Cheers greeted the returned hero as he alighted from the train, and after a hearty handshake and a kind welcome from all who could reach his hand, he was taken charge of by Dr. McPhee and Mr. A. S. McKay, on behalf of the Patriotic Society. He was escorted to the Crystal Cafe where the best that this well known hostelry could produce, was placed before him. He was hospitably entertained until the time of departure of the train for west, by which he proceeded to his home in Lennox Island. **Hon. Sir Charles Dalton** returned to Charlottetown Saturday morning after an absence of five weeks in the West, where he had been to look after his interests in an action referred to in another part of this issue. He stopped off at Regina, Winnipeg, Quebec, Montreal and State of Maine centers. He says that in some sections of the north west there are fields of grain still standing in stocks, and it is improbable that this grain will be threshed until next May, owing to formation of ice through the stocks owing to the melting of snow. Prospects are improving in the West, everyone remarks throughout that section.

Sir Charles Dalton met several Islanders in Vancouver, who are all apparently prosperous. In nearly all the institutions in the West the leading men are Islanders in the courts, in educational matters and in business, etc. In fact, in the Guardian Sir Charles was the guest of honor at a special meeting of the Knights of Columbus in Vancouver, among whom were many Islanders. Sir Charles had the pleasure of meeting Mr. A. A. Le Furgy, who intends to return to the Island shortly.

**NONE BUT THE BEST.**—During the recent visit of the Duke of Devonshire, Canada's new Governor-General, to Toronto he was banqueted by the Toronto Club and nothing was too good for him. To secure the best oysters obtainable in Canada, it is interesting to note that they were secured from Prince Edward Island, two barrels having been sent to the Queen City by Mr. Beloni Gaudet, Miscouche.—Agri.

**GENEROUS ACT.**—The Royal Edward Chapter, I. O. O. F., recently resolved to donate a \$100 Canada Cement Co. **VISIT OF HORSE BUYERS.**—Mr. D. M. McDonald, the well known livery man who accompanied the French Remount Commission on their trip through the western part of the island, returned to the city on Saturday night. He states that the Commission while in Bradabane on Wednesday last purchased ten high-class horses. The veterinary said that these were the best class of horses shown at any of the places visited by the Commission in Prince Edward Island. The animals ranged in weight from 1100 to 1600 pounds. The next place visited was Kensington on Thursday where six horses were purchased, also a decidedly fine lot. On Friday morning Alberton was visited, only two being bought there. In the afternoon they called at O'Leary buying eight fine horses, seven of which were purchased from Mr. R. J. McNeill of Tyne Valley. The veterinary complimented Mr. McNeill upon his good judgment as a judge of horses. On Friday night the Commissioners telegraphed Sgt. Grady, asking if it would be possible to have the horses sent on the express to Summerside on Saturday morning, as they were leaving immediately for Ottawa and wished to have all their horses arrive at St. John as quickly as possible. This request was kindly granted, and the courteousness of the Superintendent was greatly appreciated by the gentlemen. The Commission during their stay on the Island purchased a total of 109 horses, and were very well pleased with their trip and the people they met while here. They hope to return at some future time.

**UNITED BAPTIST QUARTERLY CONFERENCE** of Prince Edward Island. The 86th session was held at Albany, Dec. 5, and 6th. In consequence of changes in the railway timetable the arrival of the delegates was very late in the evening, and only a very short meeting of praise and prayers could be held, on the first day. But during the next day the meetings were of a very enthusiastic kind, in spite of the state of the weather and roads. Devotional services were led by Rev. W. E. Carpenter, and papers and addresses were given dealing with the Five Year Programme as adopted at the recent meeting of the Baptist Convention of the Maritime Provinces. During the morning the Rev. C. R. Freeman introduced the program as a whole and its evangelistic and financial sides were dealt with in detail by Rev. E. P. Calder and Mr. J. F. Gordon respectively. In the afternoon the ladies held a meeting in the name of the U. B. W. M. U. under the presidency of Mrs. Gidden, and an instructive and forceful address was given by Rev. L. E. Ackland in the prospects of the Kingdom of God in these times. The missionary side of the program was also ably dealt with in papers specially prepared and sent on to the Conference by Messrs J. A. Clark and A. W. Sterns, the former in regard to Home and Western Missions the latter in regard to Foreign Missions. In the evening the Rev. W. Piper read a paper on the Educational Side of the program and Rev. L. E. Ackland preached in evening a sermon which formed a fitting close to this most interesting conference.

**THANKSGIVING WEDDING BELLS.**—A wedding of special interest to residents of Charlottetown and vicinity was solemnized at the Methodist Episcopal Church Westboro, on Thanksgiving day when Miss May Enman, oldest daughter of Mr. Mark Enman, was united in marriage with Mr. William Paul Kulger of East Hampton. The bride wore a white silk chiffon dress and flowing veil caught with Killarney roses and carried a shower bouquet of Killarney roses. The bridesmaid was Miss Ella Burhoe, daughter of Mr. Henry Burhoe, a cousin of the bride. She carried a bouquet of yellow chrysanthemums. The bride is the oldest grand-child of Mr. Thomas Knight Burhoe and was given in marriage by her father. She was attended by Miss Pearl Enman, sister as flower girl and Albert Enman, brother, as ring bearer. Mr. Redrus Roland Enman was the best man. The double ring service was used and after the wedding a reception was held at the home of Mr. R. M. Enman, 11 West Main St., Westboro, where the brides Sunday School Class served refreshments to about sixty guests. Miss Lena Cumings was organist. The ushers were four lady friends of the bride, all dressed in white, namely: Miss Bertha Hoff, Miss Lottie Berry, Miss Ethel Maloney and Miss Myrtle Burman. The young couple received many useful and costly gifts including cut glass, hand painted china, bedding table linen, checks, silverware and many other useful gifts of furniture; also a desk the gift of Mr. Edison Enman, a brother of the bride. After the reception the young couple were conveyed by auto to the train for Springfield where they spent a short honeymoon, after which they will reside at 1 Myrtle Street, Westboro, Mass. and will be at home, to their friends Wednesday and Thursday. The bride is also a niece of Mr. Richard Franklin Burhoe of Westboro.

**BEAVER FLOUR**

MILLED OF BLENDED WHEAT

"Beaver" Flour equals any of the "special pastry flours" because it is, in itself, a special pastry flour—being the choicest Ontario fall wheat, blended with western spring wheat to give it strength. This is why Pies, Cakes, Cookies, Tarts, Doughnuts, Buns and Fancy Pastry—when made with "Beaver" Flour—are so light, so flaky, so uniformly good. This is also why the Bread and Rolls—made with "Beaver" Flour—have a delicate, nutlike flavour that is totally lacking in western spring wheat flours. Just try "Beaver" Flour for anything you are baking—and see what happy results you get, every time.
