WHAT CHANCE DO YOU STAND?

If you are Afflicted With Foul, Offensive Disgusting Catarrh, Your Progress Will be Slow.

Catarrh is a terrible handicap in the business and social world. The extreme offensive nature of the disease, the foul and sickening breath, the everlasting hawking and spitting, the fetid discharge at the nose, the watery eyes and catarrhal deafness all combine to made the unfortunate victim one of the most avoided and despised of mankind.

Many first-class, competent men have lost good positions on account of their unbearable presence due to catarrh. The catarrh victim is tabooed socially and his appearance is secretly dreaded. What makes the matter worse is that he does not know himself how offensive he is as his sense of smell, and frequently taste, is destroyed. Leaving out of consideration the suffering, annoyance and danger of the disease, no man can afford, from a business or social standpoint, to have catarrh for one minute if he can possibly avoid it.

Stuart's Catarrh Tablets have done more to stamp out this disease than any known remedy. They strike at the root of the malady and completely expel it from the system. Catarrh is a deep-seated disease and will not yield to local applications, such as sprays, ointments, inhalations, etc. Stuart's Catarrh Tablets cleanse the system and renovate it thoroughly of all impurities. Under their influence all catarrhal poisons are carried off and the blood becomes pure, the eye bright, the breath sweet, discharges cease, the head clears up, the sense of smell and taste are restored and the sufferer becomes sound and well and fit to associate with his fellow-man.

Stuart's Catarrh Tablets are for sale by all druggists at 50 cents a box. The druggist no more thinks of getting along without Stuart's Tablets than he would without his prescription case. The demand for them is so universal and their popularity is so great and they have cured so many thousand people that he would not be considered an up-to-date druggist if he did not keep them and his customers would lose consideence in him and go to some other store to buy their other drugs as well as their Stuart's Catarrh Tablets.

A NOTED HORSEMAN'S EXPERIENCE.

Mr. Antoine Wendling, owner of Deveras 211½, and proprietor of the Clifton House, Brockville, says no liniment compares with Nerviline for general use around the stable. For strains, sprains, swellings, internal pains and especially for affections of the whirl bone Nerviline is unequalled. Mr. Wendling believes Nerviline is indispensible as a horse liniment; it has strength, penetrating power and works thoroughly. Every horse and stock owner should use Nerviline. NOT FOR BEST FARM In The State.

"I saw so much in the papers about the wonderful cures effected by Pyramid Pile Cure, I determined to give it a trial I bought from my druggist one fifty cent box and used it as directed, and by the time I had used the last "pyramid" I was entirely cured; in four days after I began to use the "pyramids" all inflammation was gone. I was perfectly easy all the time, the excessive discharge stopped at once, and stools became easy and gentle.

"I was unable to get my own firewood for four months, and half the time when I could walk at all I had to walk half tent. I used many pile remedies, salves and ointments, all to no effect until I used one fifty cent box of Pyramid Pile Cure and was cured.

"I would not be afflected as I was four months ago for the best farm in the state of Arkansas. I can give proof and reference of the wonderful cure to all who are afflicted as I was. Please publish my letter that I may advise the afflicted." W. E. Wallis, Piggot, Ark., Box 26.

The experience of Mr. Willis is that of thousands of others who suffer for years with the most painful forms of hemorrhoids, or piles, and after trying everything they hear of, give up all hope of a cure and look for temporary relief only. To all such a little book published by Pyramid Drug Co., Marshall, Mich., brings glad tidings, as it tells all about the cause and cure of piles and is sent free for the asking.
