Paralysis Defeated!
BLEEDING PILES,
Headache and Dyspepsia
CURED BY SKODA.

MRS. MELVIN IS A LADY OF INTELLIGENCE, HONESTY AND TRUTHFULNESS, AND HIGHLY ESTEEMED BY ALL HER NEIGHBORS AND FRIENDS. SHE WILL COROBORATE ALL THE STATEMENTS IN THE FOLLOWING LETTER.

GENTLEMEN:—For years I had a terrible trouble with my stomach—my **food souring** immediately after eating, together with a **severe headache.** I would have a **prickly, numb sensation** in my arms, and down my sides, with strong tendency towards **Paralysis.** For thirteen years I have been troubled with **extreme Constipation,** combined with that most terrible tormentor, **Bleeding Piles.** At times it would bleed profusely, and pain me severely, so that I could neither **sit, stand, sleep or eat.** I became very much reduced in flesh and strength, and felt **completely worn out.** I have tried nearly all the Physicians in this vicinity, and have taken patent medicines in large quantities, but received no permanent benefit. Through a friend, my attention was called to the merits of SKODA'S REMEDIES. I consented to try them, having but little faith in their efficacy. I at first felt but **little effect,** but persisted in their use. I have now taken four bottles of SKODA'S DISCOVERY, used two boxes of SKODA'S PILE CURE and four boxes SKODA'S LITTLE TABLETS. **My Dyspepsia is all gone, Bowels regular, Appetite good,** and have gained much in flesh. In fact, **AM PERFECTLY WELL.**

All credit is due to your **Wonderful Remedies,** and I cannot say too much in their praise.

Truly yours,
MRS. CAPT. J. E. MELVIN,

GRAND DIVISION.

Annual Meeting of the Sons of Temperance.

G. W P's. Address.--The New Officers.

The Grand Division, S. of T. met at Margate on Wednesday, 26th Oct., the G. W. P. Rev. Geo. W. Fisher in the chair. The morning session was spent in receiving reports and appointing committees. Rev. Mr. Fisher, after a highly successful term as G. W. P. read his report as follows: —

Report of the G. W. P.—Rev. G. W. Fisher.

WORTHY OFFICERS AND MEMBERS,—It gives me pleasure to greet you in this our 44th annual session. Our quarterly sesions are full of interest and profit, and the annual one is very much more so, as during this session, much is done for either the weal or woe of our order.

The past year has been one of special interest and work, and I trust our united toil has resulted in success in every department.

I have endeavored as far I possibly could during the year to keep a general oversight of all our interests, and thus in some small measure to honor the confidence reposed in me. I have visited quite a number of subordinate Divisions and addressed a large number of public meetings. Have also visited District Division No 2, and organized District Division No 3 with an excellent staff of officers. I have had some correspondence relative to District Division No 4, and I learn one has been organized; for this however, I have given no authority, not having had sufficient data before me. Grand Division must take its own action in the premises. I would recommend a small committee to look over the correspondence. Most of the Divisions I have visited show signs of great vigor and harmony:—"Orient," "Ever Onward," "Reform," "Souris," "Excelsior," "Triumph," "Kempton Star," "Holdfast," "Montrose," "North Star," are all doing excellent work. I regret to report "Prince Edward" No 1 is not meeting at the present time. "Blooming Heather," I went to visit but found it had changed its night of meeting. "Rescue" is struggling for an existence, owing to many removals from the neighborhood. The decisions I have rendered during the year have been reported at our quarterly sessions.

* * * * *

I attended in Charlottetown the sittings of the celebrated (for what it is celebrated I leave you to judge) Royal Commission. Having sat through three sessions and given some evidence before the Commission, not being able or desirous of wasting more time I retired. Am thankful to know we have one fearless and excellent Brother on the Commission in the person of Dr. McLeod.

I felt it my duty and privilege alike, to attend as your representative, the Jubilee session of the National Division, recently held in New York. This session was, as you are aware, of special interest, and I am glad to inform you, our own jurisdiction was honored by having the Most Worthy Chaplain elected from among its numbers. I may give you a fuller verbal report as our time permits.

During the year faithful and tried workers have been taken from our midst. You have caused a record to be entered in your Quarterly Journal. Would it not be a kindly and appreciative act to have such records appear in your annual printed Journal?

As to future work. Though putting off the harness of active work in the office of G.W.P., I am deeply solicitous that as the years roll by the Temperance Cause shall continue to prosper, and especially do I desire that our beloved, and oldest order in existence today, the sons of temperance, shall have a continued share of prosperity.

Allow me in retiring from the chair, to suggest one or two things :—

1. The full and complete division of our work into District Divisions. These will accomplish very much more than we can in our G. D. This will also help your Grand Officers, as they will be able through the District Division to keep in touch with every subordinate Division.

2. That our G. D. meet semi-annually, and that we take more time, two days if need be, to do our work more thoroughly. Any one who has presided over, or attended the G. D., will have noticed how *imperative* it has been to hold with a tight rein all its proceedings.

3. That a committee be appointed at each annual session to receive invitations for the holding of our G. D. whether quarterly or semi-annually, and that such Committee report the places most suitable, the G. D. taking final action thereon.

Officers and members, I have already trespassed too long on your time. In retiring from this honorable position to which you so graciously and kindly elected me, I can assure you I do it with increased love for our Order. The work in which we are engaged is one which may well call forth the best and constant energy of any man or woman. The struggle sometimes seems an unequal one, but it is one in which I believe we will finally triumph, for "The Lord of Hosts is with us" and "In Him do We trust." I have esteemed it a pleasure to be associated with such an indefatigable and earnest worker as one G. Scribe, ever ready to help and counsel. I have formed friendships in this work and met with many kindnesses I will not soon forget.

Now brethern, let us work on, toil on, climb on, the path may sometimes be rugged and steep, but will reach eventually the mountain top of success.

G. W. FISHER,
Margate, Oct. 26th '92.

A large number of representatives were initiated into the Grand Division.

The sessional committees were appointed by the G. W. Patriarch, Rev. G. W. Fisher, as follows :—

Com. on Finance :— Reps. Proctor, Peardon, Hopgood.

Com. on Appeals:—Arbing, McNeill, Millman.

State of the Order:—Reps. J. Goldsmith, Simpson, Alexander.

On Report of G. W. P.:—Reps. Rev. T. Hicks, Scott, Geo. Simpson.

On Public Meeting:—Reps. McKinnon, McPhail, Ross.

On Young People's Work:—Reps. Rev. E. Turner, Woodside, McDonald.

Bro. Jas. Carruthers was requested to act as Grand Scribe as the esteemed Grand Scribe. Bro. Jesse S. Burns, who has acted so long in that capacity, was unable to act through illness.

Bro. Burns was present however through part of the sessions.

The G. Scribe's report showed the Order to be in an excellent condition.

The Report of G. Treasurer showed a balance of over $200 to be in the Bank.

The afternoon session, owing to the large attendance of representatives was by the kindness of Rev. Mr. Hicks held in the Methodist church, and was opened at 1.30 in the regular manner.

After initiation of new members the report of committee on the G. W. Patriarch's address was read by Rev. T. Hicks, Chairman, and after careful attention was adopted, and also some other reports.

The committee on state of the order in their report regretted the resignation of the G. Scribe, after his nine years of efficient work, and recommended that a committee be appointed to present him at the next meeting of G. Division with an address accompanied with a National Division Regalia. This recommendation was enthusiastically adopted by a standing vote, and P. W. P.'s Rev. W. P. Archiland, Arbing, and Proctor were appointed on said committee. The salary of G. Scribe for ensuing year was fixed at eight dollars.

The following officers were elected and installed for ensuing year:—G W P, Samuel Simpson, G W A, Rev E C Turner, G Scribe, William Brown, G Treas, David Henderson, G Chap, Rev T Hicks, G Con, Mrs Albert Wright, G Sent, J B Millman.

The quarterly sessions for the year will be held as follows: January session at Victoria, April session at Kensington, July session at Port Hill, October session at North Wiltshire.

She is in ballast. (From the head of Barrington harbor the ship can be seen lying head on the beach and sitting in an upright position. She is not at present in a dangerous position, but should an easterly gale spring up she will doubtless become a total wreck. There were eight passengers on board.)
