THE MARKETS

MONTREAL, Dec. 16 — Receipts reported at the Board of Trade of eggs today amounted to 127 cases as compared with 112 for the same day last week, 4,126 for the same day last month and 78 for the corresponding day a year ago.

There is no change in the egg situation to note. Prices continue unchanged with a firm undertone owing to the good demand and small supplies of fresh laid stock. Better arrivals are expected.

We quote wholesale jobbing prices as follows:

Strictly new laid eggs 90c to 1.00
Selected C. S. stock 72c
No. 1 C. S. stock 64c to 66c
No. 2 C. S. stock 52c to 60c

The good demand for poultry reported for the past several days continues and prices continue firm. Heavy deliveries are stated to be coming in from the country, but the increasing demand prior to the holiday season is expected to be able to take care of the arrivals, so that a reduction in prices of more than a cent or two a pound is not looked for. All lines of poultry are getting a good demand.

We quote wholesale prices as follows:

Choice turkeys 52c to 54c
Good turkeys 48c to 52c
Chickens 33c to 40c
Fowls 26c to 32c
Geese 30c to 33c
Ducks 36c to 40c

The potato market is dull and is usually so at this time of the year. A hand to mouth business is passing with arrivals from the country fair. A steady undertone to the market is obtaining without any change in prices. Quebec reds and whites are quoted at \$1.60 to \$1.70 per 90 lb. bag in cart lots ex track, and Green Mountains at 5c to 10c higher. Ex-store Quebecs are selling at \$1.90 to \$2.00 per 90 lb. bag and Green Mountains at around the same price to slightly higher.

NEW YORK, Dec. 15 — Eggs unsettled. Receipts 3,011 cases. Fresh gatherer, extra firsts, 82c

French Despatch Boat Is Lost

(Special to The Guardian)
PARIS, Dec. 20.—The French Despatch boat Bar-Le-Duc ran aground on the night of Dec. 14 near Cape Dere, and it is believed 20 members of the crew were drowned. The ship is lost, according to an Athens despatch. Seventy men from the ship's crew arrived at Pieraeus it is stated.

13 Drowned When Launch Sank

AUGUSTA, Ky., Dec. 20.—Thirteen persons were drowned in the Ohio river when the United States steam launch Margaret sprang a leak and sank three miles below Augusta, at six o'clock last night. Of the victims two were women and two babies. The boat which was used at the government dam at Chile was bringing a crowd of twenty-one persons to Augusta. The launch was in sight of Augusta when the engineer Henry Dakes discovered a leak inside of the craft. He started the pump working, but the water came in too fast. Within less than five minutes before the passengers were aware of their peril it is said, the boat listed and went under. Eight men survived the disaster by jumping into the water. Seven swam ashore, one was picked up by fishermen. The boat sank in midriver. There was no panic among the passengers if it is said owing to the fact that they did not realize the danger. According to survivors who were brought here the launch was carrying the party to Augusta to attend church services.
