RCA VICTOR ANSWERS THE CALL
Pledged to an all-out effort, RCA Victor has given full priority to the development and manufacture of radio communication equipment for the Army, Navy and Air forces.
One of the wealth of past experience, engineering skill and research... out of new extensions to its great Montreal plant... comes RCA Victor's ability to meet wartime needs on time and in quantity.
After every front line need is satisfied, RCA Victor's remaining capacity will be devoted to meeting domestic requirements. As the tempo of wartime production speeds up, domestic production must of necessity decrease. Though fewer in number, every RCA Victor radio will continue to be of the highest quality and value.

Higher in utilities were Winnipeg Electric Preferred, more than a point, Montreal Power, Brazilian and Shawinigan. Bell Telephone did not recover an early slip.
Howard Smith made a late appearance in higher ground in papers but Bathurst and St. Lawrence Corporation "A" dropped back to mines Hudson. Bay mining erased an early recession and Bulolo was stronger. Smelters remained in the hole.
Canada Steamship issues worked up in carriers, and C.P.R. retrieved a loss in rails. Imperial Oil converted a loss into an unchanged position and International Petroleum was always higher.
Asbestos had a belated advance to brighten industrial sales and General Steel Wares moved back to even after being down. Steel of Canada and Canadian Car were consistently softer.
A batch of miscellaneous stocks, headed by textiles, all founeder. It included Bruck Silk, the Celanese issues, Dominion Textile, Imperial Tobacco, Sherwin Williams and Wabasso.
