J. J. NICHOLSON, Rose Valley, left on Saturday last for the West. Mr. Nicholson will visit his eldest brother at Montana before returning.

CUTHBERT M. MACINTYRE left yesterday morning by the Princess en route for Oxford N. S. to take a position in the Bank of Nova Scotia at that place.

THE Summerside Labor Union are making elaborate preparations for a grand day's sport on the Summerside Driving Park on Labor Day, Sept. 4th. Those who enjoy a good day's outing should make it a point to be present.

ALL "changes" of large spaces for Daily except half and page ads, of which a day's additional notice must be given, should be in this office not later than ten a. m., and ordinary "changes" by one p. m., except Saturday at ten a. m., as printers have holiday same afternoon. "Changes" for Tri-Weekly not later than 10 a. m. Tuesday, Thursday and Saturday.

QUITE a pleasant time was spent at the home of Harry Henderson of York, on Friday, when a number of young people gathered to say good by to Amy Seller, who left Saturday for the West. After serving ice cream and cake Miss Driscoll, favored the company with a reading—Miss Driscoll and her mother are visiting in York, the guests of Mrs. Thomas Vessey. Miss Melinda Campbell is visiting in York, the guest of Miss Eliza Vessey.

THE Central King's County Sunday School Association will hold their Annual Convention in Dundas Presbyterian Church on Monday, Aug. 28th. The first session will meet at 2.30 p. m. The President M. N. McLeod will open the meeting with devotional exercises followed by the roll call, reports of schools and any other business that may come before the meeting. Rev. A. D. A united choir from various churches will render appropriate music.

CHARLOTTE NOTES—Much sympathy is felt for the family of Alfred Schurman, Esq. when on the 12th he was taken seriously ill. His recovery was thought hopeless, but he is improving slowly. Also his wife Mrs. Schurman is very ill, no hopes of her recovery. Mr. Schurman up to the present illness was feeling very well. He is in his eightieth year, and helped with all the hay, doing all the mowing and driving the horse on the hay rack. He also sowed a field of barley by hand in the spring of 1905. Some of our young men have left to seek their fortune in the far west.—Miss Lizzie Carruthers has returned home from Darnley, Rev. Father J. J. McDonald's residence is looking fine and will be much improved when finished.—Ralph P. Carruthers is making a flying visit to his former home.

EASTERN NOTES.—On the 12th last one of our oldest residents passed away, William Holland. I think probably the last survivor of the Irish immigrants who sought a home in these parts in the early years of the last century. Born near the town of Waterford on the 1st November, 1818, arriving here in 1835 he saw many changes during his long life. Intelligent above the common, endowed with all the ready wit of his race, with memory unimpaired till the end he was always an interesting companion. His descendants are scattered far and wide, one of his grandsons being a victim on the Maine, whose mysterious destruction in Havana harbor caused the Spanish American war and the political dissolution of Spain and Cuba.—Jerome McDonald, formerly of South Lake, now of Gloucester, Mass., arrived home with the body of his eldest daughter, aged 16 on the 15th inst.—Hugh McLean of Dundas and his daughter Mrs. Stewart, Boston, are visiting East.—Mrs. Isaac Stewart and daughter Vesta are visiting friends at New Perth. Haying is completed. All things considered, the crop is an average one. Scientists explain—What has happened the potato bug? For two years now his numbers and his work have amounted to little, and the Paris green purchased for his benefit lies stored in the warehouses of the merchants.—No fresh reinforcements have arrived from the sea, and at present it looks as if our climate is not conducive to his health or his perpetuation.—But little has been done by our fishermen the last week, a few hundred mackerel have been hooked on the North shore, but the prospects of any catch are poor.—Word has come of the death in Mass. of Mrs. Burke nee Miss Margaret Seet, well known here.—Com.

Laxative Fig Syrup—Nothing better for strengthening and cleansing the stomach, liver and bowels. It assists and stimulates the natural action of these organs and in every way keeps the body in a good state of health—Only 25c a bottle. A. W. Reddin Pharm. B., Central Drugstore, Sunnyside.

THE Union Commercial College reopens on Sept. 5th. The class rooms have been fitted up in first class order and the prospects for the coming term are very bright. The excellent work done by the former graduates of the Institution is a recommendation of the school. Gold and Silver medals and many other valuable Prizes will be offered. Everybody interested in Business College work is invited to call and get a copy of the new illustrated prospectus. Full information on request.

NOTES OF THE EXHIBITION THAT OPENS SEPTEMBER 13TH, 1905

The great aim of the Nova Scotia Exhibition is the search for, and the providing of, features for the Grand Stand Performances to have the attractions good and to have from year to year a large element of novelty. The Specialists must be both good and new. Manager Hall thinks that he has been successful in this respect and that patrons of the Grand Stand at our big Provincial Fair will find the show of 1905 fully up to the mark in its Amusement Department.

The contractors are getting along splendidly with their construction of the Mines & Arts Building, and they will be ready in ample time to be used at the forthcoming Fair, which opens on September 13th and will run to the 21st. The exhibits will be worthy of their new homes.

At first it was thought that the Dominion Exhibition being held here next year would have the effect of keeping the Manufacturers away this year, but the applications for space are now coming in, and Manager Hall says that he believes all the available space will be occupied. Readers who are interested in the Provincial Exhibition should note the dates for the close of entries. For Live Stock, Poultry, Dairy Products and all classes of manufactures the date is August 21st, for Ladies Work, Fine Art, Field Roots, Fruits and Horticultural Products it is September 4th.

For the Horse Races the entries must be in with the Secretary by August 28th. M. McP. HALL, Mgr. and Sec'y.
