DOWN THE BACK STRETCH

Entries close for Halifax Exhibition races today with H. D. Biden, secretary of Nova Scotia Provincial Exhibition. Races are on September 30th, October 3rd, 4th, 5th and 6th.

Jess Napoleon won the 2.14 class at Ellsworth, Me., recently and stepped the second heat in 2.10 1/2, beating a good field. She had started the day previously and was 1, 3, and drawn in about the same time.

The many friends of Billy Keyes will regret to hear that he met with a very serious accident while driving in a race at Ballston Spa, N.Y. A horse fell in front of him and Keyes was thrown to the track, fracturing a lower limb and also suffering other injuries.

Irving Hasty, who will be remembered as second trainer with Keyes when here two years ago, will continue racing the horses, except Calumet Crusader who will be shipped back to Farmington, Maine.

Lyman Brusie, who has been such a successful trainer and driver in the Bay State Circuit for many years, has given up training and driving harness horses and has now a stable of runners. He is the third trainer of prominence in recent years to go over to the thoroughbreds. Tommy Murphy and Will Fleming having preceded him.

The articles which Gibson White wrote from Florida last spring were very interesting and many complimentary remarks were made on them. It now turns out that Gibson, who is a son of Ben White, is a university man and will this year attend Duke University in North Carolina.

The Rotary Club in conjunction with the Victoria Driving Club will stage matinee races at the Charlottetown Driving Park track on Wednesday afternoon next, September 20th. There will be four classes and the proceeds will go to crippled children's fund.

In the 2.08 pace at Essex Junction, Vt., Toll Gate was 4, 4, 3, Guy the Tramp, Nell Brooke and Hunter Hedgewood all standing higher in the summary. The best time was 2.04 made by Guy the Tramp in the third heat. Pretty good stepping over a half mile track.

The same day Galey Gregor won the 2.14 trot from a field of five good trotters, stepping the first heat in 2.07 1/2. She is a full sister to Lillian 2.08 1/2 raced here on the pace to a win by Peter Conroy at Exhibition.

The track at Essex Junction, Vt., must be a fast one as we notice where Bud Wanger won the 2.15 pace the same day as above races, stepping the third heat in 2.07. The best he was ever able to do up in Ontario over their good tracks was 2.10.

Brockton Fair races, Tuesday, Wednesday and Thursday, September 12th, 13th and 14th, have attracted a good entry list. The purses are all \$500 affairs and the smallest number of entries in any one class is six.

Peter Pokey had his string of victories stopped at Exeter, Maine, by the Northern Knight. Peter won the first heat in 2.10 1/4 but the Northern Knight won the next three, the fastest time of the trio being 2.12.

The Northern Knight, as his name would indicate, is by the Northern Man 2.06 and is one of the toughest propositions in his class over the half mile tracks in Maine. He is getting up in years but maintains the winning streak. Billy Cope and he hooked up in a speed duel at Saint John a few years ago when Billy stepped the first quarter in thirty seconds. The Northern Knight seemed off that day not being able to negotiate the turns. Billy won.

Anent the get of the Northern Man, we recently read an article

In the American Sportsman giving a list of the trotters and pacers by that dead sire, which for wear and tear qualities it would be difficult to surpass. The Northern Man was of the Blingen tribe and it is a fact that many members of that tribe had great lasting qualities. Today the Bingens are in eclipse. Other breeds, notably the Peter the Great-Axworthy cross or Axworthy-Peter the Great, whichever way you care to put it, are in the limelight.

At Kingston, R. I., recently, Margaret's Son won the 2.25 pace from a good field, best time 2.14 1/2. He is by Kalmuck 2.15 1/2 owned by Willard Kelly, Southport.

At Phillips, Me., Devilset won the 2.22 pace in straight heats, stepping the third heat in 2.12, equalling the track record made the same day by Napoleon Hal. Devilset is by Longset and was bred by Col. J. S. Jenkins at Upton Farm and is out of that grand old mare Devilish Dorothy. He has not been heard tell of for at least a year, but we understand was bought by a man who has a faculty for bringing them back to form and evidently his reputation is deserved.

Walkie 2.16, owned by George McIntyre, Montague, will make a return visit to Charlottetown and be on hand for one of the classes at the Matinee next Wednesday.

The Calumet Farm dispersal at Lexington is attracting tremendous attention and buyers representing European firms are expected to purchase a great many of the good brood mares and foals. Tattersalls make the statement that never in the history of the harness horse world has one farm gotten together such a brand of brood mares as will be offered at this sale. There are 64 of them and they are all proven breeders and come from the most fashionable blood and are of the most approved types.

Forty-seven of the 64 mares have records of 2.10 or better, 24 of 2.09 or better, 19 of 2.06 or better and 12 of 2.05 or better.

They are sired by Peter the Great, Guy Axworthy, Belwin, Dillon Axworthy, Peter Scott, Peter Volo, General Watts, Justice Brooke, The Senator, Lee Axworthy and other great and fashionable sires.

Included in the band are three daughters all from sisters of Rose Scott 1.59 1/2, champion of her year and regarded as one of the greatest trotting mares of all time.

The crop of yearlings and weanlings are considered very high class and no doubt there will be tremendous rivalry for the "tops."

The three sires, Peter the Prewer 2.02 1/2, Truax 2.13 1/4 and Guy Abbey (3) 2.06 1/2, should bring big prices. Fortunately for the Farm Guy Abbey who up to this year had not done much as a sire due to his being only a short time in the stud, has arrived, and several of his get are racing and winning in the fastest company and one, Calumet Evelyn, has recently taken a two year old record pacing over a half mile track of 2.07 1/2. This is a world's record for mares over a small oval. The old record was held by Evelyn Harvester and was 2.11. The above filly was developed and raced to her record by the Canadian reinsman, Vic Fleming.

Charlie Ballard is holding races again on September 20th and will bring together in a big Free-For-All, Darkey Grattan 2.02 1/2, Calumet Brownie 2.01 1/2, Marjorie M. 2.07 1/2, and possibly Sampson Hal 2.02 1/2. Two other classes are on the program in one of which Addie McGraw 2.10 1/2 is booked to start.

The greatest race of the year, the Matadren race, took place at Mariendorf track near Berlin last Sunday. Among the nine starters were the following American bred horses. Querulant a son of Mr. McElwyn, a recent winner in Ger-

UNITED STATES AMATEUR GOLF FINAL TODAY

By Alan Gould, Associated Press Sports Editor. KENWOOD COUNTRY CLUB, Cincinnati, O., Sept. 15.—(A.P.)—The giant killing exploits of two American golfing youths came to an abrupt end on the squashy battlefield at Kenwood today, leaving 41-year-old Max R. Marston of Philadelphia, to carry the fight of the "old guard" into the final 36-hole round tomorrow against George T. Dunlap, Jr., 24-year-old New Yorker, for the amateur championship of the United States.

Marston, a champion 10-years ago, turned back 18-year-old Jack Munger of Dallas, Texas, a prep school lad competing in the championship match play for the first time. The score was six and five as Marston broke the youngster's spirit in the afternoon with a series of discouraging strokes.

Dunlap, enjoying one of those delightful golfing moods when he could lift his game to winning heights at crucial moments, gathered a 4 and 3 decision over William Lawson Little, Jr., 23-year-old San Franciscan, in the other 36-hole semi-final.

Little, who knocked Canada's Sandy Somerville out of the picture yesterday, seldom was able to match his rival's shooting and went down in the afternoon under a shower of birdies.

Rotary Races Wednesday September 20th

Next Wednesday afternoon the Charlottetown Rotary Club will sponsor a programme of Matinee Races at Charlottetown Driving Park in conjunction with the Victoria Driving Club. All the horses in training in the vicinity of Charlottetown will compete and the result should be a nice contribution to the Crippled Children's Fund. Last year there was a very generous response from the public. The racing was red hot and every one went away pleased. The classes will probably be four in number with Jimmy Power's Volo R co 2.04, George Buntala's Sampson Hal 2.02 3-4, Brenton McInnis' grand trotter, Heatherbelle 2.10 and McNeill and Raymond's Lucky Lindy 2.12 in the Class A. TIMELY TIPS ON SPORT

BASEBALL PLAYDOWNS

The Halifax Willow Parks and the Yarmouth Gateways meet in their final game this afternoon at Middleton, to decide which team will advance to play the Springhill Fence Busters for the Nova Scotia title.

The deciding of this issue will end one of the most spirited battles in Nova Scotia baseball annals for some years.

Then again the Abbies who gave last year's Maritime champs such stiff opposition, forcing them to twelve innings in the second tilt are to be reckoned with. The local club which will be representative of the best players from the City League clubs are practicing diligently every evening and promise to be no mean threat for the title.

As the baseball wars are fast drawing to a close definite steps, no doubt, will soon be taken to set the football rolling. A meeting of all those interested in the game should be held and a coach chosen. It is understood that the Abbies could place a team on the field which would compare quite favorably with that of previous seasons.

This year's squad will have the services of former St. Dunstan's football players who have graduated and this coupled with the addition of adventurous youngsters who feel the call of the gridiron, and old timers should provide a wealth of material from which to mould a first class team.

Already the S. D. U. red and white warriors are working out and getting in form.

Along with football can be heard the distant but not too far away rumblings of the hockey season. It is understood that the Abbies are seeking the services of Bill Boucher as coach for the 1933-34 season, while from Halifax comes the announcement that Red Stuart will handle the Wolverines. It is also understood that the Wolves will boast an entire new front line, on which it is reported, will be Dewey, formerly of the Saskatoon Quakers.

GOLF TROPHY AGAIN WON BY ISLANDER

Mrs. A. R. Croby of Summerside has just received word that her son, L. S. Crosby, has won the Willingdon Cup for another year in the golf finals at Banff on Sept. 5th.

Quoting the Calgary Herald on the game the report says: "Playing a fine game of golf, L. S. Crosby was the winner of the Willingdon Cup trophy on Saturday, H. A. Gourlay being the runner up. The first 18 holes in the morning left Mr. Gourlay eight down, but in the last, seventeen the score was two down and one to go."

Mr. Crosby also won the long driving competition; and his son, Douglas, won a prize for the lowest score in qualifying round and also in the mixed foursomes, besides other prizes. Miss Marion Crosby also carried off the honours in some of the ladies events.

The Crosby family carried away about \$75.00 worth of prizes altogether at the tournament. S.

GOLF

The P. E. Island men's golf championship play gets under way today at the Summerside golf links. Owing to a large number of entries at Summerside for Men's Championship any player who has a handicap of sixteen or more may complete as many holes as they desire in the morning. Several prizes have been donated besides the Gaudet and Simpson cups. It is expected also that the Summerside ladies will be at Belvedere today to play the first 18 holes for the Dr. J. C. Simpson Cup. This is the first year for this match, which will be played under the same conditions as the men's championships and the winner will be the lady champion of P. E. I. for this year.

"RED" STUART TO COACH WOLVERINES

(Canadian Press)

HALIFAX, Sept. 15.—Sporting circles heard tonight that Bill "Red" Stuart, former N. H. L. puck-chaser, would coach Halifax Wolverines in their fight this winter for the Maritime hockey title. Stuart, who learned his hockey in Amherst, N. S., played with the old St. Pats of Toronto and, later, with the Boston Bruins. Last year, he handled a pro team in Minneapolis.

Stuart's acquisition would bolster the club strongly. And with the reported engagement of three new ice men, sport followers here granted the Wolves a good chance this year to lift the "Big Three" title from Moncton Hawks, Canadian amateur champions.

WOMEN'S GOLF FINAL TODAY

(Canadian Press)

PINE RIDGE GOLF COURSE, Winnipeg, Sept. 15.—Advancing from the semi-finals, Margery Kirkham of Montreal, defending champion, today won her way into the finals tomorrow of the Canadian women's open golf championship.

Miss Kirkham squeezed into the finals by a narrow 19th hole victory over Isobel Pepall, Toronto, holder of the Ontario junior championship, while Miss MacKenzie, Toronto, played safe and steady golf to win a 5 and 4 victory over the Manitoba champion, Mrs. R. K. Bearliss, Winnipeg. Miss MacKenzie carded a 40 for the first nine and made the turn five up in the other semi final match.

Bout Postponed

CHICAGO, Sept. 15.—The 10 round fight between Jack Sharkey of Boston and King Levinsky of Chicago, scheduled for tonight at Comiskey Park was postponed until Monday because of threatening weather.

Jockey Injured
