NEVER BURN A CANDLE AT BOTH ENDS.

If you do your light will soon be gone and you will be in the dark. Don't think you can go on "rawing vitality from the blood for nerves, stomach, brain and muscles, without doing something to replace it. Hood's Sarsaparilla gives nerve, mental and digestive strength by enriching and vitalizing the blood. Thus it helps people who are overworked and tired. Hood's Pills are non-irritating, mild, effective.

Doctors said Incurable

But the Notary, Mr. Lemire, was cured of Kidney Disease in two months by Dr. Chase's Kidney-Liver Pills.

It is only when thoroughly convinced of the superior merit of a remedy that public men will give their sanction.

Mr. E. H. Lemire, Notary Public, 1625 Notre Dame Street, Montreal, tells of his remarkable recovery from a severe attack of kidney disease. When doctors had failed, Dr. Chase's Kidney-Liver Pills saved his life. He writes: "I give this statement, first because it is only just that the merit of Dr. Chase's Kidney-Liver Pills should be made known, and again in order that others may profit by my experience. For years I suffered with kidney disease which doctors pronounced incurable. Thanks to Dr. Chase's Kidney-Liver Pills, which I have used for two months, I am completely cured. They helped me from the first, and the cure is now perfect."

Dr. Chase's Kidney-Liver Pills act directly on the kidneys, and through their combined influence on the kidneys and liver, cure the most complicated diseases of these delicate organs. One pill a dose. 25 cents a box at all dealers, or Edmondson, Bates & Co., Toronto.

"I thought you were going to make an attack on the Americans," exclaimed the Filipino commander severely.

"We meant to, but we were hindered. We could not find any flag of truce to wave so as to enable us to conduct our operations in safety."

A STRONG BACKING.

Commissioner of Wickham, N. B. Civil Courts makes an important statement

Wickham, Queen's Co., N. B. Sept. 25.—Mr. G. L. Worden, commissioner of the great Civil Courts here, is emphatic in his endorsement of the great medicine, Dodd's Kidney Pills.

"Dodd's Kidney Pills," he says, "have been a wonder and surprise to myself. After over twenty years of suffering with my back and kidneys I am well. Not the least painful part of my trouble was the pain, frequency and poor success in urinating. After using Dodd's Kidney Pills I enjoy the natural, comfortable feeling in the particulars above referred to. I feel like a young man though seventy-six years of age. I recommend Dodd's Kidney Pills to sufferers as they do as they advertised to do."

"I know a Scotchman who says he never played golf in his life."

"Good; we can teach him the game and he can teach us the dialect."

ITCHING PILES.

False modesty causes many people to endure in silence the greatest misery imaginable from itching piles. One application of Dr. A. W. Chase's Ointment will soothe and ease the itching, one box will completely cure the worst case of blind, itching, bleeding or protruding piles. You have no risk to run for Dr. A. W. Chase's Ointment is guaranteed to cure piles.

The Linguist—I thought I had mastered every civilized tongue, but I must confess I can't understand a word these people are saying.

The Sport—No wonder. They are talking golf.

THE ORIGINAL

There is only one remedy known that has a combined action on the kidneys and liver and cures the most complicated ailment of the delicate filtering organs, and that is Dr. Chase's Kidney-Liver Pills, the original kidney pills. This world famous kidney and liver cure has enormous sale in all parts of Canada and United States.

THE P. E. I. Baptist Conference met in the Baptist Church, Summerside, Monday evening at 8 o'clock. Rev. A. S. Browne, North River, preached an exceedingly able sermon from the text, Psalm 91-16, "And shew Him my Salvation." He described salvation as a joyful salvation and an ever lasting salvation and added the practical part, that we must work out our own salvation, it being God's work and using it being ours. Tuesday morning a great deal of work was disposed of, there being eight pastors present.

SOME months ago a woman formerly a citizen of Summerside and for some time past employed in Boston, was commissioned by a widower of that city to hunt him up a wife during her summer visit to her former here. After consultation among her friends a name was sent to him—correspondence followed—the worthy swain next appeared on the scene, and yesterday morning they left by the Northumberland for their future home in Boston—having been united in the holy bonds of matrimony the previous evening—after an acquaintance of about two days Sic transit gloria Monday Morning.

Milburn's Heart and Nerve Pills Cure Mrs. P. D. Bourque of Nervousness and Fluttering of the Heart.

Mrs. P. D. Bourque of Moncton, N. B., is one of those who never fail to sound the praises of Milburn's Heart and Nerve Pills. Some time ago she was troubled with a pain in her left side and fluttering of the heart. Her nerves were unstrained and she was easily excited and upset.

"I noticed Milburn's Heart and Nerve Pills recommended for such troubles," she said, "and decided to try them. I therefore got a box and began taking them, and they have done me a great deal of good."

"Before taking these pills my appetite was poor and I was very much run down in health but since their use I have gained strength every day. They restored my heart to natural action, removed the pain from my side, and gave new health and vigor to every organ of my body."

Not only do Milburn's Heart and Nerve Pills cure such complaints as those that afflicted Mrs. Bourque, but they are the only effectual remedy known for palpitation, skin heats, smothering and sinking sensations, nervousness, sleeplessness, anaemia, St. Vitus' dance, weakness, female troubles and general debility.

A COMMON TROUBLE.

Thousands Suffer From It Without Knowing Its real Character.

No trouble is more common or more misunderstood than nervous dyspepsia. People having it think that their nerves are to blame, are surprised that they are not cured by nerve medicines and spring medicines; the real seat of mischief is lost sight of, the stomach is the organ to be looked after.

Nervous dyspeptics often do not have any pain whatever in the stomach, nor perhaps any of the usual symptoms of stomach weakness. Nervous dyspepsia shows itself not in the stomach so much as in nearly every other organ; in some cases the heart palpitates and is irregular; in others, the kidneys are affected in other, the bowels are troubled with loss of flesh and appetite, with the accumulation of gas, sour risings and heartburn.

Mr. A. W. Sharper of No. 61 Prospect St., Indianapolis, Ind., writes as follows:—"A motive of pure gratitude prompts me to write these few lines regarding the new and valuable medicine, Stuart's Dyspepsia Tablets. I have been a sufferer from nervous dyspepsia for the last four years; have used various patent medicine and other remedies without any favorable result. They sometimes give temporary relief until the effects of the medicine wore off. I attributed this to my sedentary habits, being a bookkeeper with little physical exercise, but I am glad to state that the tablets have overcome all these obstacles, for I have gained in flesh, sleep better and am better in every way. The above is written not for notoriety, but is based on actual facts."

Respectfully yours,

A. W. Sharper,

61 Prospect St., Indianapolis, Ind.
