HUMORS

Come to the surface the spring anoin other season. It's a pity they don't run themselves all off that way; but in spite of pimples and other eruptions they mostly remain in the system. That's bad. Hood's Sarsaparilla removes them and cures all the painful and disfiguring troubles they cause. Nothing else cleanses the system and clears the complexion like Hood's.

There Are 2400

Disorders incident to the human frame, of which a majority are caused or promoted by impure blood. The remedy is simple. Take Hood's Sarsaparilla. That this medicine radically and effectively purifies the blood is known to every druggist, known to hundreds of thousands of people who themselves or by their friends have experienced its curative powers. The worst cases of scrofula, the most agonizing sufferings from salt rheum and other virulent blood diseases, are conquered by it, while those cured of boils, pimples, dyspeptic and bilious symptoms and that tired feeling are numbered by millions.
