THE PRINCE COUNTY GUARDIAN

Branch Offices in Summerside and Alberton.

MRS. H. H. LEFURGEY returned last night from St. John.

THERE were 150 passengers going and 100 returning by the Empress yesterday.

Ask your dealer for "INVERNESS COAL".—The house keeper's delight—Clean and Free from Soot.—TRY IT

JOHN RICHARDS, Bideford, and John McLean, collector of customs, St. John, were passengers by the Empress last night.

MRS. R. PATTERSON CLARK, San Francisco, California, arrived last evening on a short visit to relatives in North Beloeue and Summerside.

JOHN AGNEW, of Alberton, left yesterday for a trip to the North West accompanied by his son William. They will be absent until about the 1st of October.

W. J. WHITNEY will re-open his music classes on September 5th. Pupils may secure choice of hours by applying at his residence, Summer Street. 9-4451.

DR. AND MRS. A. W. LEARD, Spencer, Iowa, are visiting their uncle G. W. Warren, Summerside. Dr. Leard is a son of the late Adam C. Leard, Victoria, Crapaud.

A YEAR ago today two and one-half inches of rain fell in Summerside, accompanied by a heavy electrical storm which destroyed a barn in Bedeque and another in West River.

Word has been received of the death of Mrs. Hamilton in Vancouver, B. C., which occurred suddenly on August 20th. Mrs. Hamilton was a sister of John B. McKay, Summerside, and leaves a husband and two children. She was 32 years of age.

ELLA, LOTTIE AND ARTHUR CRABBE, Summerside, left yesterday morning for High River, Alberta, to join their father Giles Crabbe, who located there a year ago.

THE anniversary services of the Summerside Methodist congregation will be held on the third Sunday in October. Rev. Wm. Dobson will preach both morning and evening.

THE historical address at Alberton of the Hon. Benjamin Rogers, at the "Allan Fraser Memorial Service," seems worthy of an even larger audience than that which listened to it. One hears the opinion expressed that it should be printed and circulated. How about the Saturday "Magazine Guardian"? There is no better medium for Islanders at home or abroad.

A LETTER received yesterday by Angus McSween of the Summerside post office, states that his son Fred had his arm broken a few days ago by falling from his engine. He is an engineer on the Boston and Albany railroad, and is now in the hospital in South Framingham. As a result of the accident he will be laid up for some months, which he will probably spend at his home in Summerside.

A NUMBER of passengers left Summerside yesterday, some en route to Western Canada, others for a short visit to the neighboring Provinces. Among passengers to the West were:—E. H. Wright, Summerside, Benjamin Deacon, Summerside; John Agnew, M. L. A. Alberton; William Agnew, Alberton; Fred Picketts, Free town. Among those going to St. John were:—Mrs. Gordon Baker, Summerside; W. H. and Mrs. Brown, Tyne Valley; J. D. Palmer, Freeand; Major Schurman, Summerside; A. J. McLeod, Stanley R. A. Montgomery, St. Eleanors; Samuel Simpson, Lot 10; Samuel Kennedy, Bradaibane.

THERE is no more welcome visitor to Alberton than its former Presbyterian Pastor, the Rev. Arthur F. Carr, D. D. All classes of the community, as well as the members of his old congregation, are glad to hear his well-remembered voice and receive his kindly hand grasp. They rejoice to see him bearing so lightly the burden of advancing years. One who has seen the reverend doctor but once in a quarter of a century, and that eighteen years ago, found little change in him save the silvered locks and the gold-rimmed eye glasses. In addition to his prominent part in the memorial service, Dr. Carr conducted morning worship in his old church, and preached a simple, earnest sermon.

BANK OF NEW BRUNSWICK.

50 Shares of \$100 Each. \$5,000.00 Dividends 1 1/2 p.c. payable quarterly, January, April, July and October. PRICE 28 P. C.

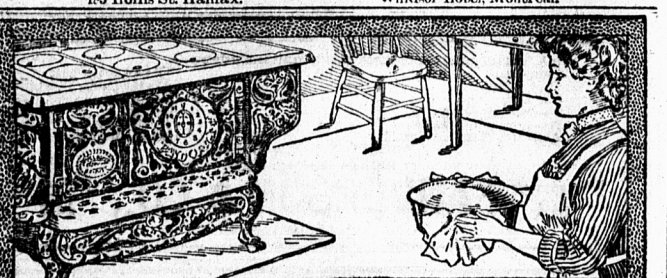

The Bank of New Brunswick stands at the head of Canadian Banks in regard to Reserve Dividends and earning capacity. The stock nets 4.30 p. c. upon the investment, an exceptionally favorable return upon this class of security. It offers an inducement to investors unsurpassed by any other bank stock. Owing to an extremely conservative valuation of its resources this Bank shows assets apparently only 26 1/2 p. c. of its capital. We have been informed on good authority that a fair valuation would place its assets far in advance of this. This statement is supported by the fact that a bona fide cash offer of \$350 a share has been made by one of the largest Canadian Banks and has been refused.

Pandora Range OVEN THERMOMETER. NO "BAD LUCK" BAKING DAYS. Twenty degrees difference in the temperature of an oven is sufficient to make "Good Luck" or "Bad Luck" in baking many kinds of food. The heat in the oven of a range not fitted with a thermometer, or worse, fitted with a poor instrument, will easily vary twenty degrees—result is unpalatable, burned or half-baked food, a cross cook and a disappointed family at meal time. Thermometer fitted in oven door of "Pandora" range has been a proven success for fifteen years, and every instrument is carefully adjusted, and tested by heat, before sending out—the first, best and only thermometer which is of any real value to those who do baking. "Pandora" range is handsome, economical on fuel and a perfect baker. Sold by all enterprising dealers. Booklet free. McClary's London, Toronto, Montreal, Winnipeg, Vancouver, St. John, N. B.
