FAREWELL PARTY—A very pleasant and enjoyable evening was spent at the home of Mr. and Mrs. William Coady, Hazelbrooke, Nov. 8th, when about ninety invited guests assembled to dance the light fantastic and bid farewell to their niece Miss Pearl McGilvray, who left Saturday morning on re- turn to the United States after two months visit to the Island. Music was furnished by Messrs Alf. Stew- art, Ewen Martin, Martin Power, Martin Jackman and Ernie McIn- nish, the accompaniments being played by Mrs. Stewart and Miss Gertie Coady, lancers, fox-trots and waltz being danced. Lunch was served by the ladies and in the wee small hours of the morning all voted a very enjoyable time and closed with singing "God Save the King."

WEDDING BELLS—A very pretty double wedding took place in the Immaculate Conception Church of Everett, Wednesday evening, Octo- ber 27th, when the Misses Mary and Agnes Bradley, sisters, and well known in Roxbury, were mar- ried. Miss Mary became the bride of Mr. John D. McKinnon of 63 Ot- tawa St., Roxbury, and Miss Agnes the bride of Mr. Charles Lacey of 70 Main St., Everett. The brides were beautifully gowned in white georgette trimmed with brillant and lace with the veils trimmed with orange blossoms. Each car- ried a bouquet of bridal flowers. The brides were attended by Miss Martha Pindley and Miss Helana Bradley who wore blue satin and pink georgette with large picture hats to match, each carrying a bou- quet of sweet peas. The grooms were well supported by Mr. Daniel Hanley and Mr. Harry Lacey. The brides are the daughters of Mr. and Mrs. John Bradley of Avon- lake, Prince Edward Island. A recep- tion was tendered at the home of Mr. and Mrs. John McNeill of 15 Judson St., Roxbury. The bridal parties left for Washington and New York.

POPULAR OFFICIAL—The many friends in New Perth of Mr. Lloyd Shaw are pleased to know of his appointment to Supervisor of Schools for the City of Charlot- tetown. Mr. Shaw was born and brought up in New Perth, and his appointment to this important of- fice adds another name to the list of successful young men who re- ceived their early education in the New Perth School. Graduating from Prince of Wales College, he taught as Principal of Georgetown High School until he received the ap- pointment of Inspector of Schools for Kings County, and he brought to that office a befitting dignity which was much appreciated by the Inspectorate. By his high ideals and advanced methods, he has done much to raise the country school to the high standard in which they are today. Endowed with rare gifts and a pleasing personality, he easily gained the confidence of the pupils which always encouraged them to do their best. And his official visits will be greatly missed not only by the teachers and scholars of the County, but by all those that take an interest in education. But by none will he be missed as much as by those of the New Perth School, and they desire to convey to Mr. Shaw their thanks for the interest he has taken in its welfare in the past, and their sincere good wish- es for his pleasant and successful career in the future.—New Perth—

An Annual Event

As will be noticed elsewhere in our columns the Canadian Legion are putting on their annual dance tonight in Prince of Wales College Hall for the benefit of their build- ing and beggary funds. The cause is therefore a worthy one, and will no doubt be largely at- tended by those who delight in spending a few hours of social activity. The Hall will be as usual decorated by the Veterans, and as the dance is under the distinguished patronage of His Honour the Lieut. Governor and Mrs. Heartz this will add greatly to the pleasure of those attending.

WAS SO STIFF AND SORE HE COULD HARDLY BEND

As good as new next morning after simple home treatment

After tramping around all day with wet feet while out gunning, a Phil- adelphia sportsman found himself so stiff and lame he could hardly bend. "I went to work but had to come home," he writes. "I applied Sloan's Liniment freely and went to bed. I was as good as new next morning, thanks to the quick and sure action of Sloan's."

Gleanings From Rocky Point

The farmers of this vicinity are bringing to a close a successful year's work. A bountiful har- vest has been safely secured and the roots in general have been pret- ty well housed.

The S. S. Hillsboro now presents a vastly different appearance to a few months ago when she was laden with automobiles and pleasure seekers. But now instead, we see almost every trip, the farmers conveying to the city the products of his hard labour, mostly every one wearing a smile from the fact that he is being well remunerated for his toil.

A goodly number of potatoes particularly the Irish Cobbler have been grown in this section.

Prohibition Oasis

WASHINGTON, D. C., Nov. 6.—A prohibition oasis just off the southern coast of the United States is to be created with the sanction of prohibition officials. It will consist of an island known as the Grand Bahama, sixty miles off the Florida coast. British and U. S. interests have obtained a lease for 150 years on the island from Great Britain.
