

STRANGER THAN FICTION.

A Remedy Which Has Revolutionized the Treatment of Stomach Troubles.

The remedy is not heralded as a wonderful discovery nor yet a secret patent medicine...

The remedy is in the form of pleasant tasting tablets or lozenges, containing vegetable and fruit essences...

Stuart's Tablets do not act on the bowels like after dinner pills and cheap cathartics...

This is the secret, if there is any secret of the remarkable success of Stuart's Dyspepsia Tablets...

This success has been secured entirely upon its merits as a digestive pure and simple because there can be no stomach trouble if the food is properly digested.

Stuart's Dyspepsia Tablets act entirely on the food eaten, digesting it completely, so that it can be assimilated into blood, nerve and tissue.

Stuart's Dyspepsia Tablets can be found at all drug stores and the regular use of one or two of them after meals, will demonstrate their merit better than any other argument.

AN ADDRESS ON MASONRY

Delivered in Kensington by Rev. J. A. Winfield

Pastor of St. Mark's Church—The Ancient Masonry is but the Forerunner of the Present Order

The following is an extract of a sermon preached before Mount Zion A. F. and A. M. on St. John's Day in St. Mark's Church, Kensington by the Rev. J. A. Winfield, S. W.

The speaker took for his text 2 Chron. 3:1. "Then Solomon began to build the House of the Lord at Jerusalem in Mount Moriah."

There are countries in this world that have great historical interest—countries with dazzling snow capped peaks, wonderful rivers and ravines, lowering cliffs and mountains that are fascinating on account of their historical past...

It is true that wonderful temple with all its grandeur was destroyed by the Assyrians. Again it was built and again destroyed, and now no longer is heard the sound of the gavel in the quarries.

No longer is heard the song of the craftsmen as they cheerfully go to their labour. The stones that were fitted have decayed and gone to dust. The House of Israel has fallen from its grandeur but the memory of its glory is not, nor ever will be forgotten.

It changes not with climate, but in season and out of season in every land it is the same. The Israelitish brother looking back upon sacred and Masonic history, and to-day standing in the new temple can say, "God is good, and his mercy endureth forever."

Masonry. It is the Spirit that fell on the troubled Galilean waves, Peace be still. It is the voice of God, "love one another. This is the true Spirit of Masonry working upon the better nature of man. Not a mocking sentiment, but a sincere desire to labor for the common good.

Then Solomon began to build the House of the Lord, the temple. This temple took seven years to build, but the temple of the Spiritual will go on building from age to age until we all are fitted into the temple of the Eternal God; not made with hands, but forever in the Heavens. So shall we be eternally raised.

"I had a pain in my right hip," says Mrs. Kinsella, "and in the small of the back, and was swollen all down the right side of the abdomen. I was obliged to pass water every fifteen minutes in a burning, itching sort of way. I could not sleep, but was obliged to sit in a chair for two summers."

"Then I started to use Dodd's Kidney Pills, and after the first box felt much better. I continued to use them, and now I can go to bed and sleep as other people do. They did me a world of good in other ways, too."
