firmin Pineau, of North Rustico. The wedding party drove from Summerside, arriving at the groom's home in the afternoon. A number of guests were present, who enjoyed themselves. M

—Mr. Eddie Arsenault of Summerside expects to leave Halifax shortly.—L.

—Mr. Wenceslaus Poirier has recently returned from his ferry to spend a few days at his home. M

—Mr. John A. Jelly of O'Leary passed through Summerside on his way back home from Cape Traverse.—L.

—Gunner Howard Higgins of Connaught Battery, Halifax, is spending a seven days furlough at his home in Summerside.—L.

—Mrs. A. A. Lefurgey entertained the sewing circle of St. Mary's Church on Tuesday evening at her home.—L.

—A party of workmen including Messrs. A. R. Green, Robert Walker, Elgin Tanton, Neil McLeod returned to Halifax on Friday after spending a vacation at their homes in Summerside.—L.

—Mr. Antonin Barriault, son of Mr. Joseph Barriault, Maxim Ville, and Mr. Joseph Poirier, son of Mr. Edilbert Poirier, were visiting at their respective homes. Both are on military service, training at Charlottetown. M

SCHOOL EXAMINATION

The semi-annual examination of Cross Rivers School, Lot 14, was held in the school house on January 31st and was a decided success. The pupils were examined in their various branches by Rev. John A. McDonald, Mr. John J. McInnis, Mrs. J. W. O'Brien, Miss Lucille McNeill, Mrs. Joseph N. McKinnon and Mrs. Leo Praught. The visitors and examiners were highly pleased with the manner in which the pupils conducted themselves and by their prompt and accurate answers reflected much credit on their teachers, Miss Alfreda McNeill and Miss Gertrude McKinnon, who by their untiring efforts this school has been brought to its present standing. After complimentary remarks were made by a goodly number of rate-payers the following address was read by Miss Hattie Thompson and the Misses Helen McIntyre and Kathleen Praught presented Miss McNeill and Miss McKinnon each with a beautiful gold brooch. The following is the address: To Miss Alfreda McNeill and Miss Gertrude McKinnon Dear Teachers:—We must not let this opportunity go by without saying a few words to show you the kind feelings that we have for you dear teachers. The year and a half you have spent with us show not only the marked improvement in our studies, but also in the care of our classrooms and the outside surroundings. You both have spared no pains in bringing us along though your patience has often been sorely tried. In after years when we leave school your memory will ever be cherished by us. It is our sincere wish that you will be with us many more years. We ask you to accept these little gifts not for their value but as a small token of regard we have for you, dear teachers. Signed The Pupils of Cross Rivers School.

When the Kidneys Fail

Poisons Remain in the Blood, Which Cause Pains and Aches—Read Here of the Surest Way of Setting the Kidneys Right

Brookville, Ont., Feb. 11.—If you have headaches, backaches and rheumatic pains you have reason to suspect the kidneys. Pain is caused by poisons in the blood, and poisons only remain in the blood when the kidneys are defective and fail to do their work.

This Brookville lady has reported her case because she believes that a great many people are suffering as she did without knowing the cause or cure.

Mrs. Frank Noyes, 9 Stuart street, Brookville, Ont., writes: "For years I was afflicted with kidney complaint. I became very nervous, was easily worried and had frequent headaches and neuralgic pains, especially through the back. I had indigestion, poor circulation of the blood and often was bothered with weak spells. I commenced using Dr. Chase's Kidney-Liver Pills and had only taken two boxes when I felt greatly relieved. I continued the treatment however, until I was completely cured. In all I took about ten boxes, and have not been troubled in this way since. I highly recommend Dr. Chase's Kidney-Liver Pills, and I think also that the Plasters and Ointment can't be equalled."

Here is another letter to show how rheumatic pains disappear when the action of the kidneys is awakened by Dr. Chase's Kidney-Liver Pills:

Mr. John May, Walkerton, Ont., writes: "I was troubled with rheumatism in my legs and I became so lame that I could scarcely get around. Dr. Chase's Kidney-Liver Pills were recommended to me and so I commenced using them. After I had been taking them for awhile I was delighted to find that my rheumatism had left me, and to-day I am as sound as a bell, able to get around and attend to business. I have made use of Dr. Chase's medicines in many ways for the last forty years, and cannot speak too well of their good qualities."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers or Edmondson, Bates & Co., Limited, Toronto, you cannot expect such results from substitutes. Insist on getting the genuine.

when she was taken seriously ill, and despite the best of care, was called away after only a few hours' illness. Her death is made all the more sad by the fact that she leaves to mourn a husband and family of six small children, besides an infant, which has since died and been buried with the mother. Mrs. Strongman was a woman of a most excellent character, and was honored and respected by all for her most kind and loving disposition, and for her willingness to help and comfort others in time of trouble. She was a daughter of Mr. and Mrs. Ambrose Boyle, formerly of Port Hill, but now of Danforth, Me., and besides her parents she leaves to mourn a number of brothers and sisters. The funeral took place on the afternoon of Tuesday, Jan. 7th, to the cemetery of St. James' Episcopal church, Port Hill, where, despite the bad weather and bad condition of the roads, largely attended. Rev. Mr. Bamford conducted the services at the house and grave. The pallbearers were Collingwood Yebo, Russell Birch, Sydney Birch and Robert Ramsay. To his grief-stricken husband and family of small children we tender our heartfelt and deepest sympathy.

GERMAN PLOTS AGAINST U. S. PARIS, Feb. 6.—Petit Parisien publishes a letter of instructions to German military agents in the United States, dated Jan. 15, 1915, and signed "General Headquarters, Dr. Fisher". IN MEMORIAM

VINCENT A. DALEY

They fell asleep in Jesus the 15th day of January, 1918 Vincent A. Daley aged three years and nine months, dearly beloved son of Mr. and Mrs. Daniel Daley. All who knew him loved him but the angels loved him better, so
