Morning Stock Letter

(Received over Pitfield and Co's Private Wire)

NEW YORK, Dec. 15—The London stock market this morning is strong and more active, latest report from the coast regarding the maritime strike is that a settlement is near at hand. President Roosevelt is at Charleston, S. C., today and is due back in Washington before the end of the week. The advance in the price of copper yesterday to 11 cents will probably carry copper stocks higher. The advance in the price of crude oil by Continental Oil has been followed by few of the major companies thus far. Federal Judge Gore at Nashville yesterday granted an appeal of 19 major power companies to restrain further expansion extension of activities of the T. V. A. The injunction will continue in force until the case against the T. V. A. has been tried in March. Activities under way now will not be effected. Sears Roebuck is scheduled to have a dividend meeting today. We would expect a broader and firmer market today, including the rails, oils, coppers, steels, motors, amusements and building stocks.

NEW YORK, Dec. 15—Export copper 11.25. Sears Roebuck declared extra dividend $2.50.

MINING

(Canadian Press)

TORONTO, Dec. 15—A boiling market in the mining section sent prices rocketing today and volume at 2,690,000 was the heaviest since Apr. 13. Heavy advance in metal prices in London and New York in the last few days started a rush of buying in the base metal shares and the secondary and junior golds fell into line.

The big coppers, Noranda and Hudson Bay, were leaders with gains of 1 1-2 to 1 3-4 each. The cheaper issues were more active. Sherritt gained 27 cents to 2.72 and Pend Oreille gained 50 cents to a new high at 2.90.

Highlights of the gold group were Central Patricia and Siscoe, up 60 to 65 cents each. McKenzie Red Lake, Little Long Lac, Kirkland-Hudson Bay, Premier, Bidgood-Kirkland, Sullivan, San Antonio and Sladen, up 14 to 23 cents each.
