NO DECISION

(Continued from page 1.)

small dealers could not buy certain kinds of coal. Coun. McKinnon said he was informed a city coal dealer had to be "in the ring" to be able to buy Sydney screen, Springhill, and Albion coal.

Mr. Gillis replied that the Dominion Coal Co. had control of that.

Letter Read

At this point a letter from H. R. Large & Co. was read by the City Clerk. Coun. McKinnon took objection to the following paragraph: "If you decide to erect scales you will require motor truck scales and not waggon scales as suggested by Coun. McKinnon. Motor truck scales similar to the present city scales would probably cost double the amount suggested to the Council."

"Mr. Large does not know what he is taking about," Coun. McKinnon said. He then produced plans showing that the scales considered for the City were 20-ton truck scales. He also stated that he, personally, would favour the purchase of a scale which did the weighing by the pressure of a button, a scale which "no one can monkey with because the City Clerk alone would have the key And even he could not interfere with it if he wanted to," Coun. McKinnon added.

Coun. Rogers did not approve of the idea of the City buying any scales. There was a bye-law now, Coun. Rogers said, which could look after the interests of the consumer if it were enforced.

Coun. Butler agreed with Coun. Rogers. He "was sick and tired" of hearing about the City going to weigh all coal sold to its citizens. He would vote against the project, he said.

Coun. MacDonald said he had never heard anyone in the Council say the city was going to weigh any coal. All the Council wished to do, if ne understood the Councillors correctly, was to arrive at some plan which would kill the suspicion that many citizens were being short-weighted. He did not think justice was being done to Coun. McKinnon, Coun. MacDonald said. Coun. McKinnon was not alone responsible for the present agitation, Coun. MacDonald stated. He felt that one result of the meeting would be a better understanding between the Council and the coal dealers. Coun. MacDonald thought the interests of the citizens would be served by a stricter enforcement of the present by-law.

Coun. McKee announced that Mr. Pickard and Mr. Hennessey were both unable to attend the meeting by reason of illness. He also announced that he was not in favour of the City buying new scales.

Objects To Alleged "Threat"

Coun. Gay objected to the implied threat in Pickard and Company's recent letter read to the Council. That letter, Coun. Gay said, stated that Pickard and Company's profit was only 73 cents on a ton of coal, yet Mr. Weeks had admitted no coal dealer could stay in business on such a small profit. The threat in the letter, Coun. Gay said, was that if the City put in scales to weigh all coal, Pickard and Company would make application to have the price of coal in the City raised $3.25 a ton to put the price in line with that of other cities. "When the City has to take such threats, it is time to do something about it," Coun. Gay said.

Colonel Charles Thompson stated the proposed action of the Council was an insult to the coal dealers, a reflection on their integrity. Mr. H. D. Weeks challenged Coun. McKinnon to name one dishonest coal dealer.

Coun. McKinnon said he refused to be a "catspaw" and that he had never said any coal dealer was dishonest though he had his opinions as to the honesty of some of them.

The Recorder stated that the coal dealers had no right to consider themselves affronted by any action the City Council should choose to take. He suggested that the coal dealers appoint a small committee to meet with a committee of the City Council to see if they could not arrive at some arrangement beneficial to all concerned.

Before the Recorder's suggestion was given an opportunity for consideration, Coun. Butler moved the adjournment of the meeting which was seconded by Coun. Rogers. The meeting then adjourned.

"Madame Curie" is Tender Love Story and Dramatic Film

—When Pierre and Marie Curie, two obscure physicists, announced to the world their isolation of the precious element radium, their recognition was instant. The way was opened for them to claim a place among the most famous scientists of all time. Recently Eve Curie published a biography of her famous parents entitled "Madame Curie", which became an international best-seller. Metro-Goldwyn-Mayer has brought this biography to the screen in a fine and impressive production starring Greer Garson and Walter Pidgeon as the devoted mates. The film is now showing at the Capitol Theatre.

Few people realize the great and tender romance the two famed scientists lived during their married life. They loved each other with a devotion startling in its intensity and worked together for beloved science.

The woman, who was later to become the famed Marie Curie, met her husband, already an established physicist, while studying in Paris and working in his laboratory. Soon Pierre, who formerly had little use for women, found himself in love with the beautiful Polish girl. After their marriage the Curies continued to work together to isolate what they believed to be an unknown element which they called radium. They were given almost no assistance and carried on their arduous experiments in an unused shed. There they worked for four long years driven on by Marie's stubborn persistence until they met with success and world acclaim.

MacIntyre—Gallant Nuptials

A very pretty wedding ceremony took place in the Basilica yesterday morning at 6:30 when the Rev. J. W. McCardle united in the holy bonds of matrimony Miss Vangie Gallant, daughter of Captain E. S. Gallant and the late Mrs. Gallant of Palmer Road and Able Seaman Elmer MacIntyre, son of Senator J. P. MacIntyre and Mrs. MacIntyre. The bride was gowned in an exquisite floor length dress of white satin with finger tip veil and corsage of pink roses. The bridesmaid, Miss Tillie Gallant (sister of the bride) looked very pretty in white taffeta with blue accessories and carried a bouquet of pink carnations.

The groom in his R. C. N. V. R. uniform was supported by Mr. Charles Murphy, Mount Stewart, and the bride was given away by her father, Captain Gallant.

During the Nuptial Mass, celebrated by Rev. J. W. McCardle, appropriate solos were rendered by Mrs. Chappelle. Mrs. Joseph Dougan presided at the organ.

After the wedding ceremony, the newlyweds with their parents and friends repaired to the Queen Hotel for the wedding breakfast where plates were laid for thirty-five. Among those seated at the breakfast table were Senator and Mrs. MacIntyre and their three daughters, Captain E. S. Gallant, His Worship Mayor J. E. Blanchard, Dr. J. D. McGuigan, and Inspector Anderson of the Department of Public Works.

His Worship the Mayor acted as toastmaster and among those who congratulated the newly married couple were His Honour the Mayor, Senator and Mrs. MacIntyre, Captain Gallant, and Dr. McGuigan. At the conclusion of the brief addresses, the guests arose and sang "For He's A Jolly Good Fellow."

Shortly afterwards the bride and groom left on a honeymoon trip through the Province, the bride wearing a smart travelling dress of yellow beige with accessories to match.

WORRY NOT

Worry not, my doubting friends.
It only meets with ruthless ends,
It also fosters many ills,
And if not mastered, often kills.
And this you should remember, too,
It means naught else but grief to you.
"O ye of little faith" beware
Lest sorrow chase thee everywhere.

W. M. S. Rally Held at Pownal

On Friday, Sept. 15th, a missionary rally was held in the United Church at Pownal.

As this was the day announced that there would be a big storm, the attendance was not as large as it otherwise would have been. However eight auxiliaries of the surrounding districts were represented and those present, about thirty in number, had a pleasant and profitable afternoon.

The church was beautifully and profusely decorated with gladioli, snap-dragons, zinnias and carnations.

At the first session which was unavoidably late in starting, Mrs. J. F. Easton, New Wiltshire, presided.

Three members of the Bunbury Auxiliary, Mrs. H. Mutch ,Mrs. Gard, Sr. and Mrs K. Gard conducted the devotional period, taking as their theme "Love."

The resolution committee was appointed, Mrs. W. A. Bruce, Valleyfield, Mrs. W. H. Johnson, Charlottetown and Mrs. H. Mutch, Keppoch.

Mrs. E. R. Woodside's address was read by Mrs. Easton In this the refugee question was stressed and all Auxiliaries urged to take action, if they have not already done so.

A pleasant surprise was a message from the Past President, Mrs. A. J. Matheson, O'Leary. The members are always pleased to hear her encouraging words.

Reports were received from the different Presbyterial secretaries and discussions held on the various branches of work, which are carried on by this society.

The treasurer reported that the Dominion Board is asking for an increase of $100,000.00 for 1944. The estimates for 1946 call for $900,000.00 to meet increased grants and to maintain our good financial condition in preparation for difficult years of readjustment.

As there are only a few months left in 1944, it is hoped that the Auxiliaries will give their earnest and prayerful attention and that each member will be able to give more than her givings of 1943.

A member of the Pownal Mission Band, Marjorie Currie delighted those present by singing "Bring Them In," accompanied by Mrs. N. MacKinnon.

The report from Branch was given by Mrs. W. A. Bruce and with the rattling of windows and the banging of blinds, she vividly pictured the high-lights of the Conference Branch, held in Sackville on June 28th.

This session closed by singing, "Take My Life and Let it Be Consecrated Lord to Thee and Benediction by Mrs. L. Murray, Hunter River.

The members awed by the storm, then repaired down the hill to the hall where a bountecus repast was served by the ladies of the Pownal Auxiliary.

As they cosily sat around the long table and enjoyed the fine edibles provided, each lady gave her name, thus we became better acquainted. A short social time was enjoyed, the different secretaries having an opportunity to talk with those interested in their departments.

Mrs. Easton conducted a Missionary contest, which created a free atmosphere and those taking part learned what a store of knowledge there is in the Blue Book.

At the close of the contest, "the teacher" was asked this qustion, "When should the nominating committee of an Auxiliary be appointed?"

Will the readers answer this, then consult the Blue Book.

Evening Session

In the evening a public meeting was held in the church, at which, Mrs. H. Newson presided.

Miss E. Holmes, Mrs J. Simpson and Mrs. S. Thompson of the Trinity Evening Auxiliary, Charlottetown, conducted the devotional exercises. Their theme was "Reconstruction," which gave material for serious thought.

The Cherry Valley Ladies' Quartette sang, "We Would Be Building" which was a rare treat and thoroughly enjoyed by all.

The address was given by Rev. T.E. MacLennan, who clearly made his audience understand their responsibilities and opportunities for a better world.

Mrs. W. A. Bruce read the following resolutions:—

Resolved—that we express our thanks to Our Heavenly Father, that He, in His own wisdom has permitted so many of us to meet together under such peaceful conditions.

That the W.M.S. members represented at this rally, place themselves on record as upholding the Prohibition Law, which in itself may not be thoroughly satisfactory, and though the enforcement thereof might be improved upon, we feel is far superior to Government control.

That in the opinion of your committee a great opportunity exists for more extensive work among the younger groups.

Remembering that the children of to-day are the men and women of to-morrow, we would urge upon our members the need for more organizations of circles, C.G.I.T. groups, Mission Bands and Baby Bands.

That we, as members of the W.M.S use our influence, each in her own community to further study of the scriptures in our homes.

That considering the very important problems confronting our leaders of state, now in conference in Quebec and realizing that prayer is the greatest force for good, that we loyally stand behind them with our earnest prayers that God will guide them in their decisions.

That we express our thanks to the Stewards for the use of Pownal Church, to the ladies for the bountiful supper provided, to Rev. Mr. McLennan for his powerful and inspiring address, to the Cherry Valley ladies quartet for the beautiful music and to all who in any way contributed to the success of this rally.

After the offering had been received, meeting closed by singing, "Jesus Shall Reign," prayer and benediction by Rev. Mr. MacVicar.

DUTCH ANCESTORS

The ancestors of three American presidents were Dutch—Martin Van Buren, Theodore Roosevelt and Franklin D. Roosevelt.

Warren-MacAusland Wedding

A wedding of interest took place in Trinity United Church, Charlottetown, at 4 P. M., Monday Sept. 18th when Pansy Caroline — daughter of Mr. and Mrs. Donald MacAusland of Charlottetown and Mellick Ernest — son of Mr. and Mrs. Ernest E. Warren of North River, were united in marriage by Rev. T. E. McLennan.

The church was beautifully decorated with ferns and flowers of the season, with gold as the predominating color. The Bride was given away by her father while Prof. Roy Kendall provided fitting music at the console.

A street length dress of golden glow crepe, with brown accessories, made up the costume of the charming bride who carried a sheaf of Talisman roses.

The maid of honor, Miss Minnie Downe, was attractively attired in a cocoa-crepe dress with brown accessories and carried gladioli.

Mr. Malcolm Ferguson of Canso N. S., a college friend of the groom's, acted as best man. During the signing of the register, Mr. Sterling Inman gave a beautiful vocal rendition of the solo "I'll Walk Beside You."

The Bride's mother was smartly dressed in sheer black crepe with matching accessories and wore a corsage of red roses.

The Groom's mother wore flowered crepe and a corsage of white carnations. Lorne Finley of Charlottetown and LAC. Burton Smythe (R. C. A. F.) were the ushers for the occasion.

Following the ceremony, the guests drove to the Charlottetown Hotel, where the bridal couple, with their respective parents, stood ready to receive them. A beautiful luncheon was served and Mr. Inman sang as a toast to the bride "Just for You Dear"

For going away the bride was dressed in a dark brown casual coat with inverted back pleat and quilted lining and matching brown accessories.

The popular young couple left for a tour of Nova Scotia where they will reside for the present, and their many friends wish them a life time of happiness.

Marking a new stage in the discussions taking place at Quebec City was the arrival of British Foreign Minister Anthony Eden, who is shown here leaving the Chateau Frontenac shortly after his arrival, to report to the Brit-

Blanchard-Arsenault

A quiet wedding was solemnized in St. Dunstan's Basilica yesterday morning, when Rev. Jean Gaudet united in the holy bonds of matrimony, Marie Bernadette, eldest daughter of Mr. and Mrs. J. H. Blanchard of this city, to J. Edmond Arsenault, son of Mr and Mrs. Charles M. Arsenault, of Abrams Village.

The bride who was given away by her father, was attended by her sister Miss Beatrice, while the groom was supported by Mr. J. Wilfrid Arsenault.

During the Nuptial Mass, appropriate hymns were beautifully sung by Miss Phyllis Blanchard, with Mrs Joseph Dougan presiding at the organ Elmer Blanchard, brother of the bride, acted as usher

Following the ceremony a wedding breakfast was served to the immediate relatives and a number of invited guests at the "Charlottetown," after which Mr. and Mrs. Arsenault left on a honeymoon trip throught the Maritimes and Quebec. On their return they will reside in Charlottetown.
