

ANNA CASE singing in direct comparison with The New Edison Re-Creation of her voice.

Let the Talking Machine Dealer tell you why his particular talking machine is the best.

Then Ask Him These Questions:

- 1st.—Has your talking-machine ever been compared in public with the voices of artists who make records for it?
- 2nd.—If so, compare? Who were the artists? How many people heard the comparisons? What newspapers published criticisms?

Then come to us and ask us the same questions about

**The NEW EDISON**

"The Phonograph with a Soul"

And these will be our answers:

- 1st.—Yes, more than five hundred times.
- 2nd.—In most of the principal cities in Canada and the United States—by Anna Case, Miller, Middleton, Ciccolini and about thirty others, before nearly a million people. The musical critics of over five hundred newspapers have admitted that The New Edison Re-Creates the human voice with such perfection that the Re-Creation cannot be distinguished from the original when both are heard in comparison.

ALBERT E. TOOMBS, Charlottetown, P.E.I.

**The Wellington**  
THE UNIVERSAL PIPE

MORE men smoke a Wellington than any other pipe—because they like it better. So will you. The well catches the moisture. The W. D. C. triangle trademark on every Wellington means genuine French briar. Get your size and shape and begin to enjoy smoking. At good dealers—75 cents and up.

WM. DEMUTH & CO.  
New York

**Instantly! Corns Stop Hurting!**  
Corns Loosen and Lift Out

No pain! Few drops loosen corns and calluses so they fall off—Try it! Magic!

For a few cents you can get a small bottle of the magic drug freezezone recently discovered by a Cincinnati man. Just ask at any drug store for a small bottle of freezezone. Apply a few drops upon a tender, aching corn and instantly all soreness disappears and shortly you will find the corn so loose that you lift it out, root and all, with the fingers.

Just think! Not one bit of pain before applying freezezone or afterwards. It doesn't even irritate the surrounding skin. Hard corns, soft corns, or corns between the toes, also hardened calluses on bottom of feet shrivel up and fall off without hurting a particle. It is a scientific compound made from other. Get the genuine!

**12 TUMORS REMOVED WITHOUT AN OPERATION**

Silver Lake, Ont.  
Dear Mrs. Ladd—I am enjoying better health than I have for eight years, and I think I am entirely cured. I have none of the old symptoms, I am very grateful for my present health, and think Orange Lily is the greatest treatment for women the world knows. Its use in my case caused 12 tumors or growths of some sort to be expelled. Some were as large as a hen's egg, and others smaller, down to the size of a walnut. You may use my case in your advertisement for it is the solid truth, and you cannot describe all the good it has done for me. Mrs. Louise E. Rolteridge.

This letter gives an indication of the positive benefits that always follow the use of Orange Lily. It is applied treatment, and comes in direct contact with the suffering organs. It produces results from the start in all cases of women's disorders, including painful periods, falling of womb, irregularities, leucorrhoea, etc. I will send a sample box containing 10-day's treatment absolutely free to any suffering woman who has not yet tried it if she will send me her address. Enclose 3 stamps and address MRS. LYDIA W. LADD. Sold by leading druggists everywhere.

**FRIDAY**  
**LARGE FUNERAL.**—The funeral of the late Mrs. John P. Gaudet, Richmond, was held on Sunday, and was attended by several Summerside citizens, among whom were the following, who drove by teams: Messrs. W. B. McNeill, J. J. McNally, Leonard McNeill, Harry Silliphant, C. W. Harris, Charles E. McDonald and Charles McLellan. Deceased who formerly resided at Summerside leaves a widow, a sorrowing husband, five small children, a widowed mother, four brothers and four sisters to whom is extended the deepest sympathy of many Summerside friends.—H.

The second match between the Amherst Ramblers and the Charlottetown Millionaires was one of the best ever played in this Province, marked by fast skating, good stick handling, splendid combination plays and good clean hockey throughout. The superior team work of the Ramblers won out for them though the score was close—4—5—and the game at most stages belonged to anyone.

The line-up of both teams was practically the same as for the previous night, and to praise a few players would be unfair to all, as all played star hockey from start to end.

Near the close of the game an Amherst man received a slight injury which delayed proceedings for a while—but he pluckily went ahead with his game, and was applauded for his grit and nerve.

Mr. James Herrell was referee and the "cleanness" of the game is shown from the fact that no penalties were handed out—and every man played to win.

The Rev. Wulstan Workman, O. F. M., formerly of St. Elizabeth's German Catholic Church, Denver, has recently been made a lieutenant colonel in the English army. He is "Assistant Director of Chaplain Services (Catholic)" in the Canadian army, having charge of the Canadian Catholic chaplains.

Father Wulstan says The St. Anthony Messenger, is a member of the Province of France, to which the friaries of Quebec, Montreal, Three Rivers and others in Canada are attached. Father Wulstan is a young man, thirty-six years of age, and a priest since May 28, 1904. He spent several years in the Province of the Holy Name, New York. At the beginning of the war he went overseas and saw two years of hospital and trench work in France. Later he was made Assistant Director of Catholic Services. All Roman Catholic chaplains from Canada receive their appointed work from him as well as all the faculties, which naturally are very extensive.

By the death of Captain James Taylor, which occurred at his home in St. Peter's Island on Wednesday, February 20th, a well-known and much respected character, especially amongst the shipping interests of this city and province—has passed away. Captain Taylor was born at St. Peter's Island, sixty-five years ago and spent his life there. As he grew up he engaged in farming and fishing, and when still a young man began his career as pilot. It is not undeserved praise to state that he was probably the foremost pilot in this part of the Province, and had the honor of piloting some of the largest vessels, including great warships, in and out of Charlottetown harbour. To Captain Taylor fell the honor of piloting the cruiser Squid on Wednesday, February 20th, at Prince Louis of Battenburg, visited Charlottetown some years ago. It is said that Captain Taylor piloted more ships in these waters than anyone else.

He was a man of magnificent physique and his death, in what might be termed the prime of life, is very regrettable. Captain Taylor was noted for his hospitality, for his undaunted courage, his ability and his friendliness to all. He was widely known and all who visited St. Peter's Island, as well as many in that section of the country and in the city, will remember him and will entertain nothing but the kindest remembrances of him.

For some time past his health had been failing and no doubt his splendid physique was weakened by the hardships incidental to his calling and his work as a fisherman. There are left to mourn and cherish his memory a widow and his sons, James, keeper of the lighthouse, Daniel at Nine Mile Creek, one daughter, Mrs. Steele at St. Peter's Island. To the bereaved is extended sincere sympathy.

The funeral takes place today (Friday) at 1.30 p. m. to the Presbyterian Cemetery, West River and the services will be held in the church there.

**A Stubborn Cough Loosens Right Up**

This home-made remedy is a wonder for quick results. Easily and cheaply made.

The prompt and positive action of this simple, inexpensive home-made remedy in quickly heating the inflamed or swollen membranes of the throat, chest or bronchial tubes and breaking up tight coughs, has caused it to be used in more homes than any other cough remedy. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in the throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, whooping cough, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2½ ounces of Pinex (50 cents worth) into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. You then have 16 ounces a family supply of a much better cough syrup than you can buy ready-made for \$2.50. Keeps perfectly and is a special and highly concentrated compound of genuine Norway pine extract and is known to be over for its promptness, ease and certainty in overcoming stubborn coughs and chest colds.

In any disappointment, ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

**Headaches**  
come mostly from disorders of the stomach, liver and bowels. Regulate these organs and keep free from headaches by using

Largest Sale of Any Medicine in the World. Sold everywhere. In boxes, 25c.

**TELEPHONE EXTENSION.**—As a result of the recent meeting in the Cherry valley hall a company has been formed for the purpose of having the telephone line extended to China Point, Cherry Valley and Earncliffe. Mr. Theo. Gleason, China Point, is President, and Mr. William W. Mutch Earncliffe, Secretary. The price of the shares has been given as twenty dollars. It is estimated that the probable cost of this new line will be over fifteen hundred dollars. As the company has the sympathy and support of every intelligent man and woman in those three districts the new line as proposed will be built.—Q.

**A VERY SUDDEN DEATH.**—Heartfelt sympathy goes out to the widow and family of Mr. John Dalziel of Georgetown who died very suddenly on Wednesday. The deceased had been in his usual health almost to the moment of his death. At 5 o'clock he was talking to friends on the street; at 5.30 he had passed away just after reaching his home. He was 60 years of age and had been a driver on the P. E. I. Railway for a number of years. He was a popular and capable official, a kind and faithful friend and a loving husband and father. He leaves to mourn his widow, and two daughters, the Misses Jessie and Cassie at home with six sons, William in Ottawa, Hutton, a teacher at Bridgetown, John at home, Frank on the D. G. S. "Stanley" Walter at Port Borden and Albert, employed on the P. E. I. R.

**POWELL EXAMINATION.**—The semi-annual examination was held on Friday 1st Feb., the daily average of pupils being present. The school room showed a clean and neat appearance. Two trustees Messrs. W. E. Smith and Albert Jenkins, and the Secretary A. A. Moore, were present, a goodly number of visitors attended. The examinations were conducted by the teacher Miss Hazel Stewart Rev. Mr. Pearce, Mrs. Arthur Jenkins and the trustees. The pupils answered the many questions on the different subjects very readily and correctly, showing careful and thorough training. The teacher and pupils received their meed of praise from all the gentlemen present. Miss Verna Smith and Master Earl Hermann, recited very creditably. Then the sweetest part of the program came when the teacher treated everyone to a most generous helping of delicious candy, (her own make) for which a hearty vote of thanks was tendered and nicely acknowledged by Miss Stewart who was pleased at so many attending and for the kind words of encouragement. All heartily singing the National Anthem closed the proceedings.

**SUCCESSFUL CONCERT.**—A very successful entertainment and basket social was held in Clyde River Hall on Monday evening, Feb. 11th, under the auspices of Hamilton L. O. L. 1366. The hall was filled to its utmost capacity. The best of order prevailed throughout the evening Rev. W. J. McLeod fulfilled the duties of chairman in his usual capable manner. The following programme was rendered each item being received with rounds of applause. Remarks by Chairman; Chorus—Do your bit; Reading—Viola McKinnon; Solo—Blanche Gardiner (encored); Reading—Lillian McKinnon; Duet—Mary Howard and John A. Murray (encored); Reading—Katie J. McLean; Song—Frank McArthur; Reading—John A. Murray; Solo—Mary Howard; Reading—Mack MacSwain; Solo—Myrtle Henderson; Chorus—A song of Canada; God Save the King, Mr. Malcolm MacNeill, Long Creek, then proceeded with the auctioning of the baskets and was successful in realizing top notch prices for them. Mr. MacNeill deserves much credit for the nice sum realized. The proceeds amounted to \$87.00. The accompanists for the evening were Misses Norma Murchison, Myrtle Henderson, Mary Stretch, Marjorie Lewis. The committee in charge takes this opportunity of thanking all who helped make the social a success.

The temporary panic caused by the telegram to Mr. S. T. Gallant, Inspector of Fisheries, intimating that the Food Control Board proposed to order the discontinuance of lobster fishing and packing to save tin, subsided about as quickly as it arose. Mr. W. F. Tidmarsh, immediately on being informed of the telegram wired Premier Arsenault, who is at present in Ottawa, and also Hon. F. B. Carvell. The Premier interviewed the Department of Marine and Fisheries, and received an assurance that there would be no interference with the lobster industry this season. Hon. F. B. Carvell also replied stating that the proposal was merely suggested by the Food Controller and that he, Mr. Carvell, had protested against it. Following are the telegrams:

OTTAWA, February 20—Am assured no interference with lobster industry—as result of interviews. "A. E. ARSENAULT."

OTTAWA, Feb. 20—Understand subject only suggestion of Food Controller. Have protested to Minister of Marine & Fisheries. "F. B. CARVELL."

In reply to his wire, sent to Ottawa Wednesday afternoon, Mr. S. T. Gallant, Inspector of Fisheries, city, received the following telegram last night. Under the conditions will be no interference with lobster fishing on P. E. Island. "W. A. FOUND."

**RECOUNT FINISHED.**—The recount in the King's County election was concluded Wednesday at Souris before Judge Fraser, Judge of the County Court, when the ballots in the remaining 17 polls were disposed of. By the count of the votes by the Returning Officer, Mr. Hughes had a majority of 245. The recount increased this majority by 2 bringing it up to 247. Mr. G. S. Inman, K. C., was solicitor for Mr. Hughes, and Mr. McQuaid for Mr. McIsaac. The recount was instituted by Senator McLean.

**WORST FOR 26 YEARS.**—Mr. G. A. Hughes, Chief Train Despatcher on the P.E.I. Railway has informed the Guardian that during the past twenty-six years that he has been connected with the local system, the present winter is the worst he has experienced, both for intensity and duration of the cold weather and the bad condition of the railway track. The track is especially bad in the western section of the line, the frequent snow storm, thaws, cold periods and rain, making conditions as bad they probably could be. Ever since Dec. 10th when the first big storm occurred, it has been a steady and continuous fight between the railway men and bad weather.

Field Marshall Viscount French recently declared: "Of all the institutions and organizations which in the last fifty or sixty years have come into existence, none has done finer work and obtained greater or more splendid results in all parts of the British Empire than The Salvation Army."

The Honourable Arthur Stanley, M.P., Chairman of the Red Cross Society, recently wrote in "The Times": "It is almost invidious to mention any names when all are doing so splendidly, but perhaps I may acknowledge especially the good work of The Salvation Army. We value very highly not only their cars, but also the men who are sent with them, who have a marked influence for good upon all with whom they come in contact."

Sir Francis Lloyd is convincing: "The Salvation Army has been among the pioneers. My experience of them was this, that whenever I want anything, if I ask them to do it, it is done. I know of no organization in the whole world that has been more unselfish." Sir John Jellicoe: "The Salvation Army has done an immense amount of good in our country and the world generally. The men of His Majesty's Services owe much to its work before they go on with their journey; you do tremendously help in this way."

**MAGIC BAKING POWDER**  
CONTAINS NO ALUM.

Users of this well known article have the assurance that food is made more wholesome and nutritious by its use. "Magic" is a pure phosphate baking powder, and it is a well known fact that phosphate is a necessary constituent in food, while alum is a dangerous mineral acid. "Magic" Baking Powder contains no egg albumen or other added ingredient for the purpose of making unfair and deceptive tests which have no value as a constituent of baking powder. For economy buy the full weight 1-lb. size.

**E.W. GILLETT COMPANY LIMITED**  
WINNIPEG TORONTO, ONT. MONTREAL

Brigadier General Fitzpatrick's tribute is as follows: "If you could only hear what the soldier himself says of your work when he is going on leave, he hopes to accept your hospitality, both in France and in London, you would not need any further encouragement for your good work. We try to make our arrangements set as an inducement to come to you. When the soldiers arrive in London they will know where they can get a welcome, and coming here, will receive from you this hospitality, rest, food, and bed."
