Islanders I Have Met

By 'Islander Abroad'
WINNIPEG, Man. (Special) — This afternoon, I was most pleasantly entertained by Mr. and Mrs. William Ferguson at their beautiful residence on Rosedale Avenue in the Port Rouge district of Winnipeg.

The Ferguson home is of large construction, well landscaped, and beautifully situated. Mr. Ferguson, formerly of Hampton, P. E. I., is a first class, A.I. carpenter by trade, and has been a contractor for many years, having built many homes in the city.

Weaving at present is quite an art in many sections of Winnipeg. In many schools or clubs, girls are being taught weaving by experts through the Home and School Association or other Organizations.

Some girls of eleven to fourteen have woven beautiful scarves, which sell at the retail stores for over the three dollars each. Besides the lovely home, the lives in, he built for himself, and presently owns, two other well built splendid looking homes in the same district.

Mr. Fred Allen left by bus on Sunday for New Brunswick where he has secured employment in the lumber business.

Mr. H. Nicholson, agent for Rogers Hardware was a business visitor to Georgetown on Tuesday in the interests of his firm.

Mr. Eddie Sarson and son George of Pictou, N. S., is visiting her parents, Mr. and Mrs. George White.

The school hot lunch programme for rural pupils was commenced on Monday and is proving a success. Approximately twenty-five pupils are taking advantage of the opportunity of having hot lunches during the winter months.
