BEDEQUE

A very interesting and instructive debate was held Wednesday evening by the Young Peoples Society of the North Bedeque United Church. The subject for discussion being "Resolve that the Union of the Maritime Provinces would be beneficial to Prince Edward Island."

Owing to the bad storms in recent weeks and the consequent mild spell the roads in this vicinity are anything but pleasant to travel on.

The morning service of the Central Bedeque Baptist was quite largely attended, despite the bad roads. Rev. A. G. Crowe, pastor, took for his subject "A study in the Parables," and gave a wonderful discourse, to his many hearers. Sunday School followed the service and there was a good attendance.

The Women's Institute of Kelvin met at the home of Mr. and Mrs. William Casely, on March 3rd. The special entertainment for the evening was the form of a history of Kelvin and its early settlers, from that time up to the present time.

Miss Doris Inman, of St. Eleanors, is at present the guest of her sister, Mrs. Wyman Clark, of Wilmot Valley. Miss Inman has recently become a member of the Excelsior Division, Sons of Temperance and has allied herself with a cause which is for its objective total abstinence.

It is reported there are a number standing another period ended score-

Eczema on Face and Arms For a Year. Healed by Cuticura.

"I had eczema on my face and arms for about a year. It started with pimples that itched and burned, causing me to scratch, and I only got three or four hours' sleep at night. Scratching caused eruptions and disfigurement, and my clothes aggravated the breaking out on my arms."

Table with columns: NAME, DESCRIPTION OF PROPERTY AND LOCATION, Real Estate, Water, Sewer, Total. Lists property owners in the Bedeque area.

Notice is hereby given that, pursuant to the provisions of Statute 3, Edward VII, Cap. 17 as amended, after 30 days from the publication hereof and of the above list of ratepayers of the City of Charlottetown who have failed to pay within the time prescribed by law, the amount of the assessments severally levied upon their Real Property in said City, I will make application to His Honor the Judge of the City Court of the said City, for judgment against each and all of the lands above described for the respective amounts so levied against them and then unpaid and that upon such judgment being entered I will apply for a warrant for the sale of such lands.

Dated this 3rd day of March, A. D. 1931

of wild geese in the vicinity of Bedeque Bay, and are to be found in the water, in those places where the ice has gone. There are several large holes making their appearance already and with the continuing mild weather the ice appears to be fast softening. The early arrival of the geese would seem to indicate an early Spring, would it not

The North Bedeque United Church had a special solist, Mr. Emmerson Huettis, last Sunday morning and it was greatly appreciated by the audience.

Friends of Mrs. Ewen Clark of Wilmot Valley will be pleased to know that she has recovered from her recent illness and is getting around once more.

Mr. D. B. MacDonald, of North Bedeque was a visitor to Central Bedeque, on Monday afternoon.

The final play-off game for the Clark Trophy was played in the Central Bedeque Rink on Monday evening, the North Bedeque versus the Freetown "Tigers". The North Bedeque "Pirates" won the game to a score of 1 all, thus making the total score of 3-1 goals to count in the two play off games and in the midst of sticks and caps raising and cheering, Mr. James Clark, the donor of the beautiful silver Trophy, presented to the coach and behalf of the team, the above said "Trophy," and congratulations were extended the "North Bedeque Team" for the wonderful success in Hockey, also the "Freetown Boys" for their success in winning as many games as to lead one section as one team in the final play-off. The first period opened rather quiet, with the Tigers keeping the puck pretty well in the Bedeque play ground but failed to shoot to any advantage, and continuing for full twenty minutes, with neither team making any score. The second period opened almost as quiet as the first, possibly a little faster, notwithstanding.

Mr. Rufus Bagnall Central Bedeque has been spending a few days in Summerside, the guest of her sister-in-law, Mrs. Leslie MacFarlane.

The potato market has been well patronized this last few days, although the roads have been rather poor and the price of 30 cents equally disagreeable, there seems to be a large quantity going in each day, the Bedeque folk who have been hauling across to Summerside by the ice are gradually ceasing, as it is reported that the Bay is very unsafe, es-

New CHRYSLER SIX

STYLED like the Chrysler Eights, it has everything needed to be the outstanding value among sixes. Its performance is really something to experience—something to get excited about—something that says: "This is a great motor car."

less. One penalty was handed out in this period to Lorne MacCaull of the North Bedeque Team for bodychecking against the fence. The third and last period opened quite enthusiastically the boys were on for business this period here they displayed fast skating, good combination and everything that makes Hockey spin, after some 10 minutes of play the fatal shot landed in on Taylor, coming from well up in centre ice, this was followed by humdruming Hockey Freetown making every effort to even the game, but the opponents were to hard a hit for them and as the "bell" rang the score still remained the same. The stellar goalies, Baker and Taylor were not called upon to make many saves as in this point the boys failed to complete, only a few shots were made, and those so weak they wouldn't tip a "chicken" over. If the boys would have done a little extra shooting along with their bodychecking, combination, fast skating, etc., it would have been a pretty "hot" game. However, the teams were pretty evenly matched and were almost lost for a break. Mr. Joe MacDonald and Mr. Clayton Green, refereed the game to the satisfaction of all. The largest crowd of spectators, (of some two hundred and fifty people,) being present at this new rink this winter sure enjoyed the interesting game, presentation of Trophy, and lastly a "good skate" with the band, the ice was in perfect condition for the time of year, all helped to make a very successful evening, come to a close all too quickly.
