HAD RHEUMATIC PAINS for 25 YEARS

His Arms Were Becoming Useless

It was about 25 years ago that this sufferer first marked down the day when he could hardly lift his arms. But he found relief - here in this letter he tells the whole story.

"About 25 years ago I first experienced slight muscular rheumatism in my arm and shoulder. A few years later lumbago also attacked me. They gradually got worse until the pain got acute in both arms and loins. I could not lift a jugful of water with my arm extended straight out. About 12 months ago I bought a bottle of Kruschen Salts and by the time it was finished I was agreeably surprised at a slight improvement. I bought another one, and when that was finished all the pain had disappeared, and has never appeared since." - T. R.

The pains and stiffness of rheumatism are frequently caused by deposits of uric acid in the muscles and joints. The numerous salts in Kruschen assist in stimulating the internal organs to healthy, regular activity, and help them to eliminate this excess uric acid.

ASTONE Gives complete relief from Asthma spasms and a full night's rest. The formula of a British Missionary from India, introduced on the British market in 1921. It is highly commended by Asthma sufferers. 50c, \$1.00 and \$5.00. Prepaid to any address.

Belfast

The annual meeting of the Eldon Presbyterian W. M. S. of St. John's church Belfast was held at the home of Mrs. M. F. MacDonald, Eldon on June 2 with 11 members and three visitors present. The meeting opened with the missionary hymn. "We've a Story to tell to the Nations." The Scripture was read, responsively led by the President. Mrs. John Hubley one of the oldest members of the society was made a life-member at this meeting, money for Foreign Missions. It was decided to have a life member made every year in the future: The officers for the coming year are President, Miss Matilda MacDonald. Vice-Pres. Mrs. Nell Morrison. Secy., Miss Katie MacEachern. Treas., Miss Annie MacRae. Mis. MacDonald was appointed a delegate to attend the Presbyterial at Murray Harbor South in July.

The retiring President gave a splendid address thanking the members for their support and bespeaking the same for the new President. She stressed the necessity of having the different Sunday Schools re-open as soon as possible as that part of the work is the cradle of the church and the church of tomorrow. A vote of thanks was tendered the retiring officers by Mrs. R. S. West. Meeting closed with the Lord's Prayer when all went to the dining-room where a variety sale was held the largest part of which was home made cooking. The table was quickly cleared and a pleasing sum realized. A delicious lunch was served by Mrs. MacDonald after the meeting.

The May meeting of the Mt. Buchanan Women's Institute was held in the school on Tuesday the evening with 9 members and 12 visitors present. Meeting opened by repeating the Creed. Roll call was answered by an exchange of seeds, slips or bulbs. Minutes of last meeting read and signed. New committees for next month School - Mrs. Donald MacKinnon. Sick - Miss MacPhee and Mrs. Murchison. Correspondence was read from Red Cross T. B. League and the Institute office. It was decided to give \$2.00 to the T. B. League this year. Institute news to be renewed, another gift was ordered sent, Miss Matilda MacDonald was appointed to attend the Annual Convention at Charlottetown. Next meeting in school. Roll call why should all W. I. members attend the school meeting? Meeting closed with the National Anthem when lunch was served by the members.
