"A HAPPY EVENT.--A very pretty wedding took place at the home of William Rourke, Montague, Wednesday evening Nov. 27th, when their daughter Catherine Martin was united in marriage to Frederick G. McIntyre of Montague by the Rev. W. D. Wilson. The wedding march was played by Miss Ala McDonald and as the strains of music filled the room the bride party marched in. The bride was becomingly dressed in white embroidered lawn. There was a large number of invited guests present, and after the ceremony they partook of a sumptuous repast put up by Mrs. Rourke's most capable maid, Mrs. The large number of costly presents, testified to the high esteem in which the young couple are held. The Guardian joins in wishing Mr. and Mrs. McIntyre a long and happy wedded life.--B.

GOOD HOCKEY PLAYERS ARE NOT ABUNDANT

HALIFAX, Nov. 28.--Secretary-treasurer Innes, of the M. P. H. A., manager of the Halifax Socials, returned last night from Upper Canada, well pleased with the working agreement between the M. P. H. A. and the Nationals. Despatches were in error, he said, in the statement that the Toronto's would be allowed to sign any players, they wished up to the opening of the season. The hitch with Toronto arose over five players, Doherty, George and Howard McDonald, Horace Gaul and Walter Miller. These Toronto claimed as having signed this season, and the agreement provides that Toronto's teams shall play on equal footing as regards bidding for their services up to opening of the season in the N. H. A. Walter Miller was relinquished to Toronto, as he had signed a contract with them in September as provided by the rules. Mr. Innes said good players were not abundant, but the money would bring top notch teams this way. The socials will have Smith, Hague, Murphy and Baird for sure. He had closed with other players whose names he would not mention. Doc Doherty will play in Halifax either with the Socials or Crescents. The latter team will likely get him.
