

These 2 perfect soups make my famous "Potage Mongole!"

Good Cooks make sure they get the very finest ingredients... when their reputation depends on how things taste! That's why the best chefs choose Aylmer soups, like Tomato or Green Pea, whenever they need to use a condensed soup in a recipe. For Aylmer has sealed in the real "fresh" flavor of vegetables picked at their peak!

A Cook's Tour from Aylmer seed farm to canning would soon convince you why! Vegetables grown in Canada's most fertile fields from pre-tested seeds taste better every time... bring better nutrition to the table, too!

Try our CHEF'S SPECIAL for a "Party" Treat!

"POTAGE MONGOLE"

1/2 cup grated Swiss cheese (optional)

Turn the Aylmer Tomato and Green Pea Soups into saucepan; slowly bring to the boiling water, in which the extract has been dissolved. Heat soup to boiling point and serve immediately. Grated cheese may be sprinkled over soup in the bowl.

WOMEN TRAVELLERS. Women are better train travellers than men in the opinion of Albert A. Gardiner, general passenger traffic manager, Canadian National Railways. Father of four daughters and six sons, the railway official thinks that a woman sees more when travelling. appreciates the courtesies of the porter and finds less to complain about. Remarking that Canadians are developing a taste for the enclosed compartments on trains, Mr. Gardiner stated that the travel trend today is devoted more to giving the common person a break. He said that most of the improvements can be found in the day coaches.
