Do Long Breaths Hurt

DANGEROUS PLEURISY ALWAYS BEGINS THIS WAY

Speediest Cure is Nerviline.

Ouch, that stab-like pain in the side is like a hot knife blade in the ribs!

Probably got overheated—cooled too fast—now there is congestion, tightness, such soreness you can't draw a long breath.

This is the beginning of Pleurisy. Pleurisy is far too serious to neglect a single instant.

Quickest relief will come from a vigorous rubbing with Nerviline. This trusty old pain reliever will fix you up in time—will take away the congestion—make you well just as it did Mr. Samuel St. John of Stamford, who says—"In running to catch a train last week I became much over-heated. I put up the train window and rode that way in order to get cooled off. In an hour my side was so full of pain and my breathing hurt so much that I thought I had pneumonia. I always carry Nerviline in my grip and at destination I rubbed my side thoroughly three times. The warm penetrating effect was soon noticeable and I quickly got relief. Nerviline I consider saved me from a serious illness."

Any sort of a cold can be quickly broken up with Nerviline which is a marvel for reducing inflammation, for relieving congestion in the throat and chest, for curing stitch in the side, lumbago, neuralgia, sciatica or rheumatism. Nothing more soothing or powerful. The 50c. large family size is the most economical. Small trial size 25c. at dealers everywhere.

DOING HER DUTY

The ten days of warfare in the streets of the City of Mexico that ended with the overthrow and death of President Madero were days of terror and bloodshed. Yet, says the Rev. William Watson in the "Spirit of Missions," they were not without their amusing aspect.

The German lady living next to Deaconess Afleck was very much excited, and asked me if her family ought not to leave that neighborhood. When I advised her to do so, she remarked, "Oh, I do wish my bread was baked! I cannot go until I get it out of the oven." For a half-hour she raced back and forth between the oven and the front door. When the bread was baked, she fled, and left it behind!

WHAT BABY MEANS

An ache in the back and an ache in the arms, All on account of the baby, A fear and a freight and a thousand alarms, All on account of the baby.

And bottles and rattles and whistles and rings, From collar to attic a clatter of things, From morning to night and to morning again, More fuss and more fume than an army of men, And a head that is stupid for lack of its sleep, And a heart where a flood of anxieties leap— All on account of the baby.

A joy in the heart and a light in the eyes, All on account of the baby. A growing content and a growing surprise, All on account of the baby.

And patience that conquers a myriad frets, And a sunshiny song that another gets, And pureness of soul as a baby is pure, And sureness of faith as the children are sure, And a glory of love between husband and wife, And a saner and happier outlook on life, century desire to "be shown," can quite believe.

The safest and surest method we know to overcome this condition is by taking our delicious cod liver and iron tonic, Vinol. In the most natural manner Vinol tones up the digestive organs, promotes a hearty appetite, enriches the blood, and as a specific for chronic coughs, colds and bronchial troubles Vinol is unexcelled.

Try a bottle of Vinol on our offer to return you money if it fails to help you. E. A. Foster, Central Drugstore, Charlottetown, P. E. I.

OLD SPANISH LEGENDS

Once rind an old legend, a certain human asked from the gods three blessings for Spain.

First, he craved that her sons should be brave; secondly, that her daughters should be beautiful; and thirdly, that her government should be good.

The first two of the mortal requests were granted, and the third refused, for, said the answer, "Already Spain is an earthly paradise, and were this last blessing granted the very gods themselves would desert Elysium and go down to dwell in Spain."

This legend is of a cloth with the very ancient story of a Spanish historian who gravely records that the first settlers of the peninsula were borne thither by angels. Other locomotion he evidently deemed far below the dignity of his countrymen.

The Spaniards date the inhabiting of their country from a time soon after the creation, however, and it is difficult to see how they could have reached earth by any other means, so there may be more of truth in the idea than we, with our twentieth-century self.

How to feel safe—"Do what you can, trust God for the rest."

How to gain heaven—make heaven here.

WORTH TRYING.

Use hot milk instead of cold when mashing potatoes and they will be fluffier.

Cress minced as fine as possible and mixed with mayonnaise makes a delicious sandwich.

A paint brush will get dust out of cracks better than any duster, for cloth cannot reach all the corners.

Try the brush when you are cleaning baseboards, window sashes, etc., and you will appreciate it.

Always lower the temperature of the oven somewhat fifteen or twenty minutes after a roast has been placed in it. This will insure that the juices be retained.

Keep paraffin paper and rubber bands in the pantry and before putting away a pitcher of milk slip a paraffin paper over the top and hold it in place with a band. When rice is cooking for croquettes cover with the paper and it will not get hard. Cover any left over salad dressing and many other things in the same way.

OPEN SECRETS

How to be happy—make others so. How to succeed—try, try, try again, persevere, never give up. How to become wise—neglect no opportunity to learn anything good or useful.

How to get rich—work, save, waste no time. "Time is money."

How to be respected—respect yourself. All on account of the baby.

For Chronic Coughs

Milton, Pa., Woman Has Found a Remedy

Mrs. Howard Wagner of Milton, Pa., says: "I had a bad cold for months, and would cough every night until midnight. I consulted a doctor and took two kinds of medicine but got no relief. Vinol was recommended and after taking it a week I could sleep all night without coughing once. I continued its use and now have a fine appetite, never felt better and my cough is entirely gone."

It is a well known fact that when a person is run-down, stomach out of order, or the system overloaded with waste matter, vital resistance is lowered and colds and coughs are easily contracted.

The safest and surest method we know to overcome this condition is by taking our delicious cod liver and iron tonic, Vinol. In the most natural manner Vinol tones up the digestive organs, promotes a hearty appetite, enriches the blood, and as a specific for chronic coughs, colds and bronchial troubles Vinol is unexcelled.

Try a bottle of Vinol on our offer to return you money if it fails to help you. E. A. Foster, Central Drugstore, Charlottetown, P. E. I.

MOTHER! THE CHILD IS COSTIVE, BILIOUS

IF TONGUE IS COATED, BREATH BAD, STOMACH SOUR, DON'T HESITATE!

Give "California Syrup of Figs" at once—a teaspoonful, today often saves a sick child tomorrow.

If your little one is out of sorts, half-sleep, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste.

When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mother, can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Fig Syrup Company," the "California Syrup of Figs," then see that it is made by the Don't be fooled!
