(COPY) Wolfville, N.S., June 6, 1906. Dear Sir: I write to tell you that I was very much pleased with the Piano you supplied for my concert at Charlottetown the other evening. It was an excellent instrument and does your firm great credit.

The work will be watched with interest. -The funeral of the late Miss Margaret L. McFarlane, which took place on Sunday afternoon, was one of the largest seen in Summerside for some time. Following the hearse, a large open carriage conveyed the floral tributes sent in by friends, companions and schoolmates, telling in the mute language of flowers, of the loving sympathy which so freely goes out to the sorrowing, and especially when the sorrow is for one who was so well known and universally loved. The bereaved parents and sisters are very grateful for the kindness and sympathy shown them in their great sorrow. The service at the home and grave was conducted by Rev. R. G. Strathie. The pall bearers were: Lowell McQuarrie, Vernon Ramsay, Earl Grady, Harry McArthur, Arthur Allen, Leighton Rogers.

Heaviness, Lassitude, Drowsy and Dull,

Do You Feel That Way?

How provoking these symptoms are! You sleep well, but when you awaken there is none of the exhilaration that sleep and rest should confer. Instead of being alert, having quickness of apprehension, there is languor, dullness, a disinclination to do things. Three causes for this feeling. Lazy liver, lazy kidneys, and a sluggish stomach which does its work very poorly, and compels the other organs to do things they are unequal to for any length of time. Note the consequence-blood is filled with waste-poisons weigh down the nervous system-rebuilding processes are absolutely stopped. You'll note an instant change when you take Ferrozone. Appetite improves, digestion becomes good as ever-skin grows ruddy and clear, all senses of anger, uneasiness and depression fade away and finally disappear. Ferrozone clarifies the brain, supplies tone and vigor, invigorates circulation and strength. You feel like a new person, full of life, full of ambition, ready to do things, and able to do them also. Think it over. Ferrozone is a tonic that uplifts, upbuilds, that nourishes and restores the sick by supplying the elements their weakened system need. It can't help but do you good. For men, women and children, in fact, for anyone seeking strength and health. Ferrozone is invaluable; try it, sold by all druggists in 50c boxes.

GROWING OLD BEFORE YOUR TIME.

Broken in spirit, weak in body, nervous and unsecure. Something is wrong, and each day sees you falling away. Just one thing to do-Build up. To do this, use Ferrozone. What a tonic! Appetite, why it makes you eat tremendously. Diet, indeed you will. Rich red blood will carry nourishment to every corner of the body. Blood organs take on new life, color, spirit and ambition are restored. Perfect manhood and abounding health is the unerring product of ferrozone-try it, 50c per box everywhere.

A bright and promising future lay before him, and his death, just as he had attained to manhood, with success within reach, is peculiarly sad. Three brothers and two sisters survive. To the bereaved the Guardian extends sincere sympathy. -A fairly large and very satisfactory meeting was held last night in the Council Chamber, Summerside, with Mayor Saunders in the chair. The Summerside Improvement and Tourist Association was reorganized with the following officers: Mayor Saunders, president; D. K. Currie, vice president; G. M. Bell, second vice president; D. K. DANGER IN CORN SALVES.

They usually contain acids and burn the flesh. The one safe cure in liquid form is Patman's Painless Corn Extractor, which is purely vegetable and causes no pain and cures in one day. Don't forget the name "Patman's".

Shirt Waist Superiority!

Our aim is through honest advertising to let the public know of the different lines of goods which we have in stock for their selection-not what our competitors have not-We do not indulge in "bombast" or egotistical assertions about having the "first choice" and the "exclusive right" to the "cream" of every line we carry from suits down to shoe-laces. Such assertions invariably provoke a smile of pity from intelligent people, who take them with the proverbial grain of salt. Ladies now-a-days simply visit the different stores and soon find out for themselves "Who's who" and "What's what".

It tickles us to hear certain competitors persistently assert the extreme superiority of THEIR different lines over that of all others, when we KNOW to the contrary. Take shirt waists for instance-We claim to have a stock second to none in this City, and are here to back it up. That the people know it, too, is evident from the fact, that up to the present we have sold more shirt-waists than we did last season, and have had to repeatedly fill up our lines-perhaps this is where the shoe pinches. However just to give the few, who do not already know of our splendid stock, an idea of the many lines we have-still to choose from, we append the following lists-

Good quality lawn, trimmed with insertion and tucks only 45 cts each. Another line of good serviceable lawn waists nicely made and trimmed at 75 cts each.

A line of nice quality lawn, prettily tucked down front with row of insertion in centre, full length sleeves with tucked cuff is priced 80c.

Another line of good lawn, with hemstitched tucks down each side of front, where it closes invisibly under small box pleat has the long sleeves finished with prettily tucked cuff. Price only 95c.

A very pretty line daintily tucked and trimmed with embroidery insertion is priced \$1.10

A very pretty lot of white lawn shirt waists is trimmed down front with three rows embroidered insertion, with val. insertion set between. There are clusters of fine tucks to yoke depth, while it is closed down back under pretty box pleat with hemstitched tucks on either side, the sleeves are full length and finished with pretty cuff. Price \$1.40.

A dainty self spotted dimity, has circular yoke, also collar attached, of rows of val. insertion, while the same pretty trimming is arranged in a unique design over front, the 3/4 sleeves being prettily finished with lace trimmed cuff. It is closed down back with tucks on either side of closing. Price \$2.35.

A beautiful fine lawn waist has embroidered insertion set in front and crossed so as to frame a motif of elegant insertion, pretty attached collar, 3/4 sleeve with tucked cuff edged with insertion and val. lace open back with clusters of tucks. Price \$2.00.

A lovely waist of mull has front embroidered with three beautiful vines, between which is set two clusters of tucks to yoke depth, below which val. insertion is set in to form dainty scrolls, open back, 3/4 sleeves daintily finished. Price \$3.85.

A dainty and charming all-over embroidered mull has low square neck finished with ribbon-run insertion, the dainty 3/4 length sleeves being finished in the same way. Price \$5.50.

A most beautiful embroidered waist has three large open work medallions set across front yoke and in sleeves, small round yoke of finest val. insertion with clusters of pin tucks to yoke depth in back which is visibly closed. Very pretty and dainty. Price \$5.50.

Then there are pretty and serviceable black muslin waists with four deep hemstitched tucks down front where it closes, two deep tucks down back, deep cuff, pretty collar attached. Price \$1.20.

Another line of black dotted Swiss is handsomely trimmed with black val. lace and insertion, closed in back, with the 3/4 sleeve finished with cuff, prettily trimmed with black val. lace and insertion. Price \$2.35.

These are only a few of the many charming designs we show, and the description does not really do them justice, so we invite all interested to call and give us the pleasure of showing these dainty goods.

Besides we have a beautiful stock of ladies' "tub" suits in percale and linen elegantly made and trimmed at from \$1.35 to \$9.50 a suit.

We invite the closest comparison and will thus still further increase our already generous patronage.
