TO RELIEVE CATARRHAL DEAFNESS AND HEAD NOISES.

If you have Catarrhal Deafness or head noises go to your druggist and get 1 ounce of Parmint (double strength), and add to it 1-4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one who has Catarrhal Deafness or head noises should give this prescription a trial

::Miller's Worm Powders do not need the after help of castor oil or any purgative to complete their thoroughness, because they are thorough in themselves. One dose of them and they will be found palatable by all children, will end the worm trouble by making the stomach and bowels untenable to the parasites. And not only this but the powders will be certain to exert most beneficial influences in the digestive organs.

CHARLOTTETOWN BOYS IN FRENCH HOSPITAL

Mrs. Charles H. Chandler, City, has received the following letter from her son Russel:—

France
April 1st, 1918

Dear Mother:—It may surprise you to learn that my general headquarters for the time are in bed 31, ward 16, No. 26 Gen. Hospital, "Somewhere in France." But I think they'll have discharged me some two weeks before you receive this. My injury is slight, at worst, and looks even less serious, so I suspect my stay won't be of any great duration. I should worry tho; staying in bed gets on my nerves. But I suppose I'd better tell you why I'm here.

Well, I simply fell off a telephone post, where I was repairing some wire Fritz had taken a dislike to. I sprained my old bad knee, and scratched the back of my head. As there was a little shelling going on at the time there was some doubt as to whether I'd hit my head on a brick or been hit on the head with some of Heinie's compliments, and the doctor at the field ambulance refused to give me the benefit of the doubt and insisted on inoculating me. I don't like that. Anyway, whatever was the cause I can't even locate the scratch now. Tonight I feel almost as tho I could write a long letter, but an inspiration is a poor substitute for writing material so I'm afraid this will be the last for this time. I'll write again, a real letter as soon as I get out of hospital.

With love to all
RUSS

WHY I BELIEVE IN NUXATED IRON

As a Tonic, Strength and Blood Builder

Probably no remedy has ever met with such phenomenal success as has Nuxated Iron. It is conservatively estimated that over three million people annually are taking it in this country alone. It has been highly endorsed and used by Former United States Senators and Members of Congress; Physicians who have been connected with well-known hospitals have prescribed and recommended it; Monsigneur Nannini, a prominent Clergyman, recommends it to all. Former Health Commissioner Wm. R. Kerr, of Chicago, says it ought to be used in every hospital and prescribed by every physician.

Dr. A. J. Newman, late Police Surgeon of the City of Chicago, and former House Surgeon, Jefferson, Park Hospital, Chicago, says Nuxated Iron has proven through his own tests of it to exceed any preparation he has ever used for creating red blood, building up the nerves, strengthening the muscles and correcting digestive disorders.

Dr. James Francis Sullivan formerly physician, of Bellevue Hospital (Outdoor dep't) New York, and the Westchester County Hospital says there are thousands of men and women who need a strength and blood builder but do not know what to take. In his opinion there is nothing better than organic iron—Nuxated Iron—for enriching the blood and helping to increase the strength and endurance of men and women who burn up too rapidly their nervous energy in the strenuous strain of the great business competition of the day.

If you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained.

NOTE:—Nuxated Iron which has been used by former members of the United States Senate and House of Representatives, and other prominent people with such surprising results and which is prescribed and recommended above by physicians is not a secret remedy but one which is well known to druggists everywhere. Unlike the older inorganic iron products, it is easily assimilated, does not injure the teeth, make them black nor upset the stomach. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed in this city by Geo. E. Hughes Apothecaries Hall, E. A. Foster, Central Drugstore, H. J. Mahon, (Montague), and all other druggists.
