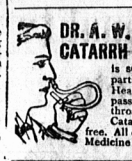
Fifty barrels choice No 1 Baldwin and Nor hern Spy apples for sale at Ching's Fruit and Confectionery.—J. Ching. 20 mwf3i.

Maple Leaf Rebekah Lodge No 13 I. O. O. F. meets tonight in new hall. Installation of officers. All members requested to be present.

Rev. A. D. McCully preached a forceful sermon in in the Methodist Church last night on Scott Act enforcement in Summerside. He took for his subject, It is the price of blood.

In the toast list in connection with the banquet after the installation of officers in Mt. Lebanon Lodge A. F. and A. M. at Summerside, Prince Edward, Malpeque, should have read, Prince Edward, Stanley Bridge.

Do not make a mistake when marking your ballot on Feb. 1st. "Against the Act" which you will find marked in the ballot means the Scott Act. If you are a friend of the temperance cause vote the Scott Act out by marking your ballot "Against the Act."



DR. A. W. CHASE'S CATARRH CURE ... 25c.

is sent direct to the diseased parts by the Improved Blower. Heals the ulcers, clears the air passages, stops droppings in the throat and permanantly cures Catarrh and Hay Fever. Blower free. All dealers, or Dr. A. W. Chase Medicine Co., Toronto and Buffalo.

Misses Minnie and Myrtle Weeks, Fredericton, who have been visiting friends in Alberton, return home today.

A taxpayer of the town who would like to see the Scott Act abolished writes as follows: "Men of saneness arise in your might on February 1st and displace the present Act. There is nothing to fear in the way of losing revenue as some would have us believe. On the contrary much is to be gained."

A fresh lot of delicious California fruit has just been received per S. S. Stanley at Ching's Fruit and Confectionery. It includes Navel oranges, sweet and juicy, Tamgerines, seedless lemons, grape fruit, etc. This lot of fruit was purchased by W. A. Ching in Boston from first hands, therefore saving middlemen's commissions. We now can offer the whole lot at tremendous low prices for cash.—J. Ching. 29mwf3i.

Drs. Leard & McMurdo's Dental Parlors are now to be found in the Schurman brick block. The rooms which are large, bright and airy will be much appreciated by the public and the Doctors will find it more convenient to accommodate their large and increasing business. The reception room is large and handsomely furnished. There is also a very nice private room in connection with their apartments. The latest and most improved methods in every branch of dentistry are to be had at Drs. Leard & McMurdo's.

THE ALBERTON GUARDIAN

Office—Post Office Building—H. Clarke, Mgr.

The plumbing of the station building has been begun.

The western train arrangement is anything but satisfactory. The people of Prince County are chagrined at the injustice played upon them. The receipts of the Railroad west of Summerside are certainly greater in proportion than from any other part of the Island, because Prince has less shipping ports and it is supplied wholly, we might say, by the Railroad. Even if a tri-weekly freight train, as Souris now enjoys, was run west, and making the present train an express, it would be more satisfactory. The people of Alberton and Tignish would deem it to be something unusual now to see a train in daylight.

The recent thaw has opened up the harbour again. Navigation is now as free as in summer with no ice at all to be seen in the gulf. Two vessels drifted out the harbour on Wednesday and were moored again with some difficulty. The owners evidently did not expect the unprecedented weather as we have had this January. The smelt men, too, were surprised. Several of the'r nets drifted away, and the small shanties, which dotted the ice of Cascumpec Bay, went floating in all directions.

Coughs, colds, hoarseness, and other throat ailments are quickly relieved by Cresolene tablets, ten cents per box. All druggists.
