

Had Weak Kidneys For Two Years.

Factor Failed to Help. Doan's Kidney Pills Cured Him. Mr. Edmund Assos, New Carlisle, Que., writes: "I feel it my duty to let you know of the great cure I have obtained by using Doan's Kidney Pills. I was troubled with my kidneys for two years. I tried a doctor, but he failed to help me. I read in the B.B.E. Almanac about Doan's Kidney Pills, and began using them, and after the first box began to feel better. I only used four boxes and they completely cured me. I am very thankful to have found so speedy a cure, and would advise everyone suffering from kidney disease to try them."

THE MORNING PAPER. Some Reasons Why it Makes The Best Advertising Medium. A woman's curiosity to know about society, marriages, births, deaths, forces her to read it. The Morning Paper is before her all day long, and it is she who is doing her household duties, arranging and improving the appearance of her home, that the missing and necessary articles of furniture, rugs, carpets, curtains or other necessities, show up the plainest, and there could be no employer and employee. It is a known fact that throughout the world, possibly with a half-dozen exceptions, the papers with editorial influence and national reputation are morning papers. With these facts in mind, the business man who is looking after the interests of his family to interest in his goods will consult his best interests by placing his announcements where the women will read them. No more opportune time for a dealer to tell about the new goods, the new styles and the bargains offered, for today or week. In a majority of homes the newspaper is practically the bulk of the daily life from 5 a. m. to 10 p. m. The Morning Paper gives not only the housewife but every member of the family an opportunity to read it.
