TUESDAY
—DUDDEN DEATH.—The sudden death of Mr. Favens Jones occurred at St. Eleanor's Sunday night of apoplexy. The deceased was 73 years and was a highly respected farmer. The funeral will take place on Wednesday afternoon.—L.

WOUNDED.—Mrs. Havelock Bryant Enmore, has been notified that Pte. Stanley Bryant infantry, was officially reported admitted to 12 Stationary Hospital, St. Pol, August 27th gun shot wound in neck and face.

—ILL IN ENGLAND.—Pte. Earl G. Reid, who enlisted with the 6th Canadian Mounted Rifle Battalion, N. B., in the spring of 1915 has been sent from France to the Graylingwell War Hospital England suffering from a bad sore throat. Pte. Reid is a son of Mr. Douglas Reid, Campbellton, P. E. I. and previous to enlistment was employed as bookkeeper with the Journal Publishing Company Summerside. His many friends wish him a speedy recovery.—L.

WEDDING BELLS.—A wedding in which two former residents of Charlottetown were principals occurred in Boston Aug. 29, when Miss Mary Redmond whose home was on Euston St., was married to Mr. David Cavanagh of Malden, Mass., formerly of New Haven and Charlottetown, at St. Matthews church, Dorchester. A nuptial mass was celebrated by Rev. Daniel S. Burke, who also performed the marriage ceremony. Miss Jessie McIntyre of Brooklyn, Mass. a niece of Bishop McIntyre, attended the bride, as bridesmaid and Mr. Vincent Winn of Cambridge, Mass., formerly of New Haven was best man. The bride wore a gown of white satin and georgette crepe with hat to match. The bridesmaid's costume was of pale blue georgette. A wedding breakfast at a Boston hotel followed the ceremony. Mr. and Mrs. Cavanagh will reside in Malden, Mass.

FREQUENT HEADACHES

People with thin blood are much more subject to headaches than full-blooded persons, and the form of anaemia that afflicts growing girls is almost always accompanied by headaches, together with disturbance of the digestive organs.

Whenever you have constant or recurring headaches and pallor of the face, they show that the blood is thin and your efforts should be directed toward building up your blood. A fair treatment with Dr. Williams' Pink Pills will do this effectively, and the rich, red blood made by these pills will remove the headache.

More disturbances to the health are caused by their blood than most people have any idea of. When your blood is impoverished, the nerves suffer from lack of nourishment and you may be troubled with insomnia, neuritis, neuralgia or sciatica. Muscles subject to strain are under-nourished and you may have muscular rheumatism or lumbago. If your blood is thin and you begin to show symptoms of any of these disorders, try building up the blood with Dr. Williams' Pink Pills, and as the blood is restored to its normal condition every symptom of the trouble will disappear. There are more people who owe their present state of good health to Dr. Williams' Pink Pills than to any other medicine, and most of them do not hesitate to say so.

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

Mr. Moses Arsenault, Summerside, also received the very sad intelligence by wire yesterday that his son Pte. Germe Arsenault had been killed in the big drive of August 28th.

Word was received in Summerside, yesterday that Pte. Sterling McKay, son of Mr. Alexander McKay, Graham's Road, has been killed in action. He left here with the 105th and before enlisting worked in the employ of Messrs Sinclair and Stewart.

Mr. and Mrs. Angus MacPhee of New Haven have received the sad news that their son Pte. Daniel MacPhee, Infantry, was reported killed in action on August 24th. Pte. MacPhee was twenty-one years of age. He enlisted in January, 1916, in the 105th at Charlottetown. He went into action in France five months previous to his death. There are left to mourn besides his sorrowing father and mother, four sisters and eight brothers, Thomas and Fred are now serving in England. The sympathy of their many friends will go out to the bereaved in their sad loss.

Mr. William Bradley, 28 Spring Park Road, yesterday received the sad word, of the death in action in France of his son, Private Allan James Bradley. Deceased was one of three brothers gallantly serving overseas. Deceased left here with the 105th Battalion, transferring later to the 104th and to the 26th. He was only 19 years of age, and his death is a hard blow to his parents and the others of the family. It is only about two months ago that another son Joseph Neil was wounded; the other one overseas is at present engaged in hospital work in England. There are also two younger brothers at home and two sisters, and one in the United States and to all deepest sympathy is extended.

Yesterday another name that of J. William Stanway, was added to the roll of the Island's honoured dead, when the sad official word came to his parents Captain Herbert Stanway, R. O. of the sixth Fusiliers of Montreal and Mrs. Stanway.

He went overseas as Sergeant with the 37th Canadian Field Artillery, Winnipeg. He was accountant in the Canadian Bank of Commerce when he enlisted, and he persuaded twenty other young fellows to join the colors. He left St. John on February 29th, 1916, and three months later he went to France. He was at Rouen for 22 months on the staff of the Assistant, Adjutant General, but gave up his rank to go to the firing line in the 39th Battalion, the 37th having been wiped out.

All the time he was in Rouen he was very desirous to get to the front, and his desire was frequently expressed in his letters written to his relatives here. Finally by reverting to the rank of private he succeeded in getting to the front.

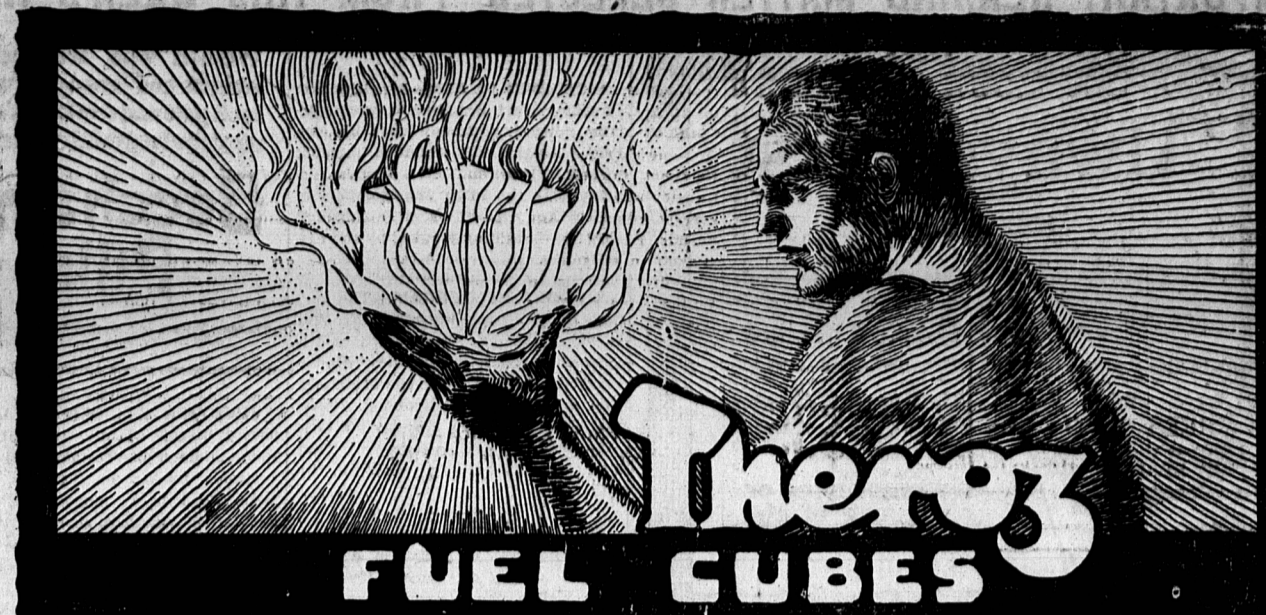

A letter recently received in Charlottetown from his brother, stated that he had taken a course in artillery machine gunnery and received a first class certificate.

Private Stanway, who made the supreme sacrifice at the age of 23, began his banking career in this city with the Canadian Bank of Commerce.

He leaves to mourn besides his parents, in this city, one brother, Captain George Stanway, of the Canadian Army Service, Inspector of Camps at Witley, and one sister, Miss Rose Stanway, whose splendid work in connection with the 105th Comforts circles and other activities for the benefit of the soldiers has made her name a household word in the province. To the bereaved the Guardian tenders deepest sympathy.

WOUNDED THIRD TIME.—Mr. James Kelly, Kent Street, has received a telegram notifying him that his son, Private A. E. Kelly ("Ted"), has been wounded by gunshot in action. He belongs to the 20th Battalion of Ontario and this is the third time he has been wounded. He is a brother of Lieut. J. G. Kelly, M. C., who was also wounded some time ago.

—ISLANDER DEAD.—The sad news has been received by Mrs. Vernon Shaw Montague, of the death of Mr. George Beers, of Southbridge Mass. The late Mr. Beers, and family formerly resided in Montague, where they were well and favorably known. They at one time lived at what was known as Beer's Mills, now the property of Mr. Sutherland. Later Mr. Beers, and family lived in Montague Village where he was in the employ of Mr. D. G. Cameron for a number of years, previous to their leaving Montague, which was about 14 years ago. His death took place at his late home on August 22nd, leaving a sorrowing widow, two daughters, and one son, and on the day following his funeral, his widow, received the news of her son, Frank, being killed in action in France, where he was serving his King and Empire. He was only a young man in the prime of life, and he leaves to mourn a fond memory, a heart stricken mother, a wife and one child. Every sympathy is being extended to Mrs. Beers, in this her double bereavement. Mrs. Beers is half sister to Mrs. Vernon Shaw Montague.—B.

What They Are—What They Will Do

Theroz Instant Fuel Cubes are about an inch square. By an absolutely new and patented process, a liquid is converted into a solid cube (not a paste) which gives a hot, intense, blue flame—

- Without smoke
- Without odor
- Without soot
- Without ash
- And which cannot explode.

The cube itself does not burn. It is a vapor-gas emanating from the cube, mixed with the oxygen of the air in right proportions, that makes the hottest flame known to science.

Theroz is the Most Efficient

emergency fuel known because—
With the scratch of a match you have instantly the intense heat of the fuel. There is no waiting for something to start up.
Theroz is instantly available.

Theroz is the Most Economical

emergency fuel known because—
A cube costs about two cents and you burn of it only enough to heat what you want heated. If it doesn't require a whole cube, blow it out and put it back in the can for future use.
Unlike the fire in the stove or electric devices, there is nothing to get started before you can heat. Nothing to get out of order, and nothing to let go out—consuming fuel all the while—after you are through.

Theroz is the Safest

fuel known because—
A Theroz Cube can not go to a liquid while it is burning. Because the vapor and not the cube burns, Theroz is absolutely safe. It never can explode. A burning cube of Theroz dropped on the carpet (or elsewhere) can be smothered without burning the carpet.
If you hold a lighted cigar to a Theroz Cube it will not ignite. Theroz eliminates danger—the danger of spontaneous combustion—of explosion—and of ignition through heat. You must touch a flame to a Theroz Cube to make it burn.

What 2 Cubes Will Do:

Fry Steak, Fish or Small Chicken. Fry Potatoes. Make Welsh Rarebit. Make Pancakes. Chafing-Dish Cooking. Coffee Percolator.

What 1 Cube Will Do:

Boils 2 Eggs. Heats Can of Soup, Beans, Etc. Cooks Cereal. Makes 2 Cups of Tea or Coffee. Fries Ham and Eggs. Heats Flat Iron (without soot).

What 1/2 Cube Will Do:

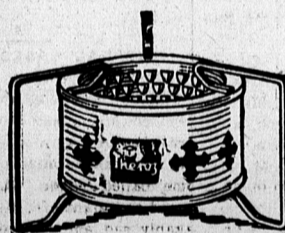

Heats Shaving-Water. Heats Baby's Bottle. Heats Curling-Iron (without soot.)

When less than a cube heats what you want heated, blow out the cube and put it back into the can to be used.

Theroz Blue Flame Stove

To get the full benefit of a Theroz Fuel Cube it must be burned in the Theroz Blue Flame Stove—a patented device designed scientifically to intensify the heat of Theroz Fuel Cubes. The burner has numerous open ports which act like gas-tips. It is at the ports that the vapor from the fuel and the oxygen from the air unite and ignite, throwing the full intense heat to the utensil above them.
With the arms of the Theroz stove folded, it is compact and easily carried in your grip or even in your pocket. With the arms extended, the surface is big enough to take a frying pan or even the well of a chafing-dish.

Theroz may be had at the following drug stores: Colin A. McDonald, Hughes Drug Co., Ltd., Reddin Bros., Johnson & Johnson, McKinnon Drug Co., Charlottetown; Charles R. McLellan, Summerside; Keir & McFadgen, Kensington; J. W. Waugh, Alberton; H. J. Mabon, Montague.

WEDNESDAY
WANTS P. E. I. REGISTRATION.—Mr. R. T. Moore, proprietor of the Borestone Mountain ranch, Owana, Maine, purchased his original stock of foxes in P. E. Island about three years ago. At the time of purchase he insisted upon getting only P. E. Island standard stock and registering same in the Record Book of the P. E. I. Fox Breeders Association. He has now filed applications for the registration of all his 1918 pups. Mr. Moore, it is interesting to note, has had exceptional success with his foxes. He finds registration very advantageous, having sold not only last year's increase but this year's as well.

LAI D TO REST.—A great number of citizens paid their final tribute to the memory of the late Miss Mamie Smith by attending her funeral yesterday afternoon. The floral bequests were profuse and beautiful beyond description. The services at the home and at Sherwood cemetery were conducted by the pastor of the Methodist Church, Rev. R. G. Fulton. The pall-bearers were: Lt. T. B. Rogers, Lt. B. C. Keeping, Messrs. E. A. Holm, Fred Ross, Frank Simmons and Harry Cameron. The mourners were Messrs. Henry Smith, Chas. Windsor, Keith Rogers, Arthur Smith, E. J. Smith, John McKenzie, T. C. James, Jas. McMillan, W. K. Rogers, Jas. Paton, M. L. A. Judge Stewart, Prof. G. D. Steele, Colonel Moore, W. W. Stanley, E. T. Higgs, and A. C. Duchemin.

DIED OF WOUNDS.—Mr. Daniel Wilson, Cardigan, has received notice that his son Private Temple Wilson, engineers, is officially reported died of wounds at 49th Casualty Clearing Station August 23rd of gunshot wound penetrating the back.

DIED FROM ACCIDENT.—The funeral of James Curtis MacKinnon took place from Out Knife, Sask. to Paynton Cemetery, August 22nd, 1918. Deceased met with a very sad accident on Tuesday morning, August 20th, which resulted in his death. In trying to uncouple a trailer from his car, the tongue of the trailer flew up striking him on the neck and breaking it. Death was instantaneous. He leaves to mourn, a wife, five children, a mother, three brothers and two sisters. Mr. MacKinnon was a son of the late John H. MacKinnon of this city.

WOUNDED.—Dr. Walsh, Mount Stewart received official notice yesterday that his son, Pte. Reginald Walsh was wounded, "gunshot wound in left leg," and was admitted to the 55th General Hospital, Bologna. Pte. Walsh enlisted with the original Fighting 26th and has been in France nearly four years, having passed through some of the heaviest engagements of the war unscathed until now. That he is a brave soldier is evidenced by the fact that his mother holds a Military Medal won by him at Vimy and which he forwarded home for safe keeping. His many friends will wish him a speedy recovery.
